New Fiscal Working Groups 2020

With the announcement of “The Path Forward,” this meeting offered an additional opportunity to ask questions to better understand the initiative. Eric Spina, Andy Horner, and Paul Benson noted the importance of discussing the initiative in context. Members were asked to encourage all faculty and staff to attend the February 7 joint meeting to hear the full context for the path forward.

The joint faculty and staff meeting will be made available to those whose work requires they be off campus during the scheduled meeting time.

With no additional business, the meeting adjourned at 11:44am.
