Artistic respiration

“Breathe,” the exhibit seen here, is a preludial bit of collaborative artwork from faculty, staff and students in White Box Gallery at the Institute Of Applied Creativity For Transformation, in ArtStreet. It is part of a larger event called “Revive,” which will be held on Feb. 8 at 7 p.m. at White Box Gallery. Perhaps too, there is a serendipitous message here for us on this Inauguration Day, regardless of our political leanings: Remember to breathe today.
