A Prayer for More of God

For More Information:

Quite simply, I want more. I want more of God in my life daily. I want to walk according to what God always intended for my life. I want to know that I see and hear His presence more oft than not. I want to know that God hears my heart and prayers, even when those two don't always measure up to His height. Join me, if you will, in this prayer that we might find more of God in our lives daily.

A Prayer for More of God

God, what is it about Your grace that loves us so? Speak into the spaces in my life long enough for me to hear what you are saying. Help me to want more of You in my life daily. Show me how to hunger for You in ways previously unexplored by me in my faith walk. Loving God, grant me the space (capacity) of heart, mind and spirit to stop in my days long enough and frequently enough to know that You draw me closer.

*God, I need You. Help me to want You. God, help me to want You more than I need You. May I grow to want you more and more every day. May I learn to want you like I need breath – wholly and fully, continually and strongly, gently and urgently. God, may I grow to look more and more like You daily.
AMEN!*
