Two Dayton high school graduates have been announced as winners of scholarships to the University of Dayton for the 1955-56 school year.

They are Ronald L. Koesters, 17, son of Mr. and Mrs. Leander B. Koesters of 7275 W. Third st., winner of the Harry F. Finke, Sr., 1954 Scholarship, and James Mulvaney, 18, son of Mr. and Mrs. James M. Mulvaney of 11 Briedweng av., who has been awarded the National Cash Register scholarship.

A 1955 graduate of Chaminade high school, Koesters will enter electrical engineering studies at U.D. on the Finke scholarship which is drawn from the income of a $12,000 fund established by Mr. Finke, a 1902 graduate of the University of Dayton.

The NCR scholarship comes from the income of a $10,000 fund set up by the local firm in memory of William L. Wise, long-time employe of the company and a member of the class of 1896 at U.D. Mulvaney, whose father is an employe of NCR, will study chemical engineering at U.D. He is a 1955 graduate of Fairmont high school.

Both scholarships are renewable each year through the students' college career.
