Featured Marianist Mission

Another recipient of money collected for Marianists abroad this Lent will be MIRACLE in Koronga, Malawi. MIRACLE is the "Marianist Institute of Rural Artisans for Christian Life Education." It is a job skills training program for orphans who have lost their parents to the AIDS pandemic sweeping sub-Saharan Africa. Upon the completion of two years of training, these young men and women are placed in apprenticeships for six months and then assisted in securing jobs or in starting their own small businesses. With employable skills, small loans, and gifts of work tools, miracles happen. Despair is replaced by hope. Please look for ways around campus to donate to this cause during Lent.

Fasting During Lent

Lent is a spiritual and liturgical time of the year when Christians around the world stand in solidarity with Jesus' journey towards Jerusalem and his ultimate sacrifice on the Cross. In Lent, we are called to deepen our relationship with God through prayer, fasting and almsgiving. Fasting is defined as abstaining from all or some kinds of food or drink, especially as a religious observance. But fasting does not simply have to apply to food. The principle of fasting can be applied by giving up an item or practice that is keeping one from becoming closer to God.

- Fast from social media: such as Facebook/Twitter
- Fast from walking around campus checking your phone—notice God's creation
- Fast from listening to music when walking around campus and say "Hi" to others
- Fast from wasting time aimlessly browsing the internet

While deepening our relationship with God through this practice, we can use this type of fasting for the good of others in our UD and larger Dayton community. As we are reminded in Isaiah 58:6-9, "This, rather, is the fasting that I wish; ...Setting free the oppressed, breaking every yoke; Sharing your bread with the hungry, sheltering the oppressed and homeless...and not turning your back on your own. Then you shall call, and Lord will answer... Here I am!"

is a service and social action club with an emphasis on food, water, and waste on campus, and in the Dayton community. They have several waste collection programs in place that not only deter waste from landfills, but raise money for projects and feed the less fortunate. Social events include, local hiking trips, TED Talk nights, and organic and vegan cookouts. Why are there circles on the Lent banners?

Our new banners were designed, dyed, and sewn by faculty artists Darden Bradshaw and Suki Kwon and a team of four students.

The hemp banners consist of 40 circular forms dyed using cochineal (a natural dye from an insect native to Central and South America) in the Shibori, a Japanese resistance, technique. The circles represent the 40 days of Lent and the quest we have towards wholeness with God in this time. The dye is a precious protective by-product that requires the insect to die to produce (read "lenten sacrifice"). Using naturally dyed fabric is symbolic of our prayer for faith to infuse the very nature of our being. The deep layered circular hues point to the long work of the Holy Spirit who changes us from within. The cloth is immersed in dye and is transformed, as we seek to be transformed in Christ through the renewal of our baptism at Easter.

That's a lot of symbolism for two 26 foot banners! May they offer some insight for you throughout your Lenten journey.
