WEDNESDAY, MARCH 11: CAMPUS ‘CAR SMASH’ BENEFITS M.A.D.D.

University of Dayton students, faculty and staff can take turns using a sledgehammer to shatter the windshield, dent the bumper and smash the exterior of a car at a “car smash” from 8 a.m. to 5 p.m. Wednesday, March 11, in front of Sherman Hall on campus. The event is sponsored by the fraternity Epsilon Delta Tau.

Proceeds of the event will benefit Mothers Against Drunk Driving (M.A.D.D.) The already-wrecked car was donated by Carl’s Body Shop and Towing, 1120 Wayne Ave. Fraternity members say the busiest time is around the lunch hour — from about 11:30 a.m. to 1 p.m. Between 50 and 100 people are expected to participate.

For more information, call Neal Pierce, event organizer, at (937) 285-8332.

SATURDAY, MARCH 14: COUNTY SCIENCE FAIR FOSTERS DISCOVERY

Rows of poster boards, experiments and projects will be on display as students from Montgomery County showcase research ranging from botany and zoology to physics and gerontology at the Montgomery County Science Day, to be held at the University of Dayton.

About five hundred elementary age through high school age students are expected to participate in the Montgomery County Science Day from 8 a.m. to 2:30 p.m. on Saturday, March 14, at the Thomas J. Frericks Athletic and Convocation Center on campus.

For more information, call Rebecca Ryan, event organizer, at (937) 229-4192.
