Humanities Commons (HC) program and the HC courses are submitted and considered as a collective package. The process of approval was explained. A quorum was noted as being present and that a simple majority is needed for approval.

Discussion Points:

- Whether student objectives and how they would be demonstrated were specific enough; HC representatives shared details for their programs.
- How Catholic Intellectual Tradition will be addressed in each course
- Whether a unified evaluation/assessment plan has been considered since different faculty will be teaching/evaluating different sections for the same outcomes
- The extent of consultation that has occurred or is occurring was not clearly indicated
  - It was agree that this will be clarified upon course entry in CourseLeaf
- Whether vocation was clearly-enough addressed

Approval:
Motion to approve program and courses was made by Leslie Picca with a second motion by John White; the motion was taken to a vote and unanimously approved by all voting members present.
