HYMN TO ST. JOSEPH

Dear St. Joseph Son of David, Spouse of Mary undefiled, Patron of our Marianist Family help us through our working day.

Guardian of the Holy Family, Foster Father of the child Hope of all the sick and weary, in the hour of death our sathy.

God presented you with blessings, glorified your life obscure. Great protector universal of the Church we will acclaim.

Made you guardian of all people, Consolation of the poor. Hear our prayers, O good St. Joseph when we call upon your name.
