ALUMNI CHAIR IN HUMANITIES SYMPOSIUM GLOBAL VOICES

ON THE UNIVERSITY OF DAYTON CAMPUS

The **Global Voices** on the University of Dayton Campus symposium is designed to use stories to educate, inform, and contribute to ongoing conversations to strengthen UD's inclusive community. It brings together faculty, staff, and students from all corners of the globe to compare experiences in their community/country with those on UD campus, and concludes with suggestions on how to make UD's community more inclusive. It is the hope that these stories will help us to find commonality in the human experience, identify those things which unite rather than divide, and enable us to engage one another to learn and be informed. The symposium will encourage cross-cultural and cross-national engagements on our campus.
