Featured Marianist Mission

Another recipient of money collected for Marianists abroad this Lent will be the REDS program in Bangalore, India. REDS (Ragpickers Education & Development Scheme) works with children from the streets of Bangalore and Ranchi, as well as their families and those in the slums. The program seeks to reach out to the underprivileged with an intervention process aimed at holistic development, ensuring successful integration and participation in the mainstream of society. Please look for ways around campus to donate to this cause during Lent.

Wisdom Words to God's Wonderful People!

As you journey through this Lenten season, take some moments to pause long enough to hear what your heart, mind and soul most need from God. As you work to give up old things or take up new things, ask yourself, "How is God calling me to use this moment to align or realign myself in my walk with Him?"

Is your heart in need of attention? Give it to Him for this season and watch how He does what He does best -- love you like no other.

Are you out of sorts with God? Others? Yourself? Give God the opportunity to sort through the chaos and clutter of relationships, trusting that He always does things beyond what we could even imagine. If repair is the end goal, He can do it. If restoration is the dream goal, He can do it. If resolution is the pondered goal, He can do it.

Just trust God to God (and yes, I just used "God" as a verb!) better than you perhaps have ever let Him before. I'm trusting God with you in this season to move mightily on your behalf in the spaces you submit willingly to His care and charge. I am also believing in God for the growth of your relationship with Him.

As you live into Lent this season, my prayer for you is that you will gain a greater grasp of a God whose Love for us stretched across Calvary in the Greatest Embrace ever gifted to humanity!

Stay blessed, Wonderful People!

Why are there circles on the Lent banners?

Our new banners were designed, dyed, and sewn by faculty artists Darden Bradshaw and Suki Kwon and a team of four students.

The hemp banners consist of 40 circular forms dyed using cochineal (a natural dye from an insect native to Central and South America) in the Shibori, a Japanese resistance, technique. The circles represent the 40 days of Lent and the quest we have towards wholeness with God in this time. The dye is a precious protective by-product that requires the insect to die to produce (read "lenten sacrifice"). Using naturally dyed fabric is symbolic of our prayer for faith to infuse the very nature of our being. The deep layered circular hues point to the long work of the Holy Spirit who changes us from within. The cloth is immersed in dye and is transformed, as we seek to be transformed in Christ through the renewal of our baptism at Easter.

That's a lot of symbolism for two 26 foot banners! May they offer some insight for you throughout your Lenten journey.
