It has been accepted for inclusion in Premedical Program Campus Communications by an authorized administrator of eCommons. For more information, please contact frice1@udayton.edu, mschlangen1@udayton.edu.
Alvin Boyd Newman-Caro graduated with Bachelor of Science in Premedicine in the spring of 2017. While at UD, Boyd demonstrated a sustained commitment to helping underserved populations and was awarded the Scherger Leadership in Medicine Award, which is presented annually to a graduating premedical student who has demonstrated leadership in improving public health.

During his last semester at UD, Boyd applied for and was accepted into the Church Health Scholars program, a year-long service-learning fellowship. Church scholars support the mission of Church Health which is to "reclaim the Church’s biblical commitment to care for our bodies and our spirits."

Boyd currently works in the Child Life Education and Movement Department at Church Health. Boyd said, "my role is to partner with families and their children to embrace healthier lives through education, recreation, and motivation. It has been a special experience helping children set goals to eat better and get moving through our health coaching program. I also play a role at Perea Preschool where I aid children from underserved neighborhoods learn the necessary academic and social skills for success in schools."

Reflecting on his gap year experience, Boyd shared, "my experience at Church Health Center has gifted me with a better insight on how to properly serve people medically. I have also learned how to interact and effectively communicate with patients and my co-workers in a professional healthcare setting. I understand the complexities involved in providing healthcare to the uninsured and am now a more informed and empathetic advocate for patients...The experience and mentorship Church Health gifts me with is absolutely priceless."

Boyd will begin his osteopathic medical school training this coming fall at the University of Incarnate Word School of Medicine.

"IT HAS BEEN A BLESSING TO BEGIN WORKING IN A HEALTHCARE SETTING BEFORE I TRANSITION INTO MEDICAL SCHOOL."

--ALVIN BOYD NEWMAN-CARO

Premedical Programs Scholarships

Sophomores and juniors with career plans to attend health professional school are eligible to apply for scholarships administered through the Premedical Programs office. To qualify, you must be active within premedical programs sponsored programs, registered with the Premedical Programs Office, and currently advised by a designated premedical advisor. Visit premed.udayton.edu for further eligibility details and to fill-out and submit your on-line application. On-line applications will open January 29th and completed applications, including recommendations from faculty members are due by March 7th. Awardees will receive scholarships for the following academic year, 2018-19.
Summer Health Professionals Education Program (SHPEP)

SHPEP provides students interested in healthcare careers academic enhancement and professional development opportunities. Free six-week summer programs are available to students who meet specific criteria such as being a first year or sophomore at the time of application, a minimum 2.5 GPA and a US citizen, permanent resident or DACA status who identifies with an underrepresented group in the health sciences. More information is available at www.shpep.org. Applications currently open and are due February 1st.

Church Health Scholars Program

This is a one year fellowship opportunity for recent college graduates, combining academic and faith-based opportunities with working in either a medical or dental clinic for underserved populations in Memphis, TN. This is a 12 month commitment beginning in June. Applications are currently open and close in February. Two letters of recommendation that are submitted separately on your behalf are required as part of your application. Please visit https://churchhealth.org/apply-become-scholar/ for additional details and application submission timeline.

SURF program at Ohio U Heritage College of Osteopathic Medicine (OUHCOM)

Summer Undergraduate Research Fellowship (SURF) programs are offered each summer at many medical/graduate schools such as the Ohio University Heritage College of Osteopathic Medicine. SURF 2018 at OUHCOM is a summer research experience from June 24 to August 3, 2018. SURF participants will gain research experience by working in a faculty mentor’s laboratory. SURF participants are provided room and board, a stipend, and up to $350 travel reimbursement. Students also earn 6 tuition-free credits in biology. In addition, SURF participants who meet minimum requirements for medical school admission to OUHCOM, including MCAT scores, will be offered an interview during the summer for admission into medical school in 2019. Students about to begin their senior year are preferred, but competitive juniors and recent graduates will also be considered. Apply on-line at: https://www.ohio.edu/medicine/education/pre-med-education/summer-programs/surf.cfm. Applications are due February 4th.

Semester of Service applications

The semester of service provides UD students with the opportunity to take a semester away from full-time study and instead provide 450 hours of direct service in the Dayton community. While participating in the semester of service, students will not be attending classes except for the weekly mini-course (3 credits) which accompanies the service experience. Summer program participants also have a community living requirement. The program is administered through the Fitz Center for Leadership in Community. More information can be found at: https://udayton.edu/artsandsciences/ctr/fitz/student-servant-leadership/sos/index.php. Summer and Fall semester applications are due Feb. 15th. To apply, please refer to the Fitz Center’s OrgSync page. Please direct any questions about semester of service to semesterofservice@udayton.edu or call 937-229-4699.

Spring opportunities will be available for Juniors and Seniors in the application process to shadow healthcare teams in different departments at Miami Valley Hospital and in the Operating Room at Miami Valley Hospital South. OR shadowing will be on Tuesday mornings from 6:45 am to 10:30 am and also requires a separate mandatory orientation at Miami Valley South.

More details and required paperwork can be found at the Opportunities and Activities link on the premed.udayton.edu web page (click on Hospital Observation to access information and documents).

Please submit your current immunization records, proof of current flu shot, and results of a recent TB screening (either two-step TB skin prick or T-spot blood test) along with your job shadow application to the Premed Office prior to signing up for the shadow opportunities.

Contact Dr. De Beer at mdebeer1@udayton.edu if you have questions about paperwork.

Premier Health PA job shadowing is jointly coordinated with Pre-PA club and AED. The PA job shadow schedule should be available by early February.

Bolivia Summer Immersion

“Doing More with Less: Healthcare Delivery in Tarija, Bolivia”- a medical immersion program sponsored by UD Premedical Programs in conjunction with Children and Family Health International (CFHI) will be offered for the first time in May 2018, with anticipated travel dates of May 7-20, 2018. This pilot program is open to 25 students. The application is currently open and can be found on-line at http://studioabroad.udayton.edu/.

Applications will be accepted until Feb. 1st as space permits.

For this year’s program, students are asked to register for the REL 367 section taught by Dr. Nancy Romer. However, students who have already completed REL 367 or are unable to take the course in the spring are STILL eligible to participate in the program. The program also requires beginner level Spanish competency. Students will be required to take SPN 101, SPN 131, or SPN 141 in Spring 2018 or demonstrate beginner level competency through a placement exam offered by the UD Languages Department.
UD EMS Ride Along

Want the opportunity to experience UD EMS before applying? First years and sophomores can sign up for ONE ride along spot. After signing up, you will receive a confirmation email with more instructions about your observation shift.

If you do not receive a confirmation e-mail within 3 days, contact acp.udems@gmail.com.

Shift times are:
--Sun/M/T/W/R 10 pm to 9 am following day
--Fri/Sat 6 pm to 12 pm following day
--Sun. 12 pm to 5 pm
--Sun. 5 pm to 10 pm

Sign up at: http://www.signupgenius.com/go/4090b4ada62fa4ff2-udemsride

UD EMS CPR and First Aid Classes

UD EMS is offering CPR and First Aid classes throughout this Spring semester. The class dates and times are now posted on the UDEMS website. The link to the webpage is https://udayton.edu/publicsafety/ems/squad/cpr.php. The classes are $20 and are run through American Safety and Health Institute. Please email cpr.udems@gmail.com for any further questions or private class requests.

Graduate School Exam Prep Courses

• Altius Test Prep In-person classes begin 1/22. On-line peer mentoring is still available. Contact Elizabeth Wareham at elizabethgracew@gmail.com or (937) 239-5676 for more information or visit altiustestprep.com.

• Kaplan offers a number of events to help you prepare for graduate school entrance exams. Some student organizations have partnerships with Kaplan which would allow a 10% discount to members. To find courses offered close to UD or on-campus go to www.kaptest.com. Select your exam and enter 45469 as the zip code. Also find information about additional events such as practice tests at kaptest.com.

The price for in-person MCAT Courses that will be held on campus is $2499. Several courses are planned for the spring with varying start dates in January, February, and May. The courses planned for January and February start dates are:

1/21 to 3/7 - Sun. 2 to 5 pm, W 6 to 9 pm
2/8 to 3/29 - T/R 6 to 9 pm
2/12 to 4/2 - M/W 6 to 9 pm

The price for in-person DAT courses that will be held on campus is $1499. DAT course is planned for the following dates:

1/17 to 4/11 - W 6 to 9 pm

Contact Lauren at hoodyl1@udayton.edu with questions and for information on GRE and other graduate school exam prep.

UD & MVH Healthcare Symposium

The 2017 University of Dayton and Miami Valley Hospital Healthcare Symposium will be held Saturday, April 14th in John F. Kennedy Union (KU). The symposium will feature a morning session, including student poster presentations, which is open to students as well as health professionals and community members, a luncheon for students and professional attendees, and an afternoon student symposium geared specifically towards undergraduates interested in healthcare careers.

Find updated info by copying and pasting the following in your web browser: go.udayton.edu/udmvhsymposium.

The student poster session will feature work from UD premed and premed undergraduate students currently enrolled in the MED 480 course and completing their capstone requirement. Students currently enrolled in MED 480 should submit a final poster proposal via their Isidore course site by Feb. 23rd.
Poster session participants also need to register for the symposium. Student registration is free and will be available on-line mid-February.

Spring Application Workshops

Applying to health professional school this coming year? Attend a workshop about the application process, including how to get your letters of evaluation. Two sessions will be offered, covering the same material. Sessions held in SC 114.

Attend only one:
• 1/23 from 6 to 7 pm
• 1/24 from 5 to 6 pm

Letters of Evaluation

Students applying to medical and dental school in this application cycle must complete their on-line forms by March 9th and turn in the signed evaluator and advisor forms by March 16th to the Premed office. All students who wish to use a composite letter and summary evaluation packet must comply with these deadlines or expect a delay in the composite letter process.
January:
Jan. 16 - Classes begin at 8 am
Jan. 22 - on-line registration for Stander Symposium available through Porches
Jan. 23 - Professional School Application Process Workshop, SC 114, 6-7 pm

February:
Feb. 1 - Application deadline for Bolivia Healthcare Immersion experience
Feb. 4 - OHUHCOM SURF application deadline
Feb. 5 - Last day to drop without record
Feb. 15 - Summer and Fall Semester of Service applications deadline
Feb. 23 - Final poster proposals for UD & MVH Healthcare Symposium due
Feb. 28 - Spring break begins after last class
