"Charity may be a very short word, but with its tremendous meaning of pure love, it sums up one's entire relation to God and to one's neighbor.

SPOTLIGHT ON...

Miryam Award

Each year, the Miryam Award is granted to an individual or group who advocates for women and works to create a culture that supports women on our campus. The Miryam Award Selection Committee is happy to have chosen Elizabeth Reeves, Alisa Bartel and Alex Kreidenweis.

Elizabeth has developed a comprehensive message that speaks about our unique Commitment to Community and how sexual misconduct, personal safety and looking out for friends is critical to our understanding of community. She has gone above and beyond by working hard to develop the NSO leadership team and has played a major role in the development of the opening session during NSO that introduced the new class to the Commitment to Community (C2C) document. She is currently VP for SGA, pursuing a degree in communications with focus on health and has a minor in Women's Studies.

Alisa and Alex founded the New Abolitionist Movement (NAM) student organization in 2009 and immediately gathered a cadre of committed fellow students and began conducting human trafficking awareness and advocacy activities. They helped plan, organize and founded Abolition Ohio, the Resource and Restore Coalition of the Miami Valley. Both are graduate students and assistants in the School of Law.

To honor these winners and the many others who were nominated for this award this year, please join us Monday, March 26. A prayer service will be held at 4:30pm in the Immaculate Conception Chapel, and the presentation of the award and a reception will follow immediately in Chaminade Hall. To RSVP call Sue Terbay at 937-229-2524.
