A Church that does not unite itself to the poor...is not truly the Church of Jesus Christ.
Archbishop Oscar Romero

Service Programs of the Week: Appalachia Club and Best Buddies

Appalachia Club reflects the spirit of Appalachia through tutoring on the east side of Dayton and holding cultural events on campus. We also provide opportunities to visit and learn about this region of the US.

A Church that does not unite itself to the poor...is not truly the Church of Jesus Christ.
Archbishop Oscar Romero

In the Bible, names were always special. To have access to someone’s name meant that some sort of connecting relationship was established. Names are also given in the Bible to convey something of the identity of that person. An angel gives Jesus his name. The unexpected name “John” is given to John the Baptist by his mother and confirmed by his father whose own tongue was loosed so that he could say it. Jesus gave Simon a new name and entered into new relationship with him.

While we do not see Mary being given her name, we know her as Mary from the first moment she appears in the Gospel. She follows in a long tradition of Middle Eastern women who bear the name Mary or one of its variants. In Hebrew, it would be Myriam. Derived from the root, merur, the name signifies “bitterness,” and can be connected to the sorrows she bore as Mother of the suffering Savior. More recently the name has come to mean “enlightener,” because she brought forth the Light of the world. Amidst the many attributes of Mary, the core truth remains: She is the Mother of God. In her flesh she produced and bore the human person Jesus the Christ.

Because she is the mother of Jesus, believers have called upon Mary for help and comfort, not unlike we call upon our own mothers in times of distress. By calling upon her holy Name in prayer and in praise, we honor her, the woman of great faith, who leads us to ponder the Word who was made flesh in her womb.
