ROESCH
IS HERE FOR
YOU

ROESCH LIBRARY faculty and staff are devoted to supporting teaching, research and publishing.

We can help you:
- Find the research you need to build your scholarly portfolio.
- Make your research more discoverable — and more cited.
- Teach your students how to use libraries to learn, discover and study.

FACULTY RESEARCH SUPPORT

Every academic department has a librarian assigned that can help you with your research — information resources, data management plans, self-publishing platforms and more; just call or email.

- Find your liaison:
  go.udayton.edu/librarians
- Email the research team:
  knowhub@udayton.edu

WE DELIVER ... WITH ROESCH2U

We'll bring any circulating library materials and anything you borrow through OhioLINK (statewide interlibrary loans) right to your department office. It's fast, friendly and free; couriers come every Monday, Wednesday and Friday during the fall and spring semesters.

REQUESTING MATERIALS

Try out UDiscover, our comprehensive search utility, at **udayton.edu/libraries**. If what you need is not among our millions of volumes, on OhioLINK or in our vast array of databases and journal subscriptions, just contact your librarian, and we'll do our best to get you what you need.

CITATION SOFTWARE

RefWorks (refworks.com) helps you organize research, import citations from databases and format bibliographies. Create your account on campus and have access anywhere.

MAKE GOOGLING YOURSELF MORE SATISFYING

Your success as a scholar doesn't just elevate your reputation … it elevates the University's, too.
- **eCommons**: Your work — published and unpublished — will be discoverable and citable around the world on UD's open-access institutional repository. With your solid research and our technology, we can help draw attention — and maybe research funding, too — to your work. Librarians and eCommons staff can help you determine authors' rights and permissions. Contact your liaison or **ecommons@udayton.edu** today.
- **OpenAccess support**: Our Open Access fund can provide financial support to those who wish to publish their work in open-access journals. Visit **go.udayton.edu/openaccess**.

ROESCH IS HERE FOR your students.

THE KNOWLEDGE HUB

This one-stop, on-demand, no-appointments-necessary service center provides research assistance from expert librarians and peer writing support from trained Write Place consultants.

ONLINE RESEARCH TUTORIAL

We use Research Blueprint to teach the basics of academic research, library sources and tools, and the ethical use of information. Bonus: It's delivered and automatically graded in Isidore.

RESEARCH GUIDES

We can create custom research guides, tailored to include discipline-specific or course-specific content. See **libguides.udayton.edu**.

RESEARCH INSTRUCTION

Librarians are educators, too! We'll meet with your class — in your classroom or our new interactive space, the Collab — to teach information research and evaluation skills in a hands-on setting. Contact **Heidi Gauder** at **937-229-4259**.

COURSE RESERVES

We'll set aside copies of books, DVDs and more for students to check out at the circulation desk. We can also create electronic reserves (note: copyright laws limit what libraries can scan and digitize). Email **ereserves@udayton.edu**.

POSTER PRINTING

Presenting a poster? Have it printed at the library. It's fast (48-hour turnaround), affordable ($20 to $25), versatile (two sizes) … and in full color. Our service is available to students, faculty and staff. Email **ulposterservice@udayton.edu** for more information.

AND MUCH, MUCH MORE

Archives. Special Collections. Exhibitions. Research and writing rooms. Comfortable chairs. Friendly people. Coffee. A silent floor. Even a microwave. **Call today.**
