Maria Assumpta
L. Gonner S.M.

1. Oh hark how those anthems through heaven resound! As
choirs of angels and saints gather round, To
sound through-out heaven re-echoes and rings, The
wel-come the Virgin of spot less birth, As the
suffer-ing Church from its purg ing flames Joins the
Queen of the Heavens and Mistress of earth. Maria As-
Mil i-tant Church as it loud-ly pro-claims. Maria As-
ments and our hearts lost in rap-ture, re-pet. Maria As-
sumpta we hail thee to-day, Maria As sumpta, oh
sumpta we hail thee to-day,
sumpta our homage we pay,
hear us we pray: That as once from the tomb thou didst glori-ous-ly
rise, we one day may serve round thy throne in the skies.
