With the Republican National Convention behind us and the Democratic National Convention next week, don't forget to bookmark <http://www.udayton.edu/news/election2012/index.php> (url: <http://www.udayton.edu/news/election2012/index.php>) , for a list of election sources with a particular focus on Ohio, a perennial battleground state.

The University of Dayton has faculty experts available on a range of election issues, including the economy, immigration, environmental policy, polls, campaigns, voting laws, religion and more.

We have videos of faculty, including former Ohio Gov. Bob Taft, discussing the key issues in Ohio and for the 2012 general election.
