

# Hymn to Our Mother.

Andante,  
Duet

Words - R. H. St.

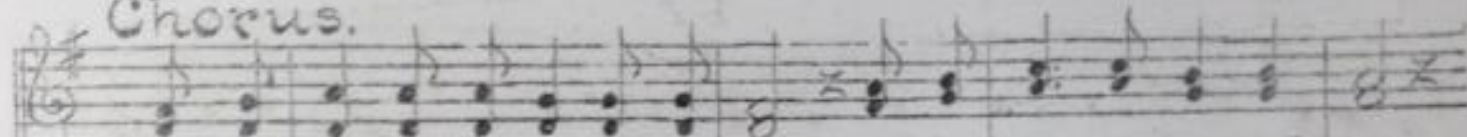

1. Sweetest Mother 'round thy holy Altar We, thy children gather to-day;  
2. We who bear thy NAME sweetest Mother & who pledge our hearts all to thee;

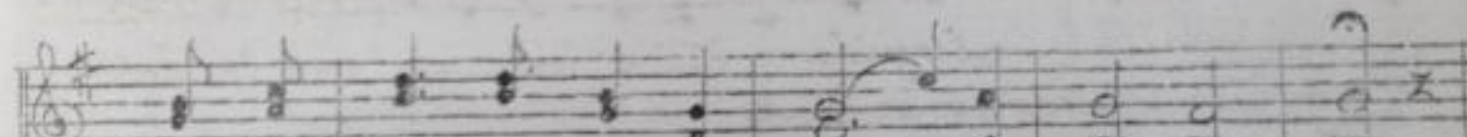

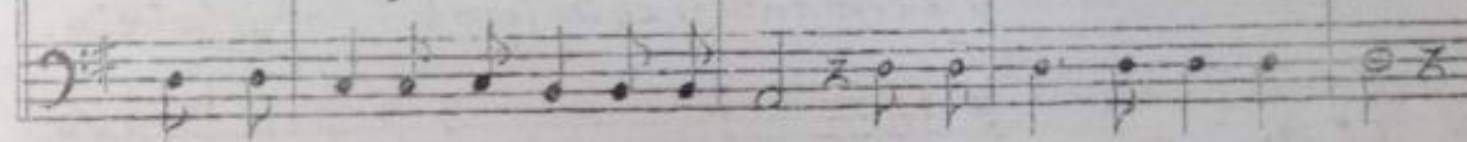

And with hearts in filial love overflowing For thy mighty help do we pray.  
Fill our souls with thine own choicest virtues, Humble Faith, & sweet puri-ty.

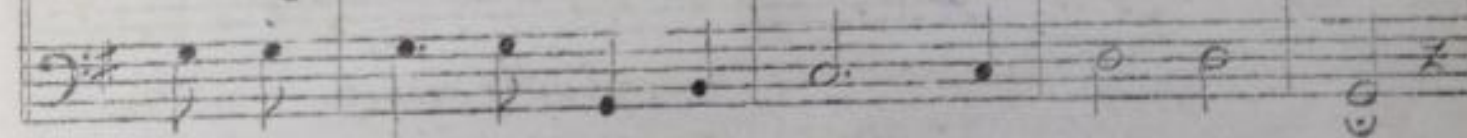

## Chorus.

*f* Oh, then Mary, our Mother & Queen! From all sin and e-vil snare

Guard thy chil-dren now and e'er, Oh hear our pray'r.

3.

Make our hearts like to thine S. Mother  
That our lives may portray thine own;  
Thus when life's fitful struggle is over,  
We may serve forever round thy throne.

4.

S. Mother bless our supplications  
Take us reath thy sheltering care  
Thine we are until our dying whisper  
Breathes thy NAME as our dying pray'r.
