The Off Campus Center **block talk**

DECEMBER, 1982

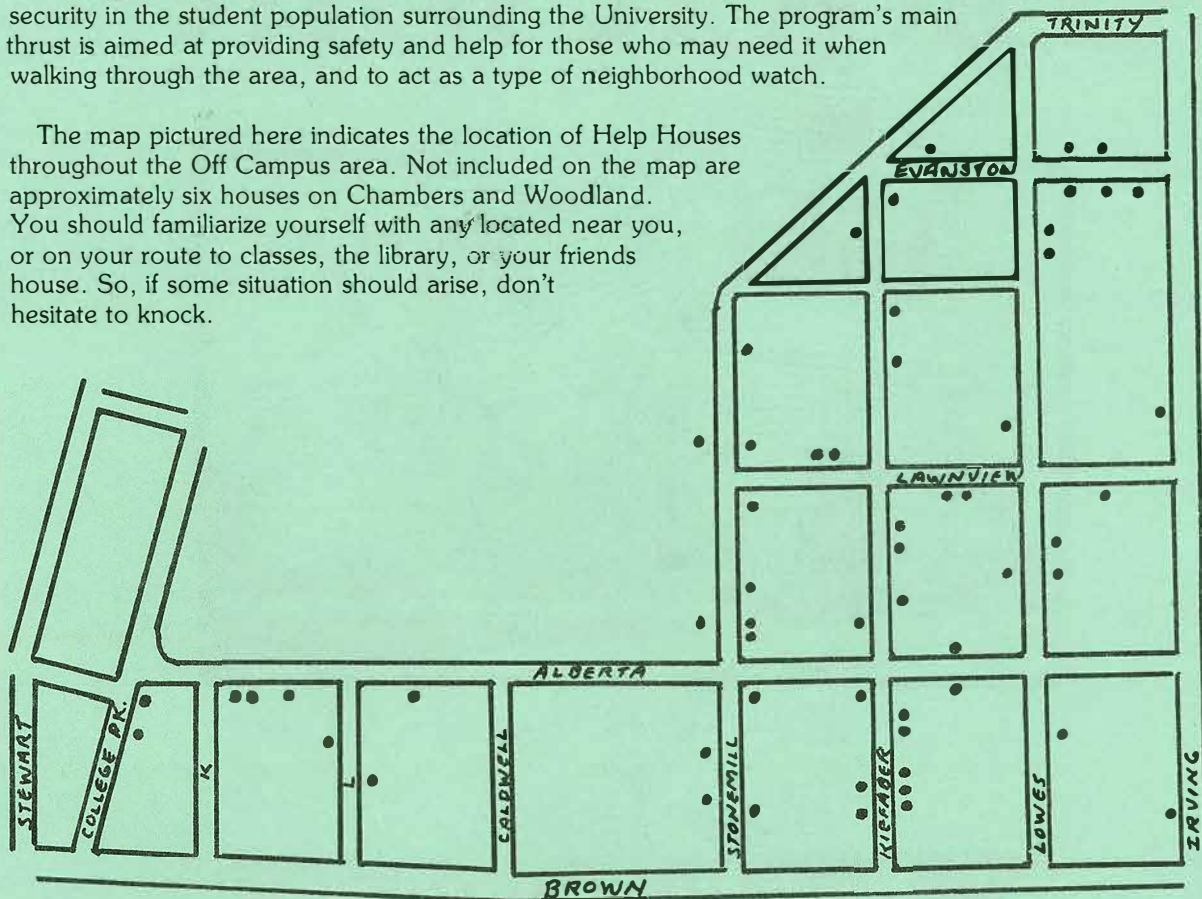

CHRISTMAS GREETINGS

***The Off Campus Center
sends its Holidays Greetings
for a Merry Christmas
and a Happy New Year!***

Help House Update

There are now more than 60 Help Houses in the Off Campus Area. Another 30 Houses have signed-up but have yet to pick-up their sticker and guidelines. The purpose of the Help House program is to increase security in the student population surrounding the University. The program's main thrust is aimed at providing safety and help for those who may need it when walking through the area, and to act as a type of neighborhood watch.

The map pictured here indicates the location of Help Houses throughout the Off Campus area. Not included on the map are approximately six houses on Chambers and Woodland. You should familiarize yourself with any located near you, or on your route to classes, the library, or your friends house. So, if some situation should arise, don't hesitate to knock.

Clean It Up!

Undoubtedly, you are aware that we live in a setting which, at times, becomes littered with debris. It is important for everyone to realize the fact that if trash is around **your** house **you** are responsible for cleaning it up. The question of who caused the mess is a moot one. Your house can be fined by the City of Dayton for not maintaining a clean living environment, and these fines are the responsibility of the **residents**, not the landlord.

Maintaining a clean environment depends on the efforts of each individual and household. To aid in this goal, the Off Campus Center loans out brooms, rakes, and free trash bags. Let us take pride in our unique surroundings, and clean it up today.

Lock It Up

Here are some things to check before the last resident of your house leaves for Christmas break. Following just one or two of these guidelines will decrease the likelihood of your house becoming a target for a thief:

- Make sure all doors and windows are locked and secured tightly.
- Stop all newspaper and mail deliveries for the period you are away.
- Leave a light on in the upstairs hall or bathroom. Leave the porch light turned on. (Free porch light bulbs are available at the Off Campus Center.)
- Make the house look lived-in. Keep a few upstairs drapes and blinds partially open.
- Engrave all your valuables left behind, then store them in a locked closet. (Electric engravers are available at the Off Campus Center.)

Feature on. . .Mr. & Mrs. Emmett Stanley

Each month the Off Campus Center will use this space to feature people who live in this area and /or make an impact through their concern and service to the off campus area.

This month's feature story focuses on Estelle and Emmett Stanley who live at 237 Lowes Street. Estelle who was born in Bedford, PA moved to Dayton in 1911 at the age of 5. Her family lived at 308 Lowes, where the Garden Apartments now stand. She attended kindergarden in the building at 301 Lowes. Emmett was born and raised in Lebanon, Indiana. He worked as a cable splicer for American Telephone and Telegraph (AT&T). From 1926 thru 1931 his job at AT&T had him residing in numerous cities such as Cleveland, Columbus, Cincinnati, and in the states of Michigan and Indiana. During the depression of 1931, Emmett was layed off from his job.

In 1931 Stanley met Estelle on a blind date. They met in May and were married on August 6th of the same year. From 1931 thru 1944 they lived in an apartment on Chestnut Street, near what is now Interstate 35 and Warren Street. In 1944 they moved to 237 Lowes Street and paid \$5,000 for their home which, according to Emmett, was an "extravagant price". From 1931 thru 1952 Emmett worked as a welder with the Boilmaker's Union. From 1952 to 1968 he was employed at N.C.R. as a welder in the plumbing and mill-wright department. According to Emmett, "the off campus area then was predominantly a residential area consisting mainly of N.C.R. employees and their families. In 1968 Emmett retired, and now enjoys hunting, fishing, playing his banjo, and occupying his time going to garage sales and flea markets. Emmett is a member of the Kettering Banjo Society and the Kettering Music Makers. In fact, on December 29th he and the Kettering Banjo Society will perform at the halftime of the U.D. basketball game at the arena.

The Stanley's have one daughter, Lois, who is married and living in Dayton, and four grandchildren and four great-grandchildren. Emmett and Estelle like the U.D. students and feel they are friendly. The Stanley's have experienced occasional noise, trash, and minor vandalism but feel, "if you treat the student right they'll treat you right".

Study At The Center

Need a quiet place to study? Too cold to walk to the library? These are but a few of the reasons the Off Campus Center will be available as an alternative to the sometimes not so convenient library, as a place to study during Finals Week. Study hours will be from 7 p.m. until 1 a.m. beginning December 12th thru the 16th. Free coffee and cookies will also be provided. Hope to see you.

Save Energy, Save Money

Follow these tips to save energy and money when cooking:

- Make sure menus include stews or other single dish meals. Such meals require far less energy than those requiring the oven and two or three surface units.
- Remember that "lids-on" cooking permits the use of lower temperature settings and shorter cooking times.
- The use of shiny pans help focus heat rays on utensil bottoms; dull or soiled pans absorb heat wastefully.
- In addition to using lids when boiling water, start with hot water from the tap.

Facts You Need to Know

-Trash Pick Up:

Garbage pick-up for this area is every **Wednesday**. To avoid having bags torn by animals, or being ripped open, it is best to wait until Tuesday night before setting out your trash.

-Bulk Pick-Up:

For a **free** bulk pick-up of large items such as sofa's etc. call 225-5324.

-Dog License:

All dog owners are required to have their dog licensed. The fee is \$5.00 and the deadline is January 20, 1983. For further information call the Animal Shelter at 898-4457.

Equipment Available at the Off-Campus Center

- Brooms, rakes, bags, etc.
- Light bulbs for porches
- **New** Bus Schedules
- Telephone Directories - On & Off Campus
- Security Engravers
- Snow Shovels

A Student I.D. is required for any equipment check-out.

Block Talk is published monthly during the academic year by the Center for Off Campus Community Relations. We are open to your comments and suggestions on how to improve the newsletter.

The Off Campus Center
239 Kiefaber
229-2047

Open Monday - Friday
10 - 5:30
