The Marian Library is gifting you with a moment of tranquility and reflection combined with the vibrant and detailed artwork of John August Swanson — which is currently on display in the *Nativities and the Natural World* exhibit now through Jan. 12.

We hope you enjoy this *visio divina*, an ancient monastic form of prayer and reflection with artwork, and share it with others.

Visit [go.udayton.edu/adventwreath](https://go.udayton.edu/adventwreath) each week of Advent to interact with our wreath and see what surprises we have in store for the UD community and all of our friends near and far.
