That's All Folks!

Dear Mom and Dad,
Hi, I just thought
that I would drop
you a line saying that
I'm alive and well. I
can't believe that this
is my last year here,
I feel as if I just came
here yesterday.

Em 201

So many things have changed since that first day of freshman orientation. I remember thinking to myself, "What am I doing here?"

I found my freshman ID today, it was in my Eng. 101 book. I really look young!

The campus really seems to be growing, they're tearing down the Home's Gym and building a Fine Art building, next to the Engineering building a new P.V.A. center is going up.

Enrollment has gone up
this year. Sometimes I
wish that I could be
a freshman again, just
so I could enjoy every-
thing that's new.

By the way... you better
send me out another
blanket, our heat went
off in the house again.

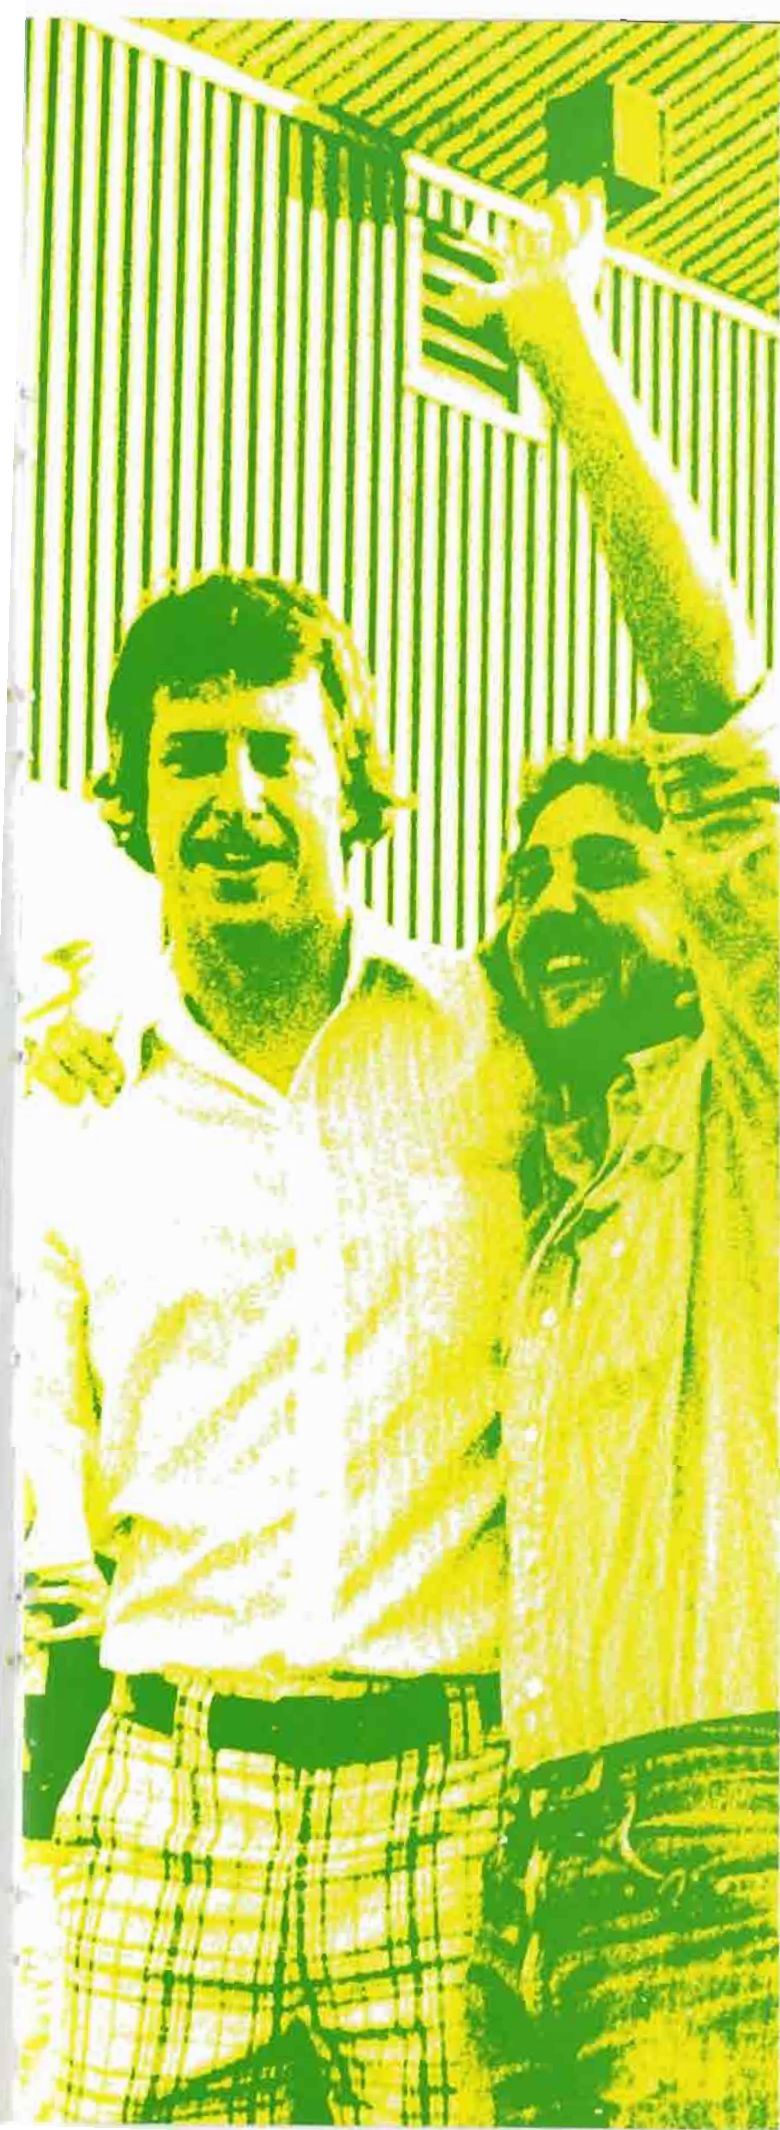

The food plan didn't
work so well (it
just isn't like home)
but Milano's is a
good substitute.

I have a new house-
 mate it's name is
 Dog (original) Everything
 would be great if we
 could house train it...
 Do you think you
 could send me out
 some extra money
 so I could feed it?

Homecoming was really great this year! I really think that it was my best, maybe because it's my last one. My housemate finally got a date for the big occasion.

Our football team played
Louisville and we won
14-10. This year the foot-
ball games are great,
before every home game
there is a tailgate party
with all the beer and
hot dogs for \$1.00!

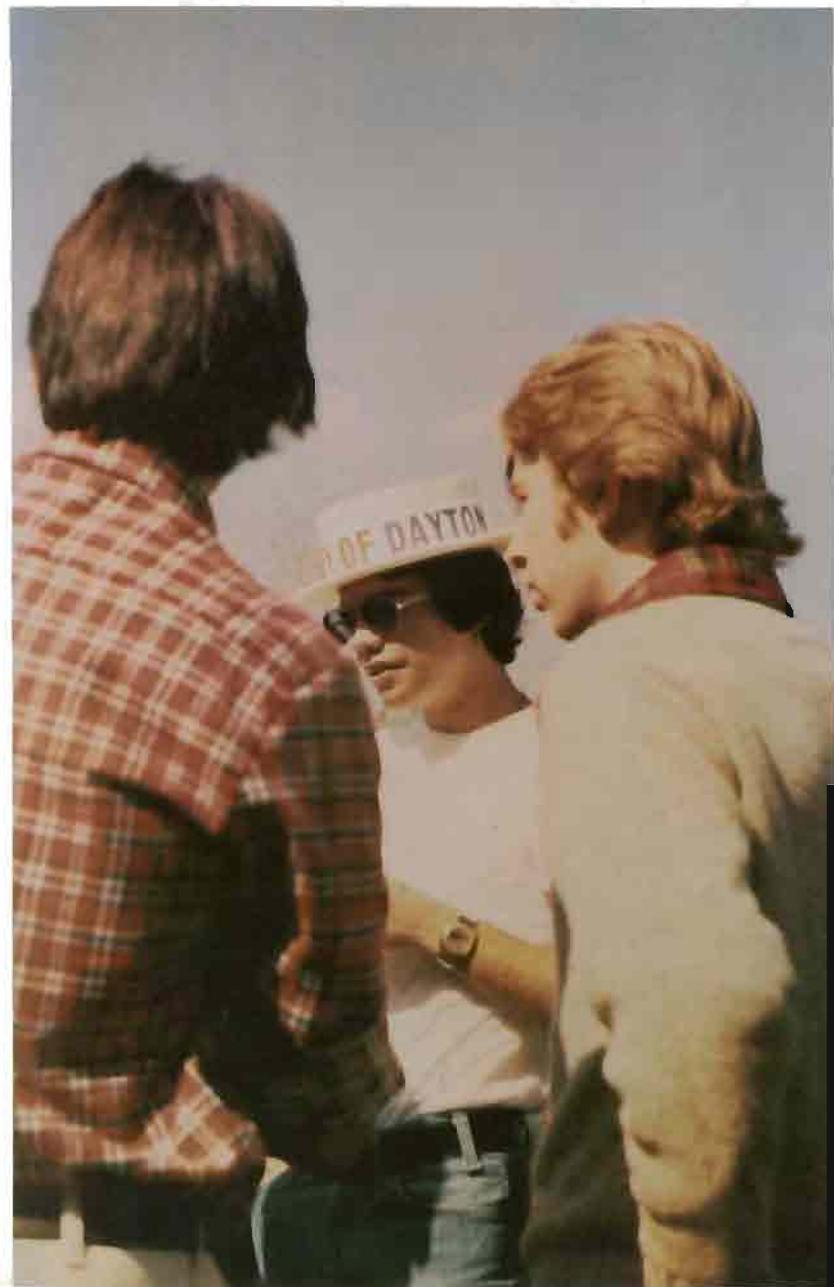

*Well that's all for
now! I'm really
studying hard! I'll
call later this week.*

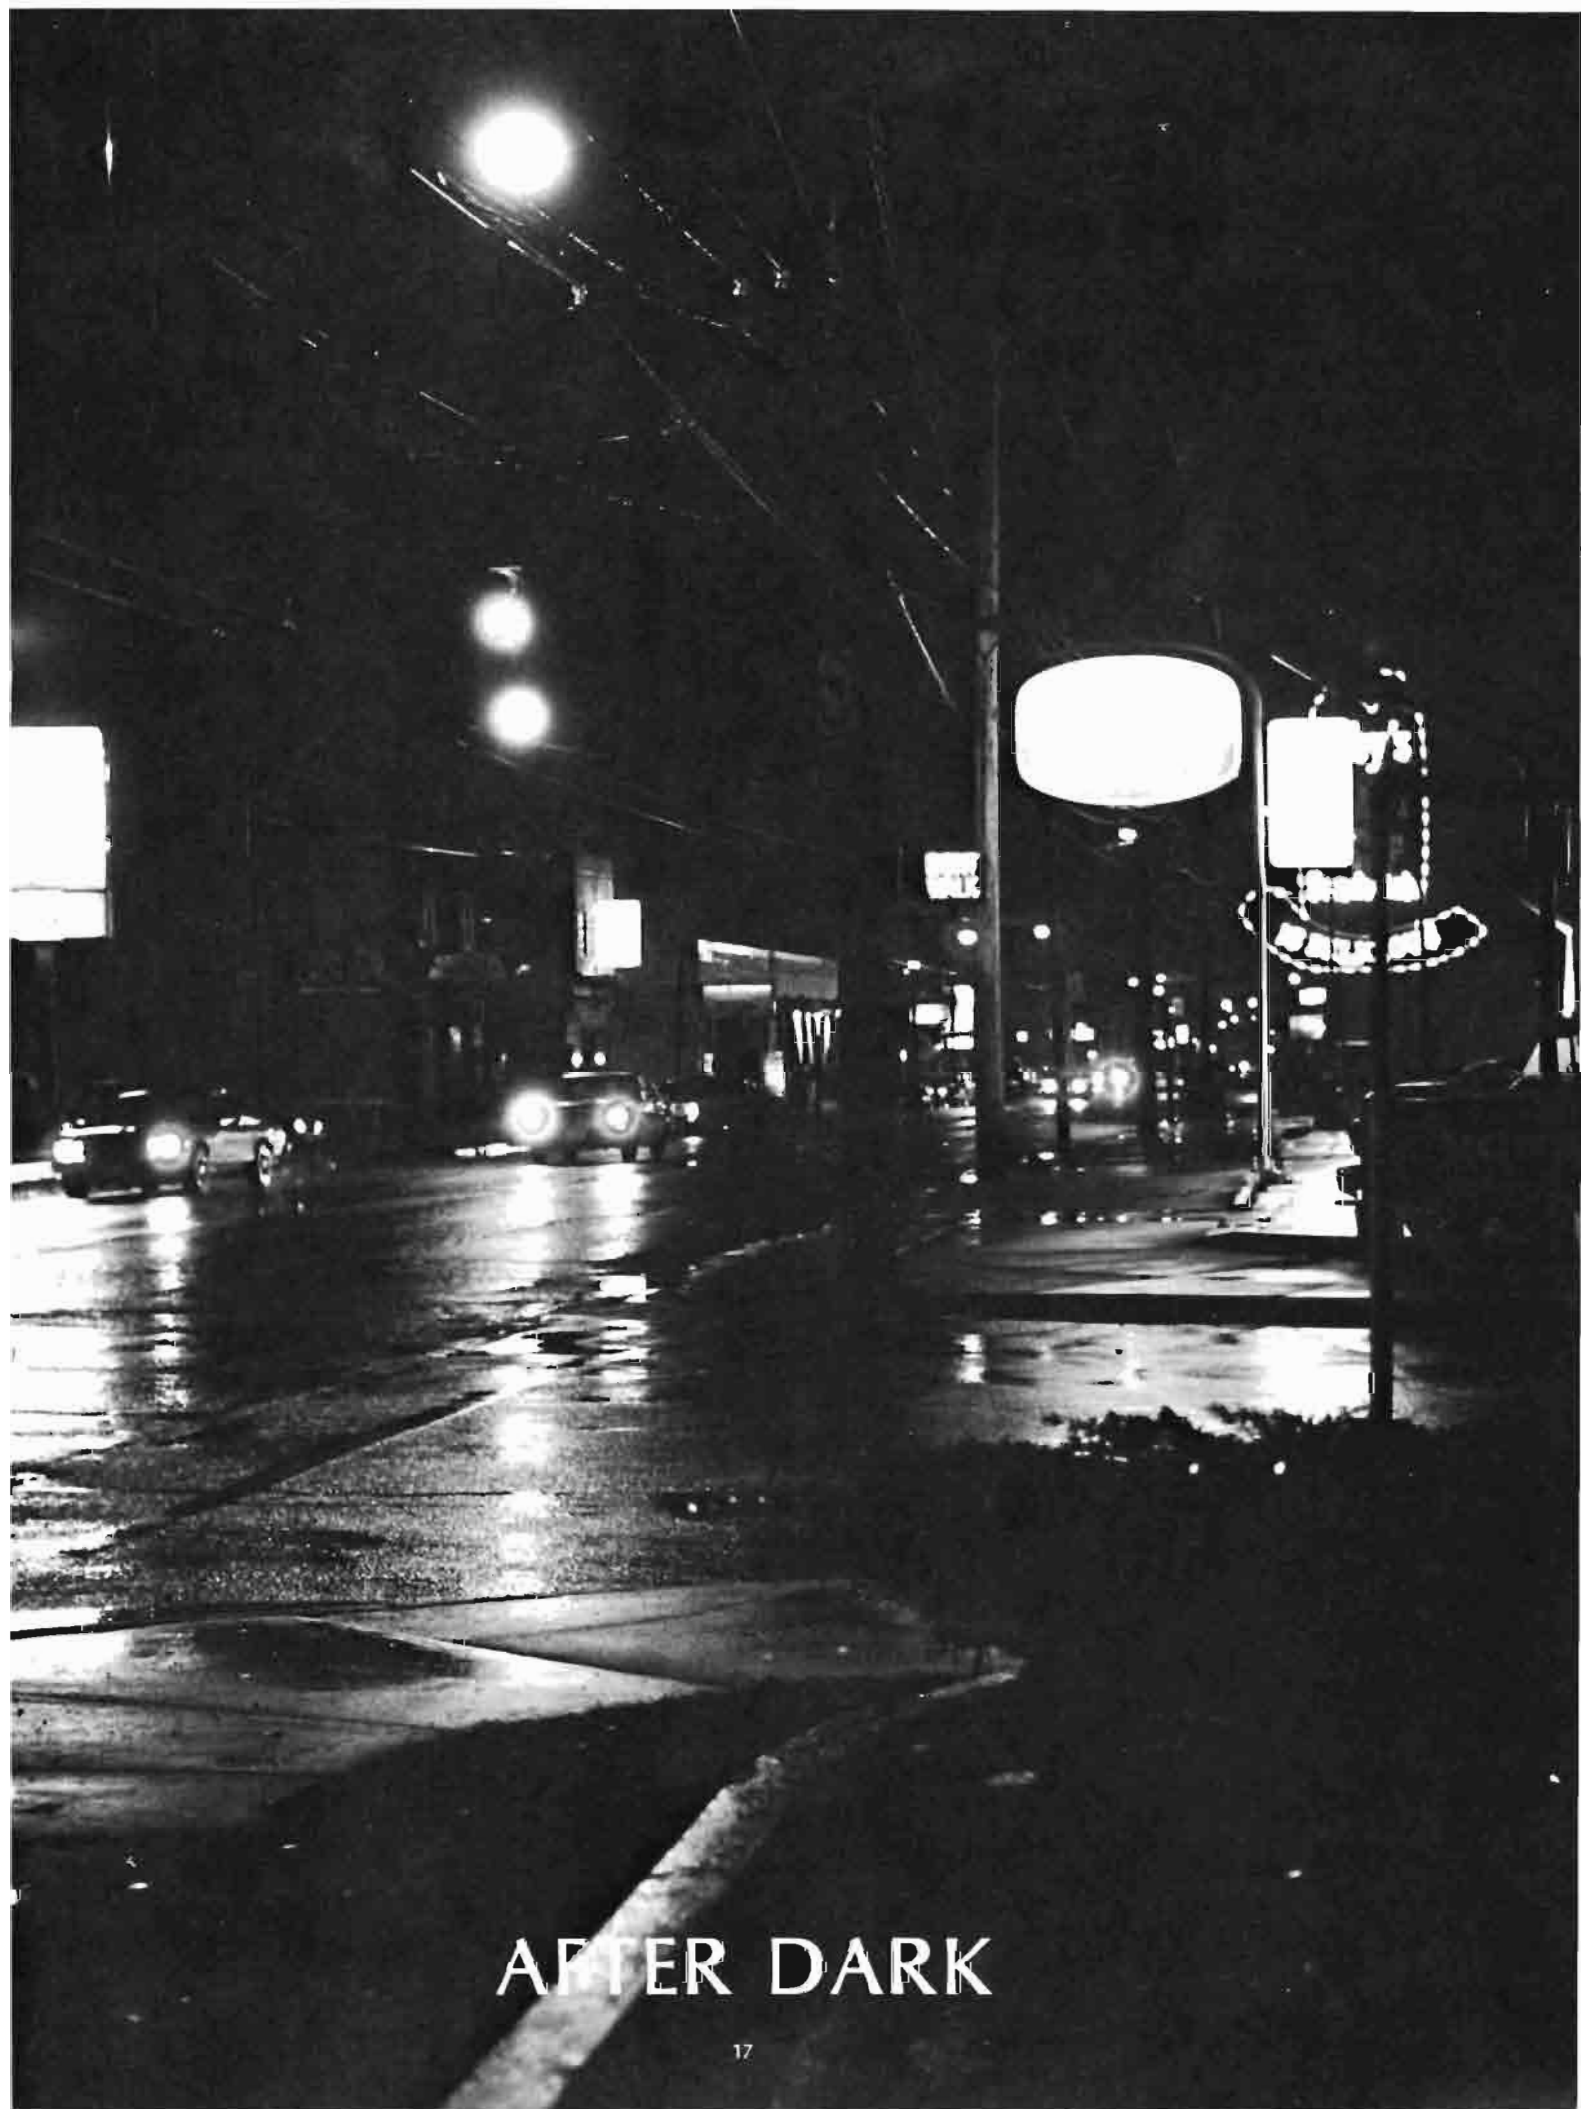

AFTER DARK

AFTER DARK

After dark students use their free time in many different ways. Some may exclaim, "I've got places to go and people to see!" or "I've got papers to type and books to read!" None the less, every student at one time or another has hit the U.D. library or one of the local bars.

In the evening, the seven story building called the library is a very common hot spot with students found buried in books or conversation. They may also be found at local bars such as Flanagan's, Tim's, and Kelly's.

Students have the choice to Raunch 'n Roll at Flanagan's Pub listening to the Free Lance Vandals, or listen to the mellow music of Mike Levender at Tim's. But there is always the option of just enjoying good old partying at bars like Kelly's. Anyway you look at it, it's a way for the students to relax and enjoy one another's company.

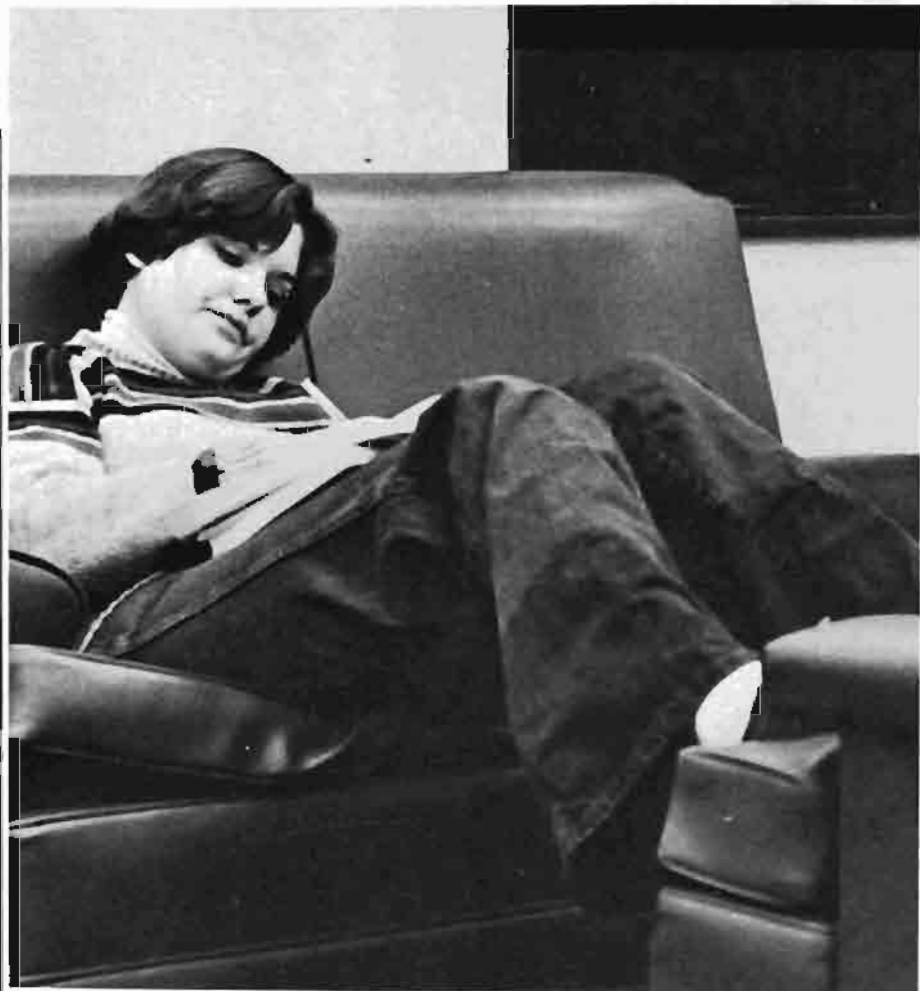

FESTIVITIES

THE QUEEN'S SKITS

"The Young and the Restless" was the theme and also the description of Homecoming. Homecoming Week was jam packed with lots of fun and entertainment. The International Tea started the festivities, a Sunday afternoon dedicated to the many cultures found among the students. Each nationality represented on campus shares with the community their dress and entertainment.

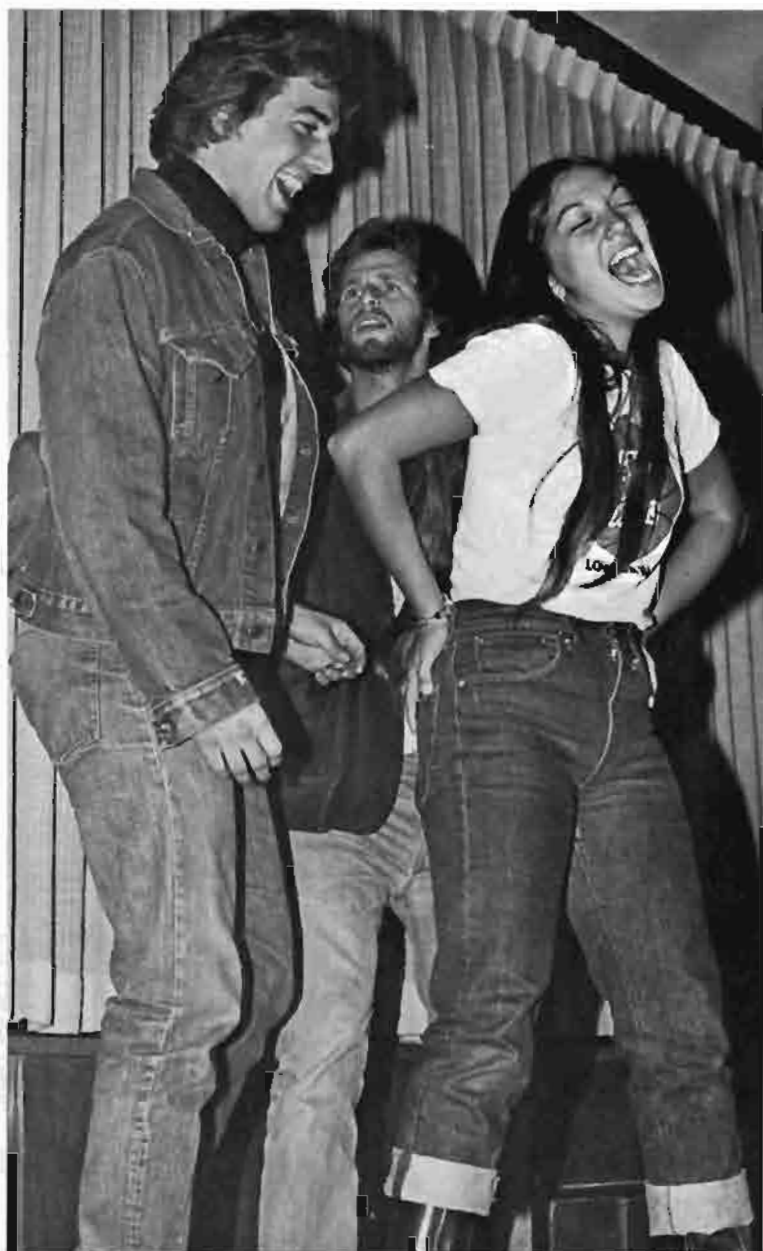

Monday started the week with a Columbus Day holiday, celebrated with a picnic on Stuart Hill. The picnickers enjoyed the music of "The Almighty Nice."

Tuesday night students filled Tim's and Flanagan's to enjoy the specials offered in honor of Homecoming week.

Wednesday night, the candidates for Queen got to show off their talents — no matter how strange they may have been.

Thursday evening, Warp Factor Six was sponsored by the Homecoming committee, S.A., and BATU. A mellow night club setting featured entertainment such as Mike Levender, Shades of Black, Magician Bob Earnhart, Reflection of We, and a Belly Dancer. Along with the entertainment, beer, wine, and assorted cheeses were served.

The pep rally got the campus spirit up and ready to win the football game with Louisville. Coach Carter gave the students the enthusiasm that was needed.

THE PEP RALLY

OKTOBERFEST

Friday the afternoon was consumed with fun, food, and games. Many organizations participated in sponsoring the Oktoberfest along with S A.

Saturday, Pat Flanagan started off the day with a complimentary Brunch for the UD students.

BLOODY MARY BREAKFAST

Saturday before the game the Traveling Tailgaters were busy serving beer and hot dogs to the pre-game fans.

NOON EXPLOSION

During half time of the Dayton-Louisville game the queen was crowned Colleen Collins was voted upon to reign as the 1978 UD Homecoming Queen

Row 1 Paige Haywood, Debbie Tipton, Colleen Collins. Row 2: Debbie Adler, Shari Davis, Betsy Ward, Tracy Dunn.

HOMECOMING DANCE

The climax of Homecoming was the dance held at Wampler's Ballroom. Students enjoyed their dates, and the music, which ended Homecoming Week with the thought that it was quite an experience!

University Activities is a student organization that promotes a spirit of community within the U D campus. Ellie Kurtz, Assistant Dean of Students for University Activities and Sue Ruppert, coordinator of U A. work jointly with Joe Foltz, Dawn Wojcik and staff in organizing such activities like Turnabout, Friendly Floyd's Funeral Parlor, The Distinguished Speakers Series, Noon Forum, K U Art Gallery, and workshops for student organizations. Many of these activities are co-sponsored with a student organization or the Student Association. Co-sponsoring these different events forms a closer community within the campus.

One of the most participated and enjoyable events is Christmas on Campus. The Christmas Spirit is ignited throughout the campus bringing joy to the students, children, and the elderly

A candlelight procession led by the U D Choir strolled to Holy Angels Church where the Christmas Mass was held. The Offertory consisted of representatives from different areas of the community Bro. Murray (Marianist), Eugene August (Faculty), Mary Shea (Alumni), and Steve Tobia (Student Body). The U D Chapel Choir, under the direction of Jim Horvath, filled the church with joyous Christmas music

After Christmas on Campus was over, a joyous spirit generated throughout the campus community

Lambda Nu, the youngest sorority on campus, was founded in January of 1972 by thirteen young women. Its motto of living as "individuals through unity" took on a new and emphasized meaning in the 1977-78 school year. The present sisters of Lambda Nu, as always, are quite a unique bunch of individuals, but the year '77-'78 stressed the unity aspect of their growing relationships and constant workings with each other, the sisters found themselves in a better position then to reach out to others. And that they did in a variety of activities. Pledging, Homecoming Brunch and Block Party, community action projects, championship softball games.

DELTA UPSILON

The first Constitution of Delta Upsilon Fraternity was formed in 1836 at Williams College. Delta Upsilon has continued to grow from that one Chapter at Williams into a Fraternity with over one hundred Chapters in the United States and Canada. The objects of Delta Upsilon are the promotion of friendship, the development of character, the diffusion of liberal culture and the advancement of justice. All brothers have an equal and important role in determining the direction the fraternity will take. The fraternity is in various activities such as sports, social functions and community projects. Involvement in the fraternity does not end at graduation but continues as an Alumni. The fraternity is involved in many different activities and holds many responsibilities, but the main characteristic of Delta Upsilon is brotherhood.

OMEGA

Omega Sorority was the first sorority on the University of Dayton campus. It was founded in 1938 with the purpose of promoting sisterhood, unity and love. Through the years the sorority has changed with the times and that is why we have lasted so long. We, the Sisters of Omega Sorority, are individuals with many differences among us, each contributing to make the group that we call our sorority. We understand each other, care about each other, and in general, just enjoy being with one another. Sisterhood means something special to each one of us. This year we are celebrating a very special anniversary. 1978 began our 40th year as a Sorority at U D. We take great pride in celebrating our past and are looking forward to a bright and prosperous future.

Epsilon Delta Tau Fraternity is a unique brotherhood of engineers and engineering technologists representing all of the various disciplines of engineering. Founded in 1976 as a professional — social fraternity, Epsilon Delta Tau enjoys the best of both worlds. Rushes, TGIF's, and two pledge class formals were among the years social activities. Among the many professional activities were the fraternity's tutoring program, active participation in "Engineers Week", and a Christmas party for the children at the Barney's Childrens Hospital.

LAMBDA LAMBDA LAMBDA

Tri Lambda Sorority was founded in 1962. Its purpose is friendship, love, and loyalty to each other as well as assistance to charitable organizations, and to provide a means for attaining various goals for the sisters and the UD community. It is a socially oriented organization, and membership is attained through a four to six week pledge period during which the sisters and pledges strive toward unity.

RHO RHO RHO

Rho Rho Rho Fraternity is an organization which is dedicated to the development of its brothers socially, academically and athletically. The Rho's constantly strive to achieve and maintain the ultimate in all university related and social activities. We sponsor such activities as "The Great Skate," "The Rho 500", during Greek Week, "The Homecoming Block Party", "Amateur Night at the Todd Art", Canoe trips, and the usual Greek activities. Behind the Reason, Respect, and Responsibility that comprise our motto, the Rho's demonstrate the true meaning of the word "brotherhood".

Kappa Chi signifies "Friendship, Action, and Unity" to its members. This group of girls comes together to do what they can for each other, the University and the community. Membership begins with the enthusiastic hard work of pledging, lasts through the mixed emotions of graduation, and remains as the source of many unforgettable experiences as an alumna. To Kappa Chi, sisterhood means working and partying, talking and sharing, laughing and crying, and growing individually as well as growing together.

The large variety of organizations available to students at the University of Dayton provide opportunities to learn leadership and human relations, techniques and planning skills. Organizations are related to the total development of the student insofar as they may be strictly educationally oriented, service, or purely social in nature. Through membership in organizations perhaps more than through any other campus activity students experience the satisfaction of sharing common interests and developing lasting friendships.

The first year of being a Division III team, after playing in Division I, proved to be one of the most exciting seasons in UD history. It was also Rick Carter's first season as head coach.

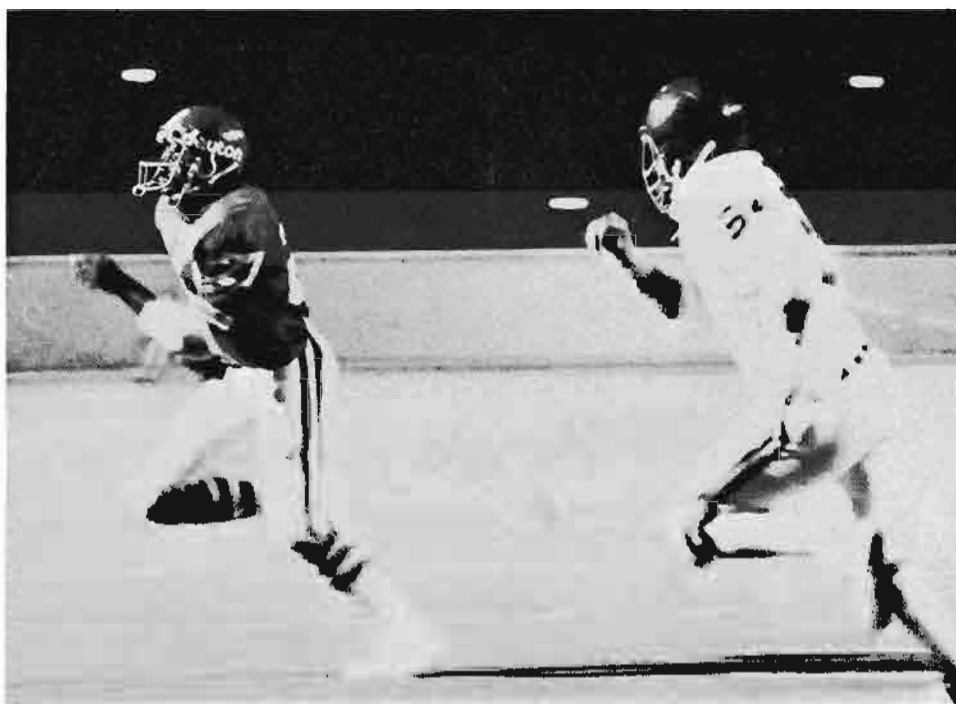

The season started out on a disappointing note with a 26-23 loss to Miami. But the Flyers jumped back with an impressive win over Butler, 45-13. UD then beat South Dakota State, 28-14 and Villanova, 21-17. UD fans received a disappointment, though, from the Iowa State game, with ISU winning 17-13.

Further disappointment came from Akron's win, 31-24. The remainder of the season gave fans something to cheer about. First came Louisville's defeat, 14-10, followed by the win over Youngstown, 27-23. The Flyers clinched a winning season by defeating Central State, 27-14. The Flyers topped off the season with an easy win over Ferris State, 45-19, and over Eastern Kentucky, 20-13.

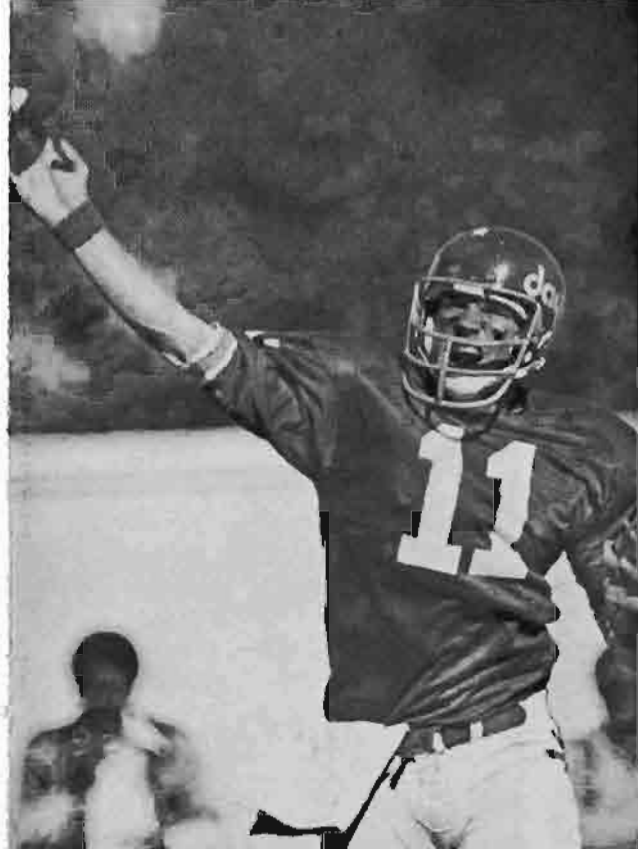

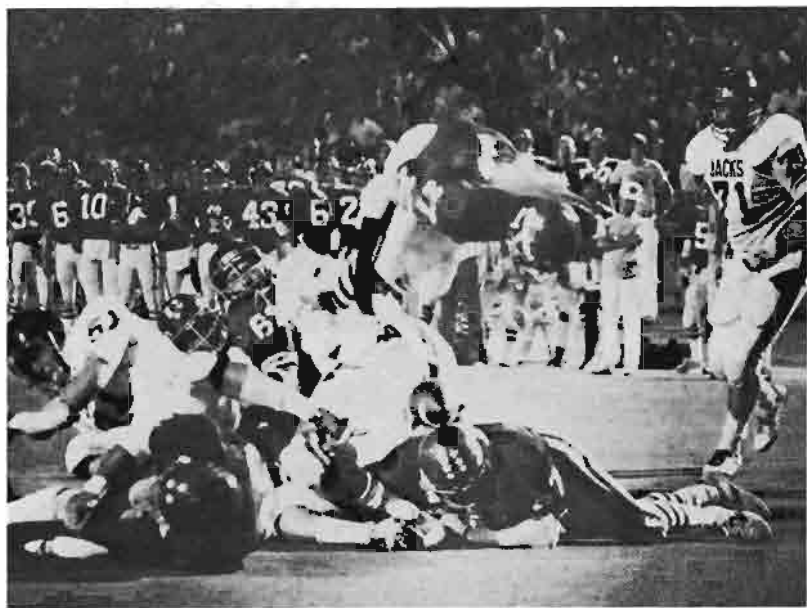

Top honors for the 1977 season were awarded to six seniors and one junior. Awards and recipients are as follows: Most Valuable Player, B.J. Dailey; Toscani Award for the outstanding hitter, Rick Chamberlain; L.T. Stanley Kurdziel Memorial Award for the best lineman, Tom Steilman; John L. McBeth Scholar Athlete Award, Mark Zimmerman; Emil Karas Memorial Award for the most inspirational player, Merphie Frazier; Flyer of the Year, Joe D. Clark; Outstanding Practice Player, Vaun Crabtree.

WOMEN'S TENNIS

KNEELING: (left to right): Annete DeRose, Jenny Munson, Georgeanne Foradas, Jane Hess, Ann Panther, Anne Zengerle, Kathy Mason. STANDING: Coach Sandy Martin, Marilyn Banks, Lou Skinner, Eileen Crotty, Anne Tschirderer, Mary Broom, Gail Roesner, Marykay Rohrkemper

The 1977 UD women's tennis team delivered a season record of 8-1. Coached by Mrs. Sandy Martin, the women netters had impressive victories in both singles and doubles play. In the tournament hosted by Notre Dame, the Flyers ranked fifth among the eight schools participating. The women went on to win the Ohio Valley League Tournament, for the first time, in both singles and doubles play. All of the starters will be returning for next season, which promises to be as successful as this season.

FIELD HOCKEY

FIRST ROW (left to right): Cindy Brown, Connie Duffin, Elaine Holly, Kathleen Duffin, Tracey Colbert, Terri Sharp, Lisa Daniels, Kathy Hinz.

STANDING: Coach Pat Jayson, Pam Brown, Kathy Adams, Pat Bornhorst, Diane Brodine, Eileen Duffin, Nancy Freibert, Laura MacBride, Karen Meaney, Mary Gahagen, Sue Shaw, Paula Lewis, Cindy Schaffer, Mary Ellen Fish, Agnes McCabe, Chris Gruber, Asst. Coach Peg Doran.

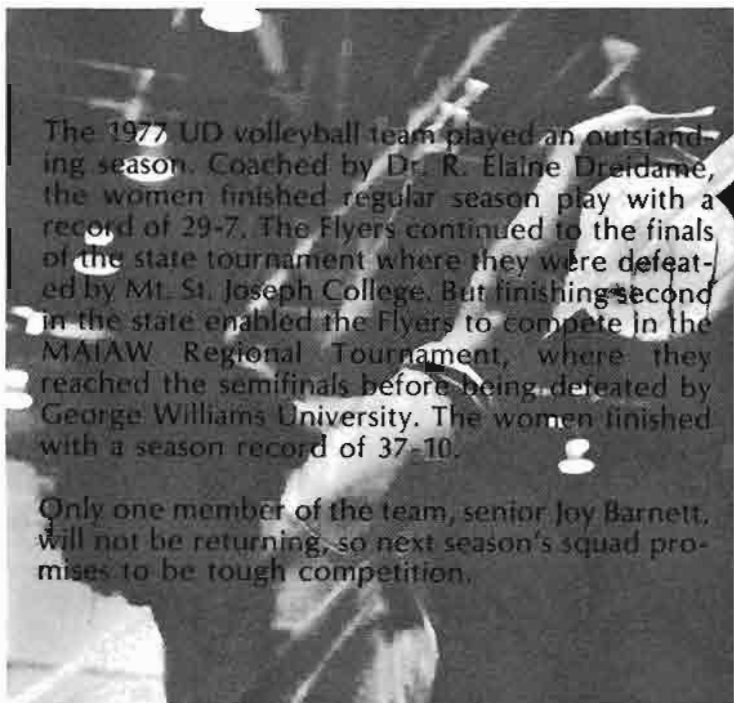

The UD women's field hockey team finished an impressive season under the direction of Coach Pat Jayson, finishing with an overall record of 13-2-4.

In regular season play, the Flyers finished undefeated, with a record of 12-0-4. In tournament action, the women Flyers went on to win the state championship, the first ever for UD in field hockey. But the women were defeated in first round action of the Midwest Regional Tournament.

The Flyers were led to victory by senior co-captains Pam Brown and Mary Ellen Fish, the only members of the team who will not be returning next season, a season which promises as much excitement as this year.

WOMEN'S VOLLEYBALL

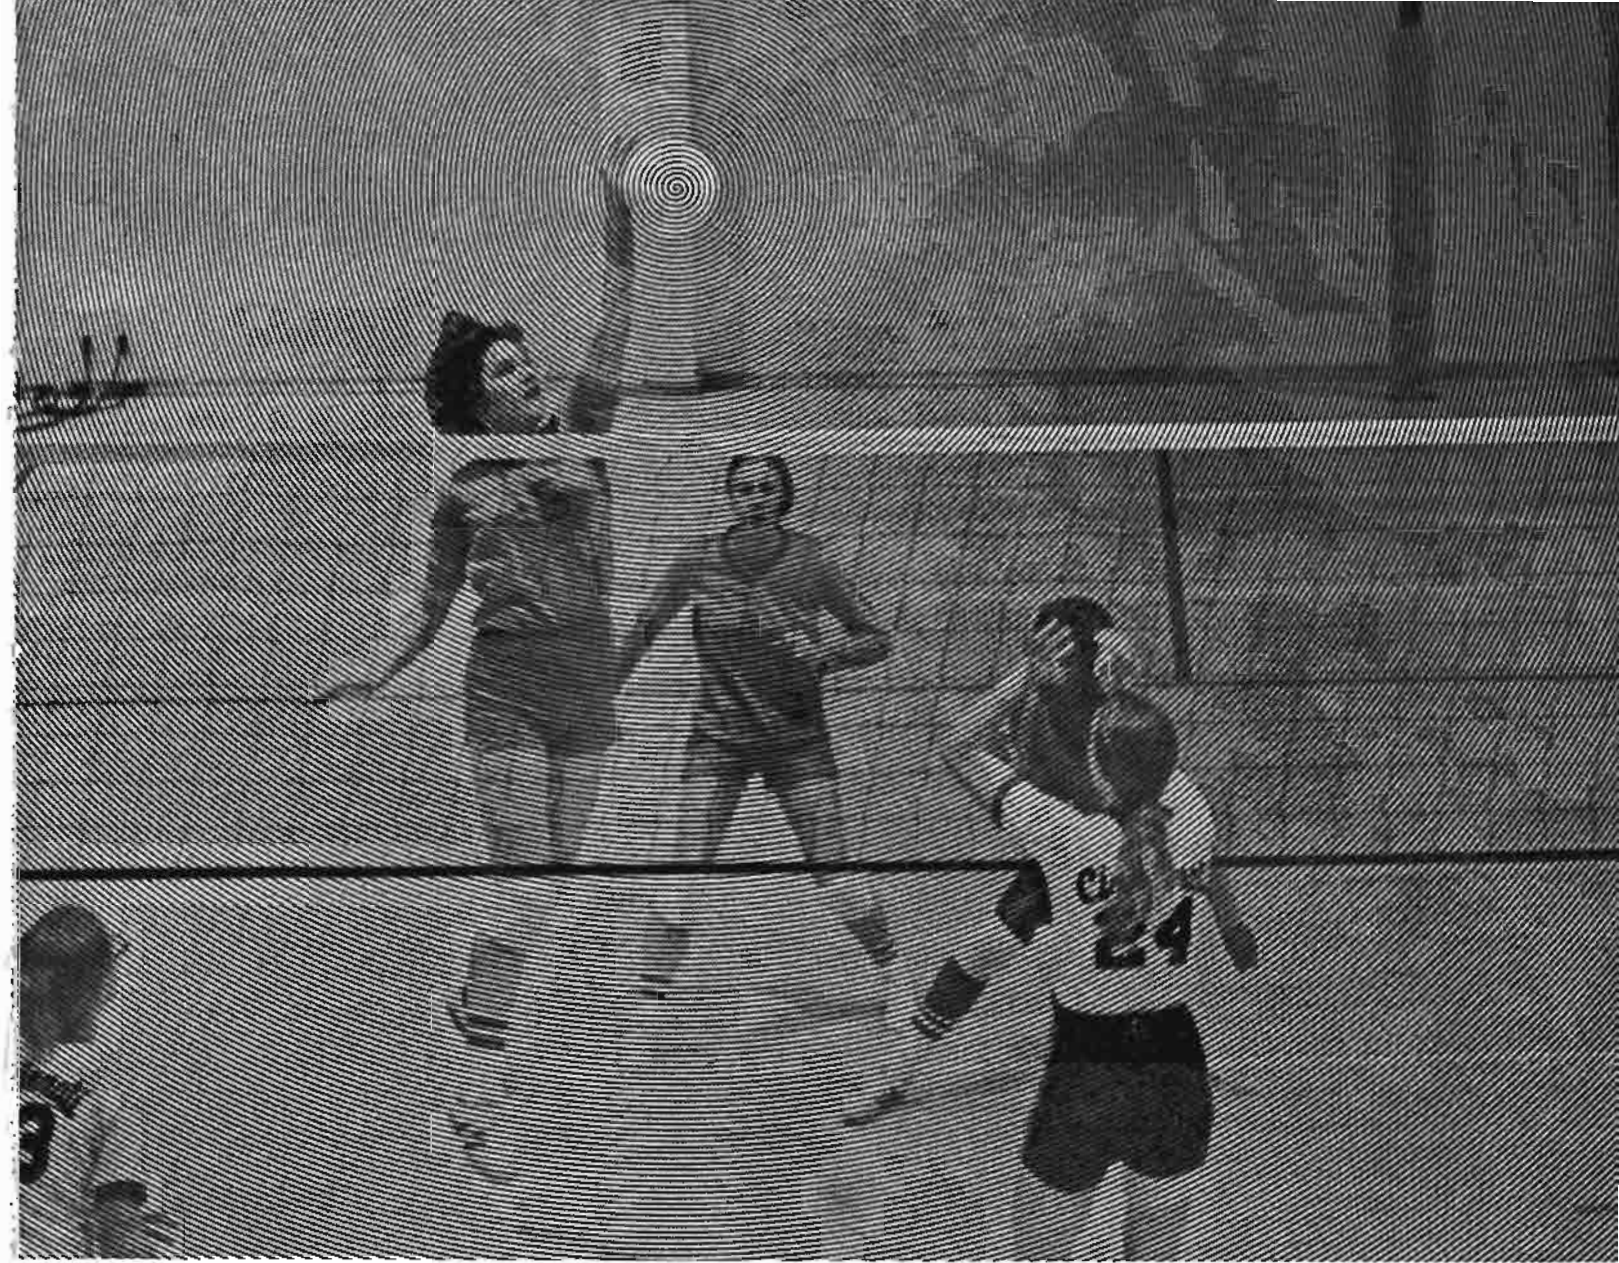

The 1977 UD volleyball team played an outstanding season. Coached by Dr. R. Elaine Dreidame, the women finished regular season play with a record of 29-7. The Flyers continued to the finals of the state tournament where they were defeated by Mt. St. Joseph College. But finishing second in the state enabled the Flyers to compete in the MAIAW Regional Tournament, where they reached the semifinals before being defeated by George Williams University. The women finished with a season record of 37-10.

Only one member of the team, senior Joy Barnett, will not be returning, so next season's squad promises to be tough competition.

KNEELING (L-R): Becky Dusing, Ann Farrell, Cathy Newkold, Joy Barnett, Ann Meyers, Ann Haas, Debbie Holloway, Mary Beth Albright. STANDING: Asst. Coach Betty Burke, Coach R. Elaine Dreidame, Mary Condit, Cathy Marchal, Linda Sargent, Romi Stampfli, Kathy Janosco, Kathy Gluvna.

Row 4: Sean, Darrell Primm, Mike Moriarty, Drew Maron, Mike Dudek, Ray, Tim Jenkins

The Rugby team, taking advantage of an experienced group of returning veterans and good overall team speed, raced to a fall record of 8 wins and 3 losses. Victories included big wins over highly rated John Carroll and arch rival Miami Valley Rugby Club.

Rugby, one of the fastest growing sports in America, combines the constant action of football, and the teamwork and timing of basketball to produce one of the most exciting spectator sports around.

SOCCER

The "winning combination" just wouldn't click for the 1977 University of Dayton soccer team. Faced with a rebuilding year, Coach Bob Richardson and the Flyer booters managed a 6, 9 and 1 record against some of the best teams in the nation.

To 1977 Ken Keck dedication award recipient Doug Ashe, coaches Richardson and Joe Ruffolo, the new Flyer booters, and the 6500 enthusiastic fans that broke an attendance record at the Notre Dame game, the best of luck and skill. May the 1978 season bring back the joys of victory which have always been the tradition of UD soccer.

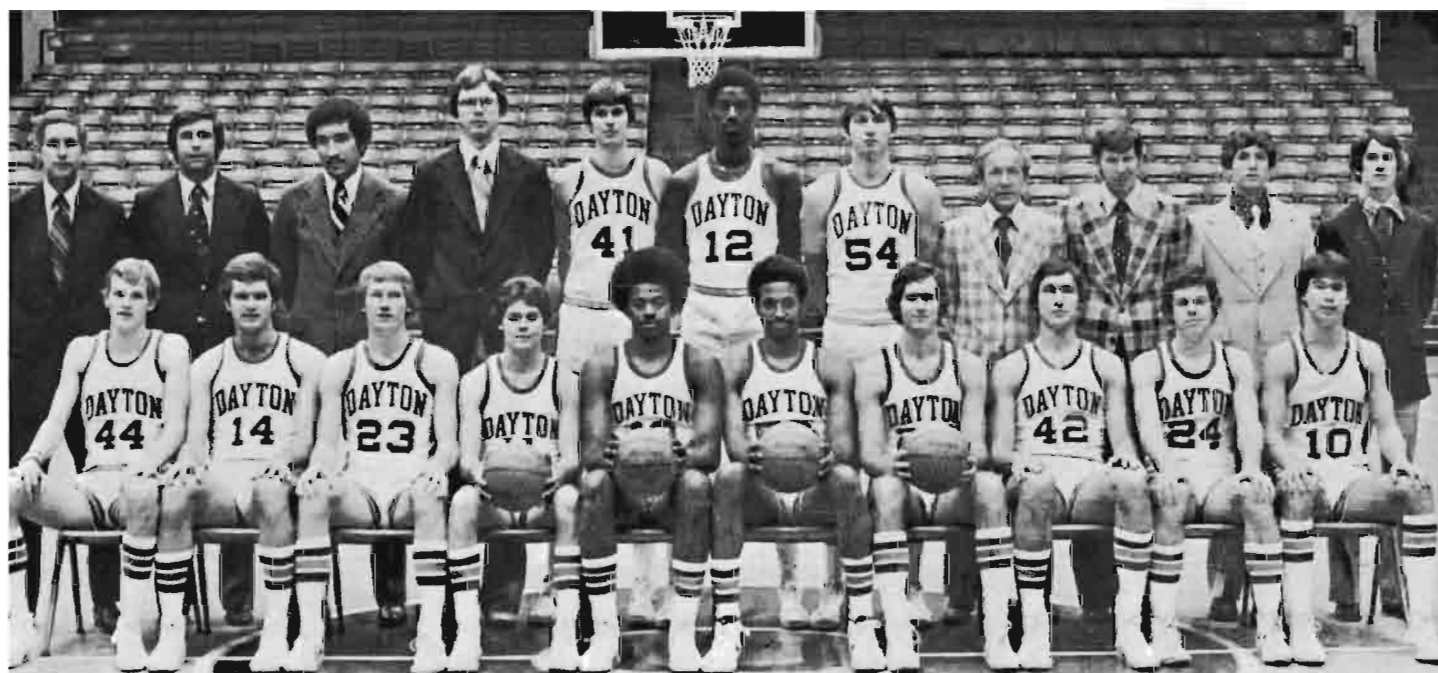

Although the record does not show it, the 1977 season was a lesson in experience for Coach Richardson, his first year Assistant Coach Ruffolo, and the team.

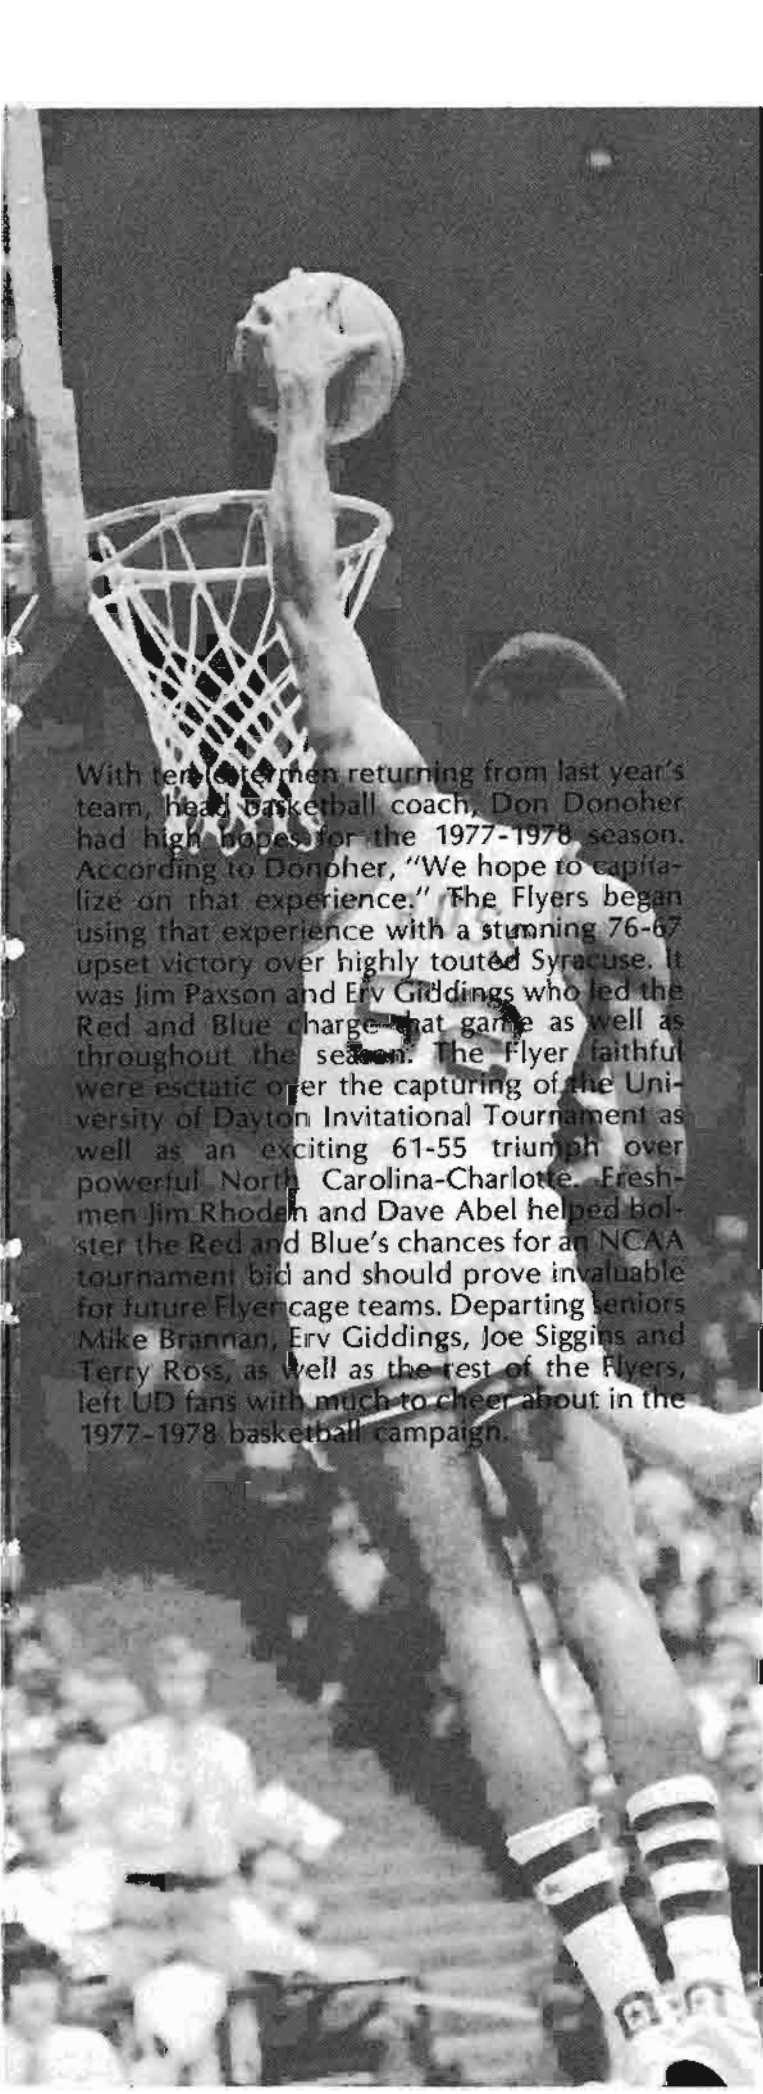

BASKETBALL

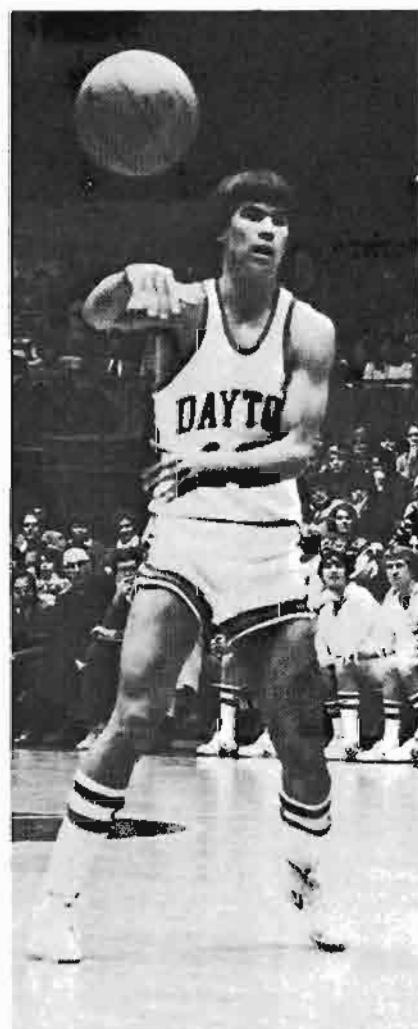

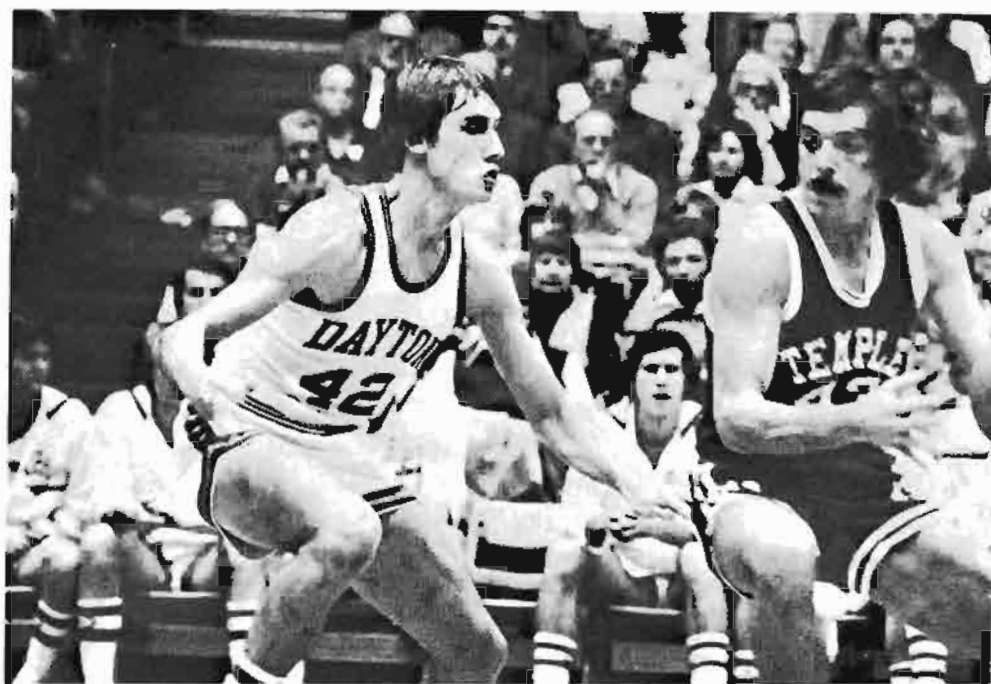

Row 1 Tim Pohlman, Charlie Tyra, Mike Lee, Mike Brannen, Erv Giddings, Terry Ross, Joe Siggins, Jim Paxson, Doug Harris, Jack Zimmerman

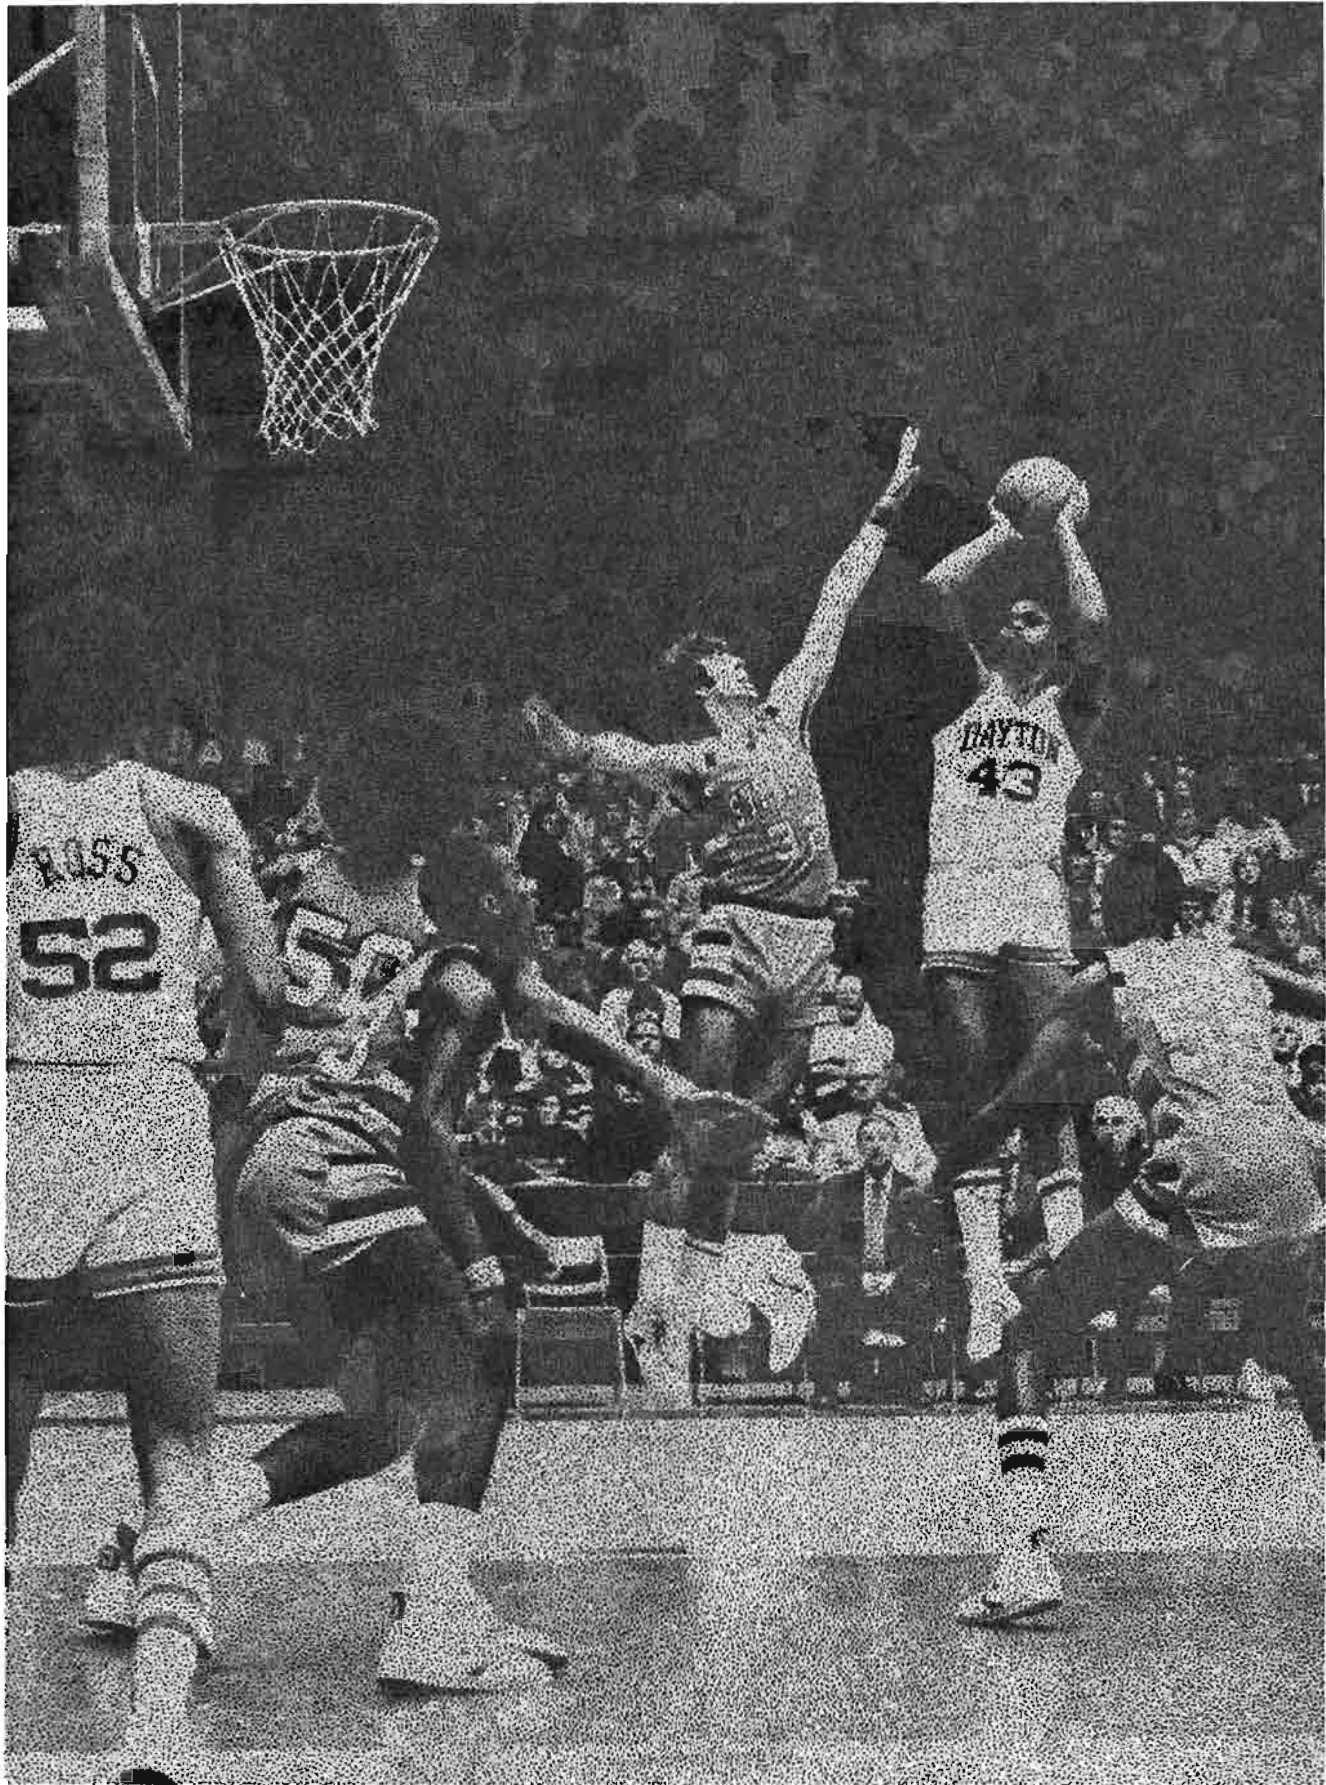

Row 2: Head Coach Don Donoher, Assistant Coaches Pat Haley and Jack Butler, Fred Eckert, Dave Abel, Richard Montague, Jim Rhoden, Assistant Coaches Jim Ehler and Jim Larkin, Managers Rusty Schuermann and Paul Donoher

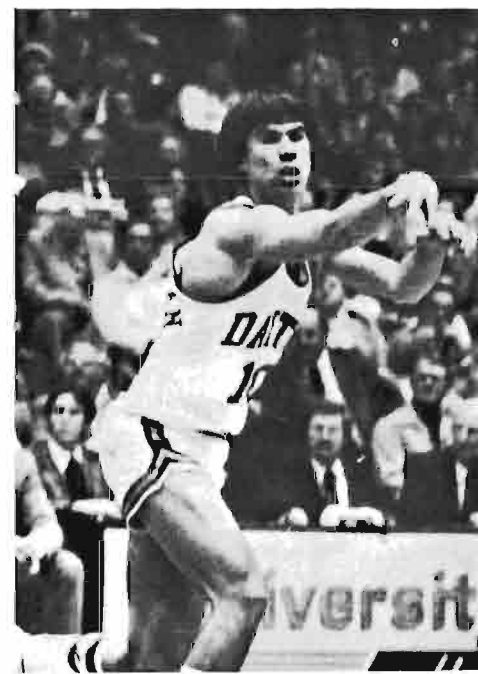

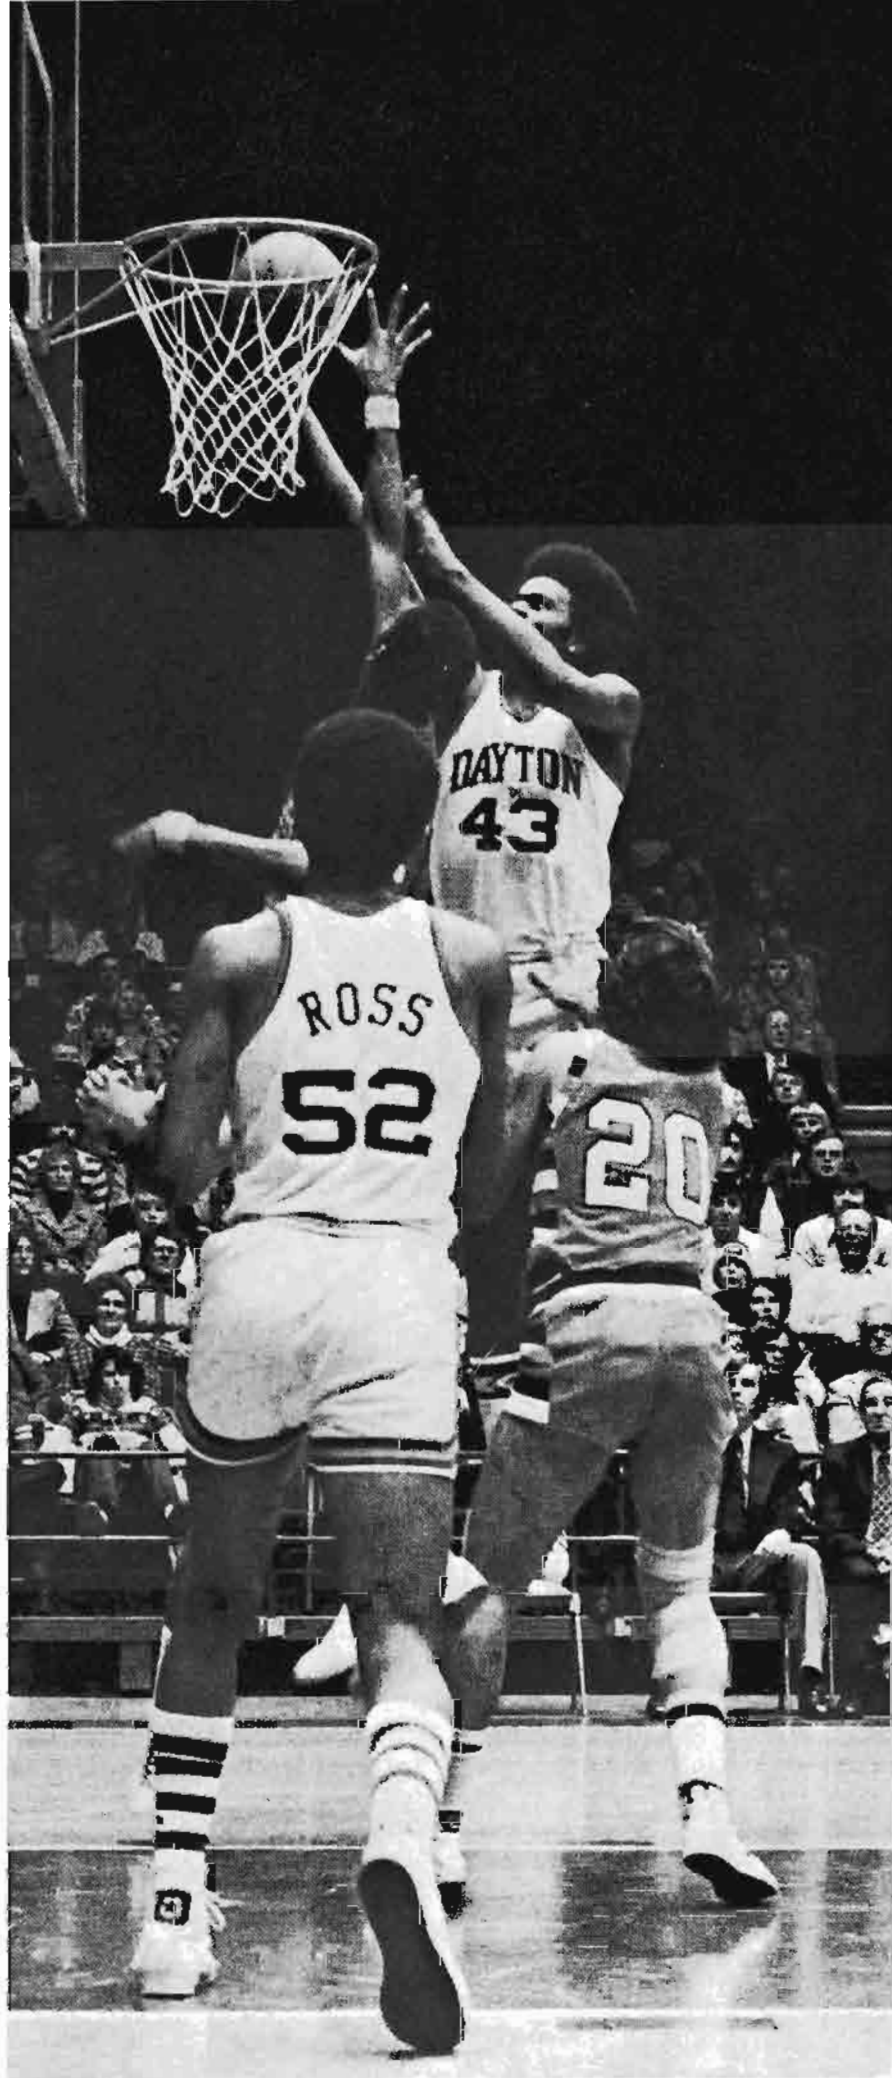

With ten returning men from last year's team, head basketball coach, Don Donoher had high hopes for the 1977-1978 season. According to Donoher, "We hope to capitalize on that experience." The Flyers began using that experience with a stunning 76-67 upset victory over highly touted Syracuse. It was Jim Paxson and Erv Giddings who led the Red and Blue charge that game as well as throughout the season. The Flyer faithful were ecstatic over the capturing of the University of Dayton Invitational Tournament as well as an exciting 61-55 triumph over powerful North Carolina-Charlotte. Freshmen Jim Rhoden and Dave Abel helped bolster the Red and Blue's chances for an NCAA tournament bid and should prove invaluable for future Flyer cage teams. Departing seniors Mike Brannan, Erv Giddings, Joe Siggins and Terry Ross, as well as the rest of the Flyers, left UD fans with much to cheer about in the 1977-1978 basketball campaign.

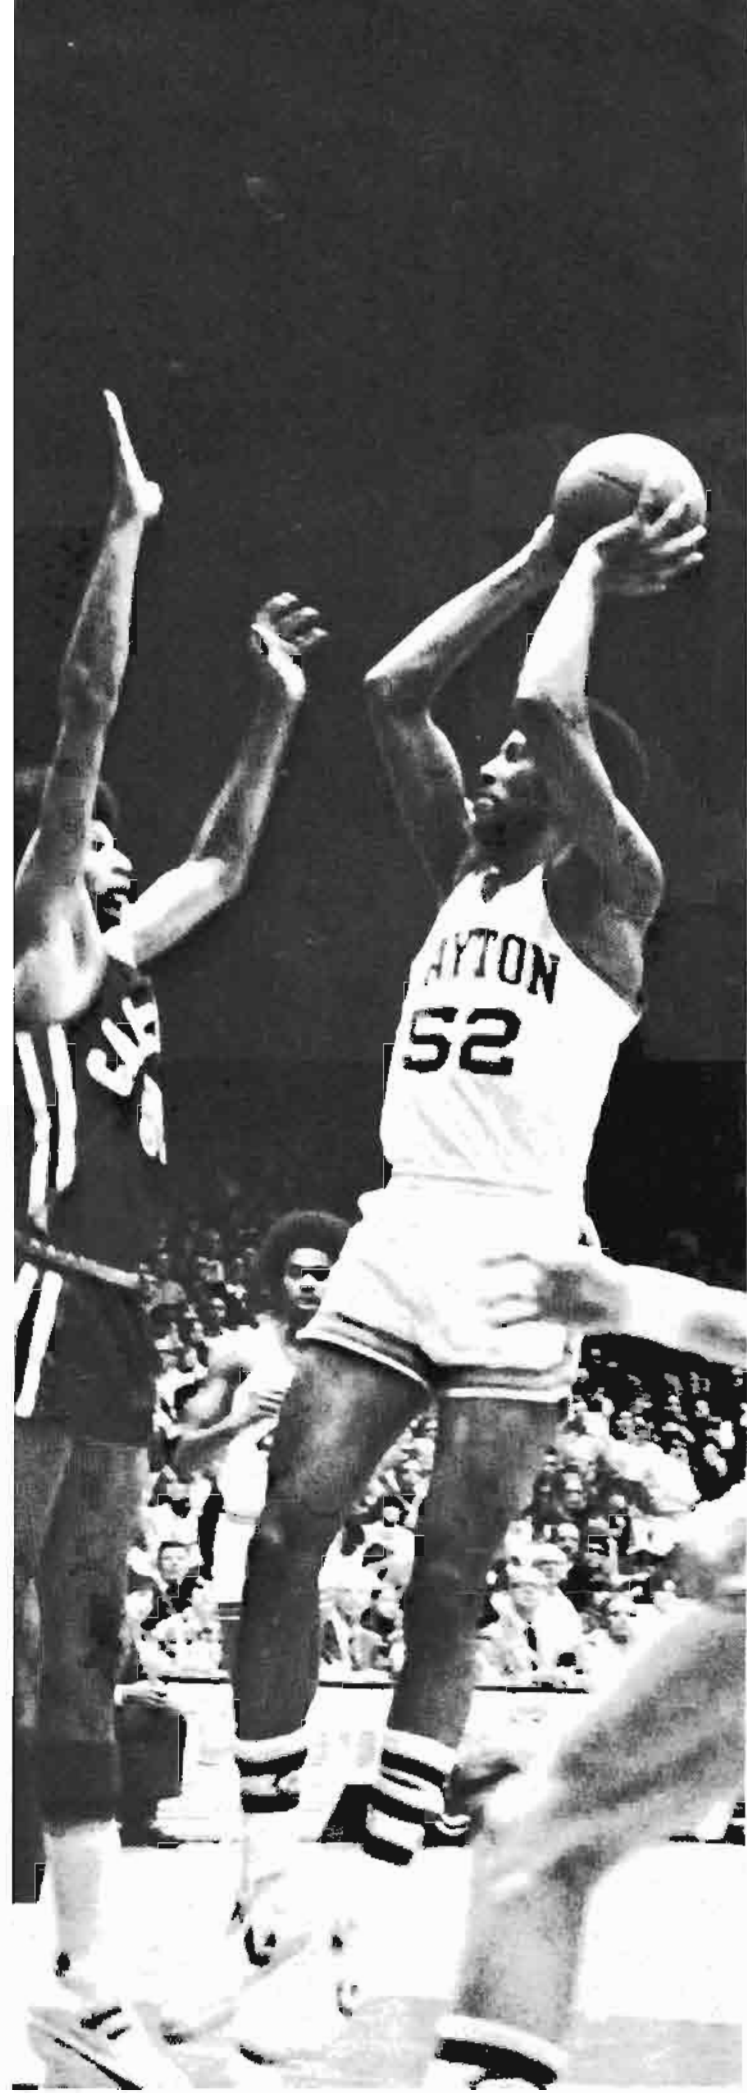

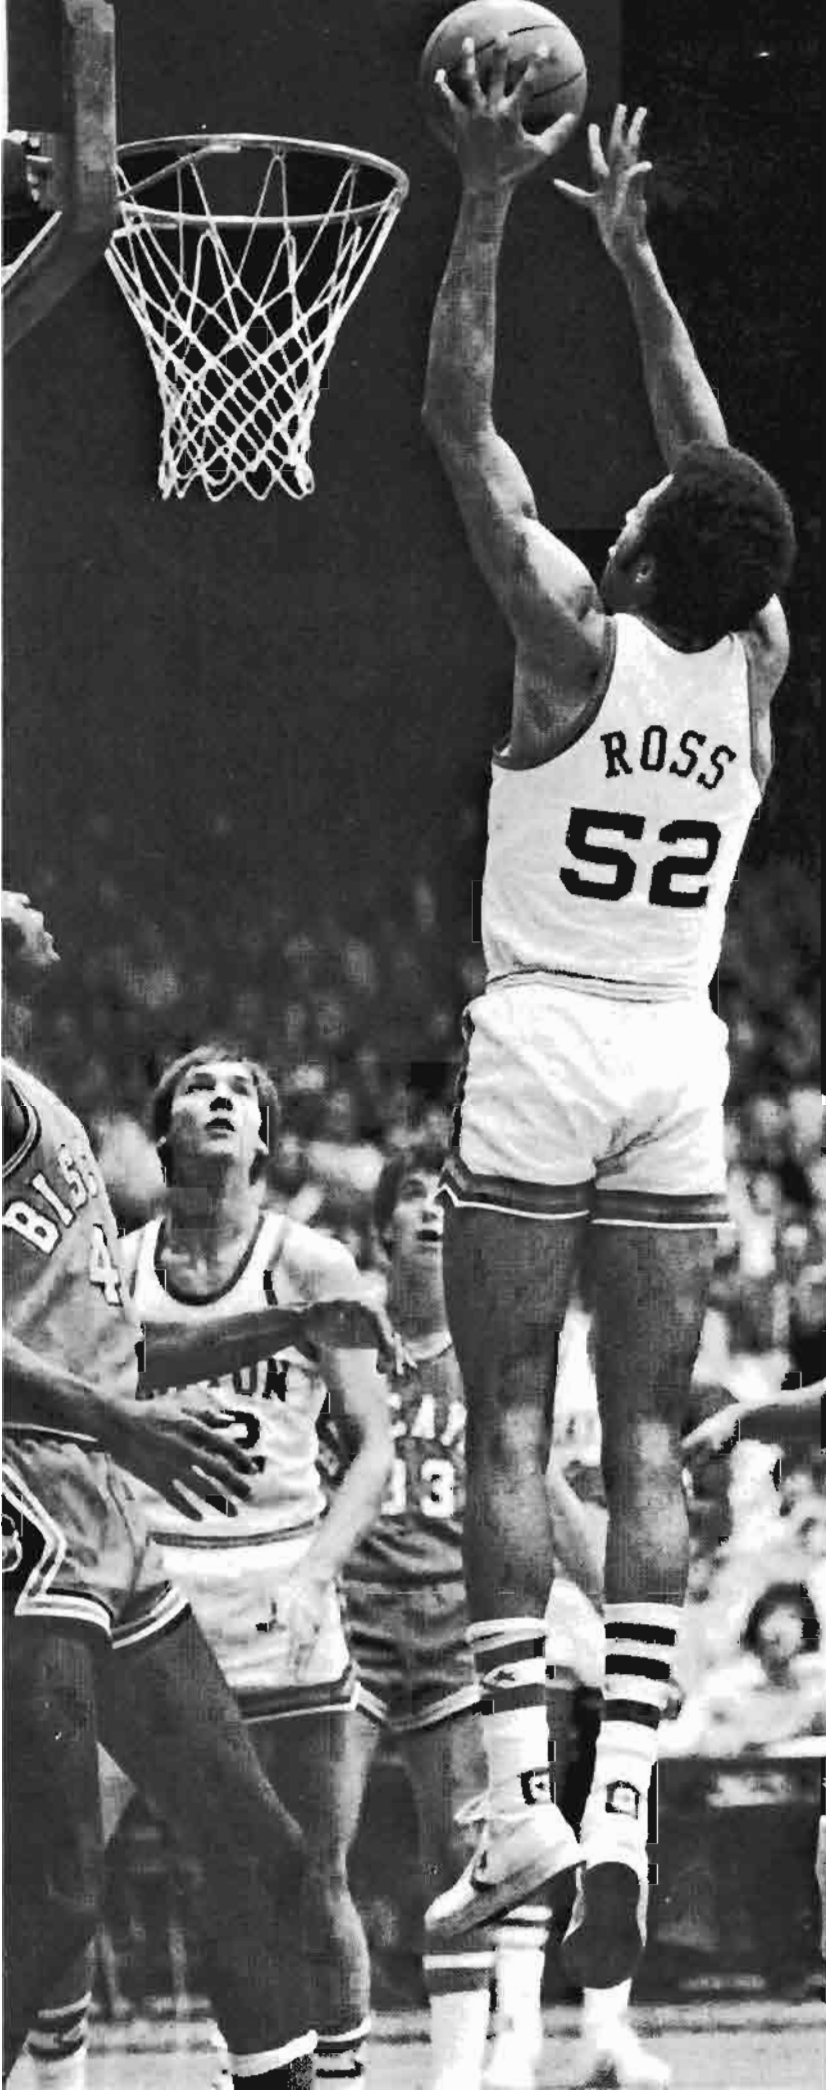

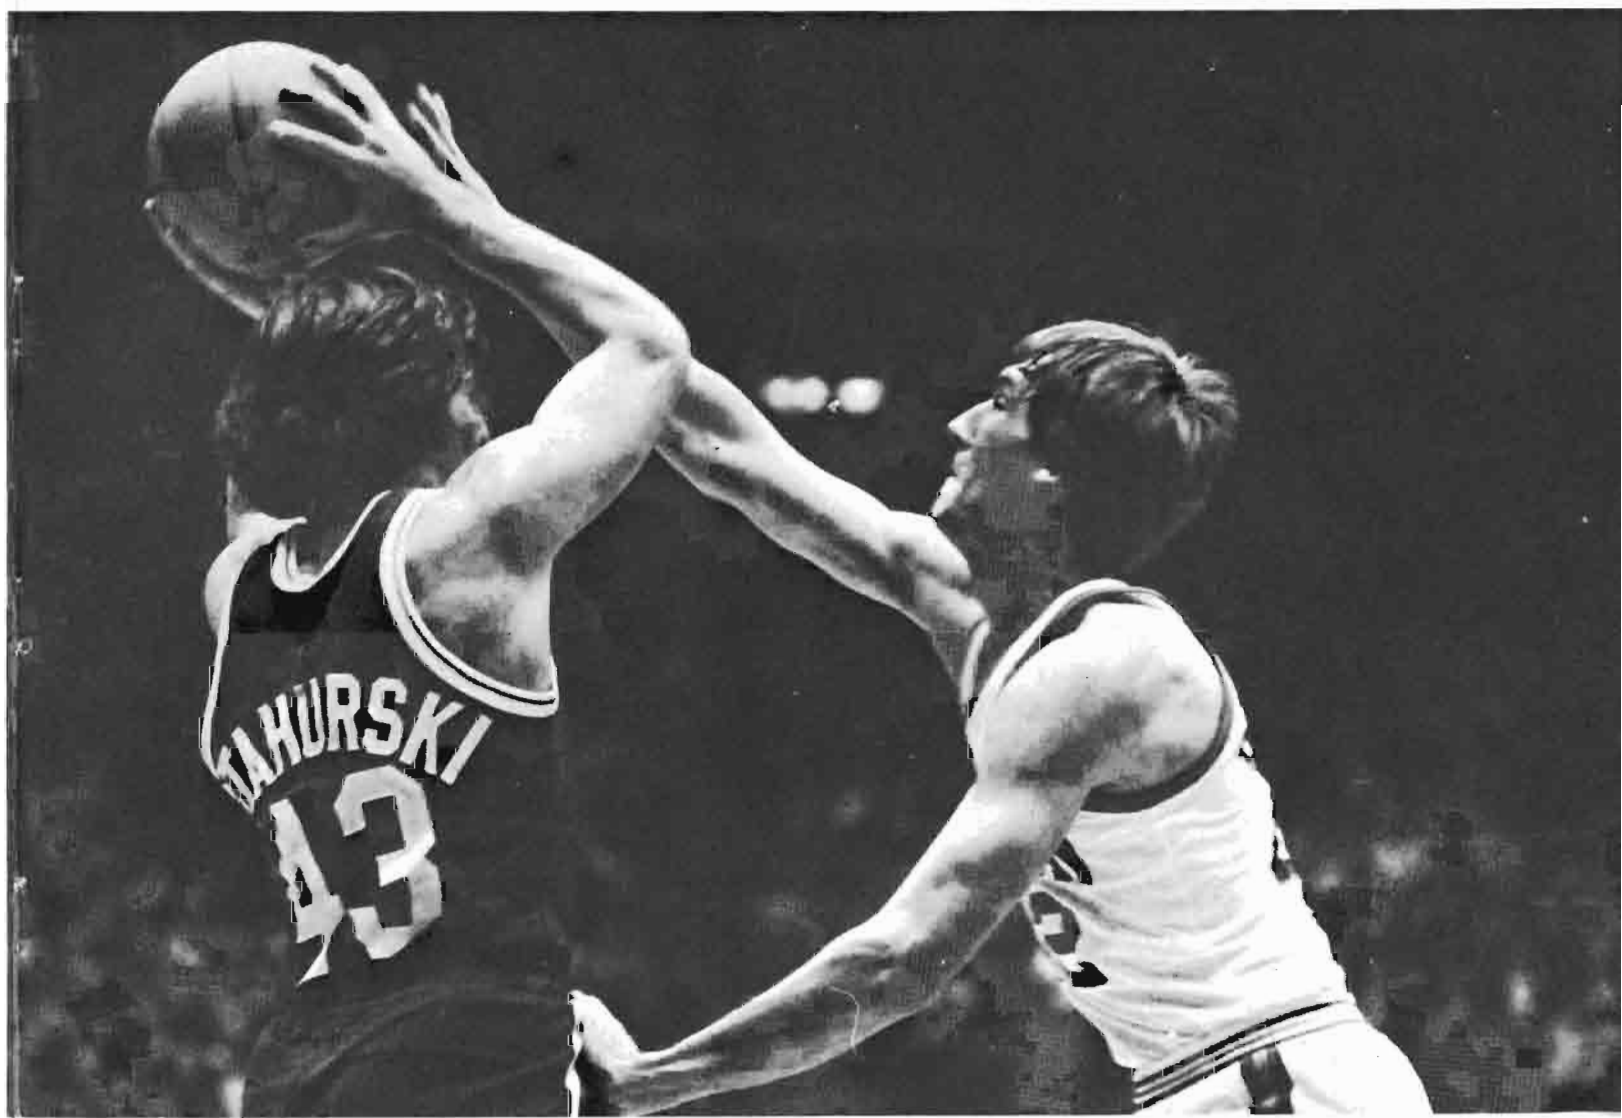

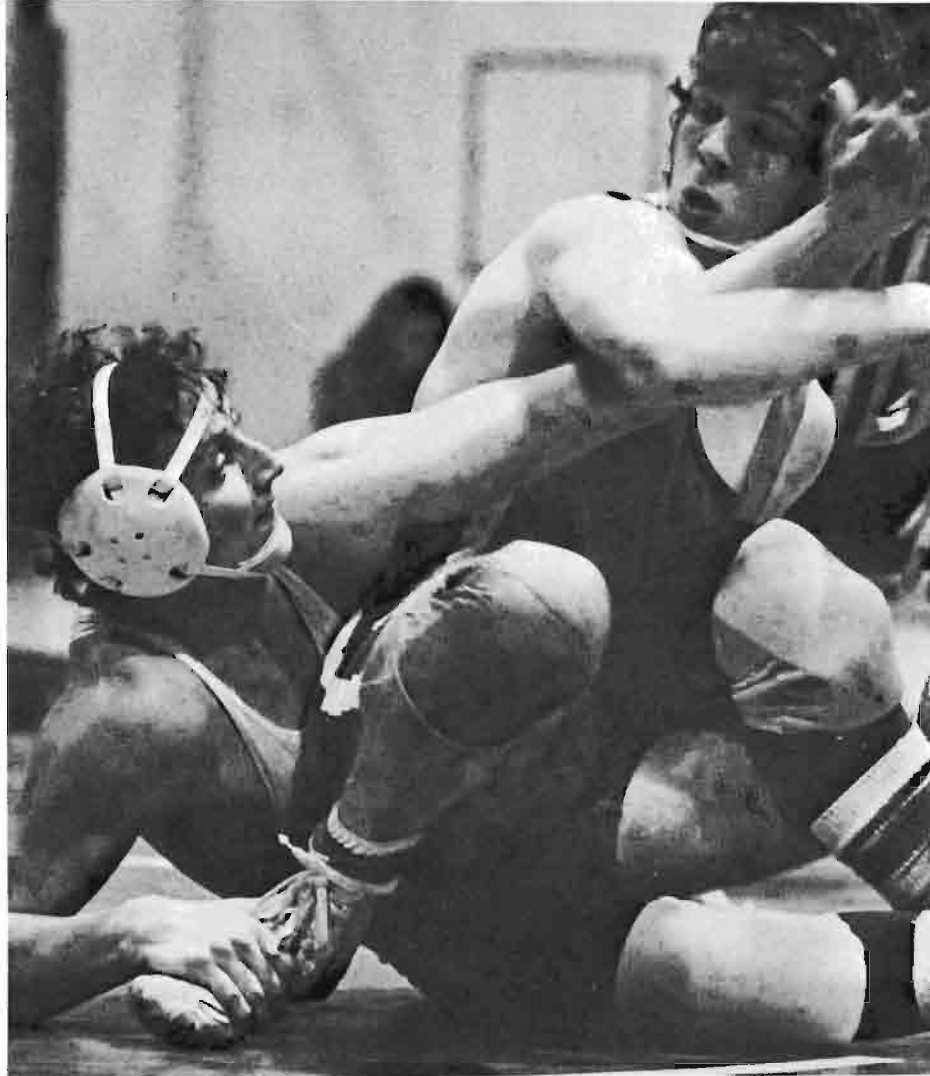

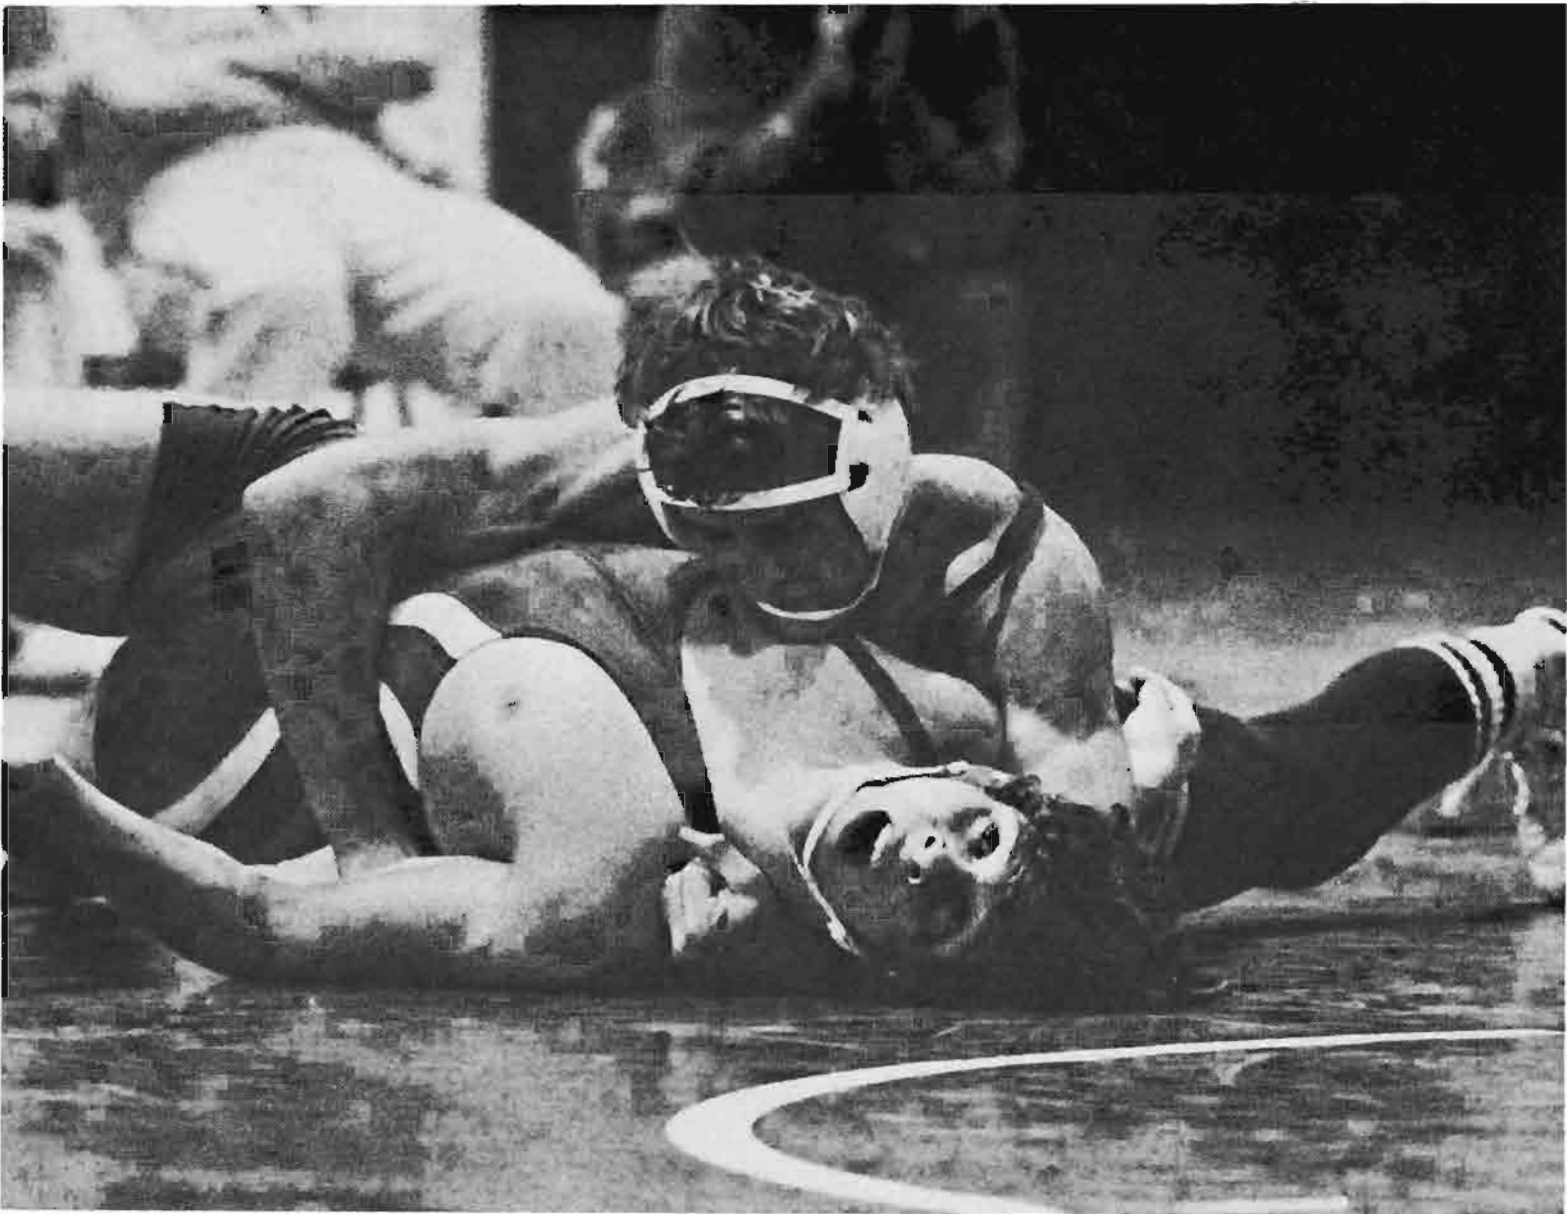

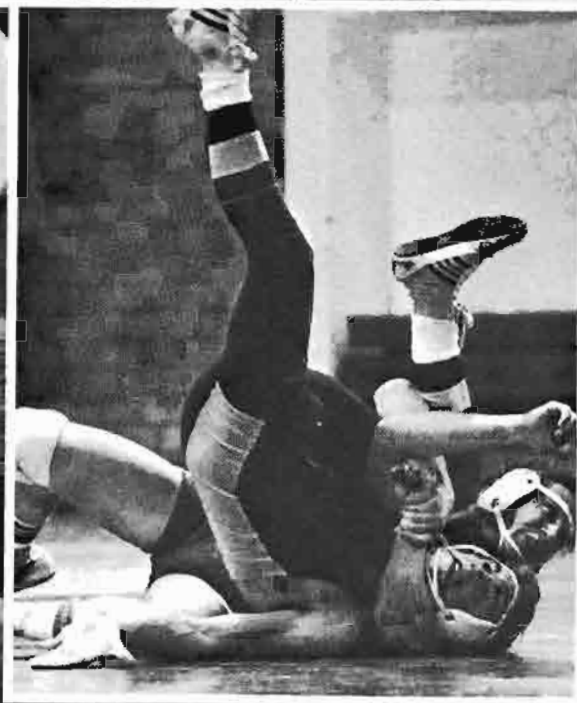

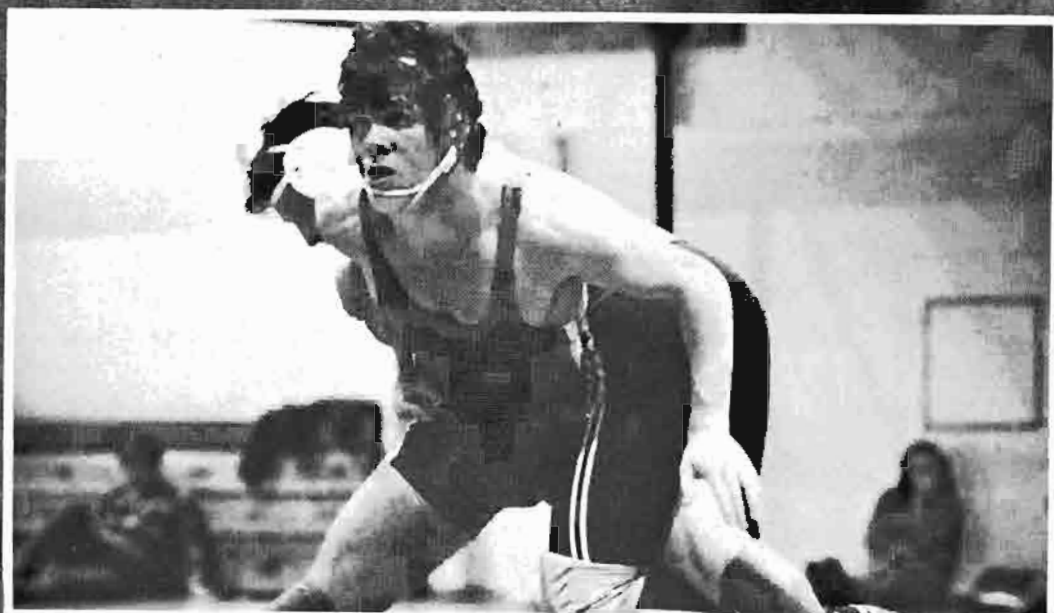

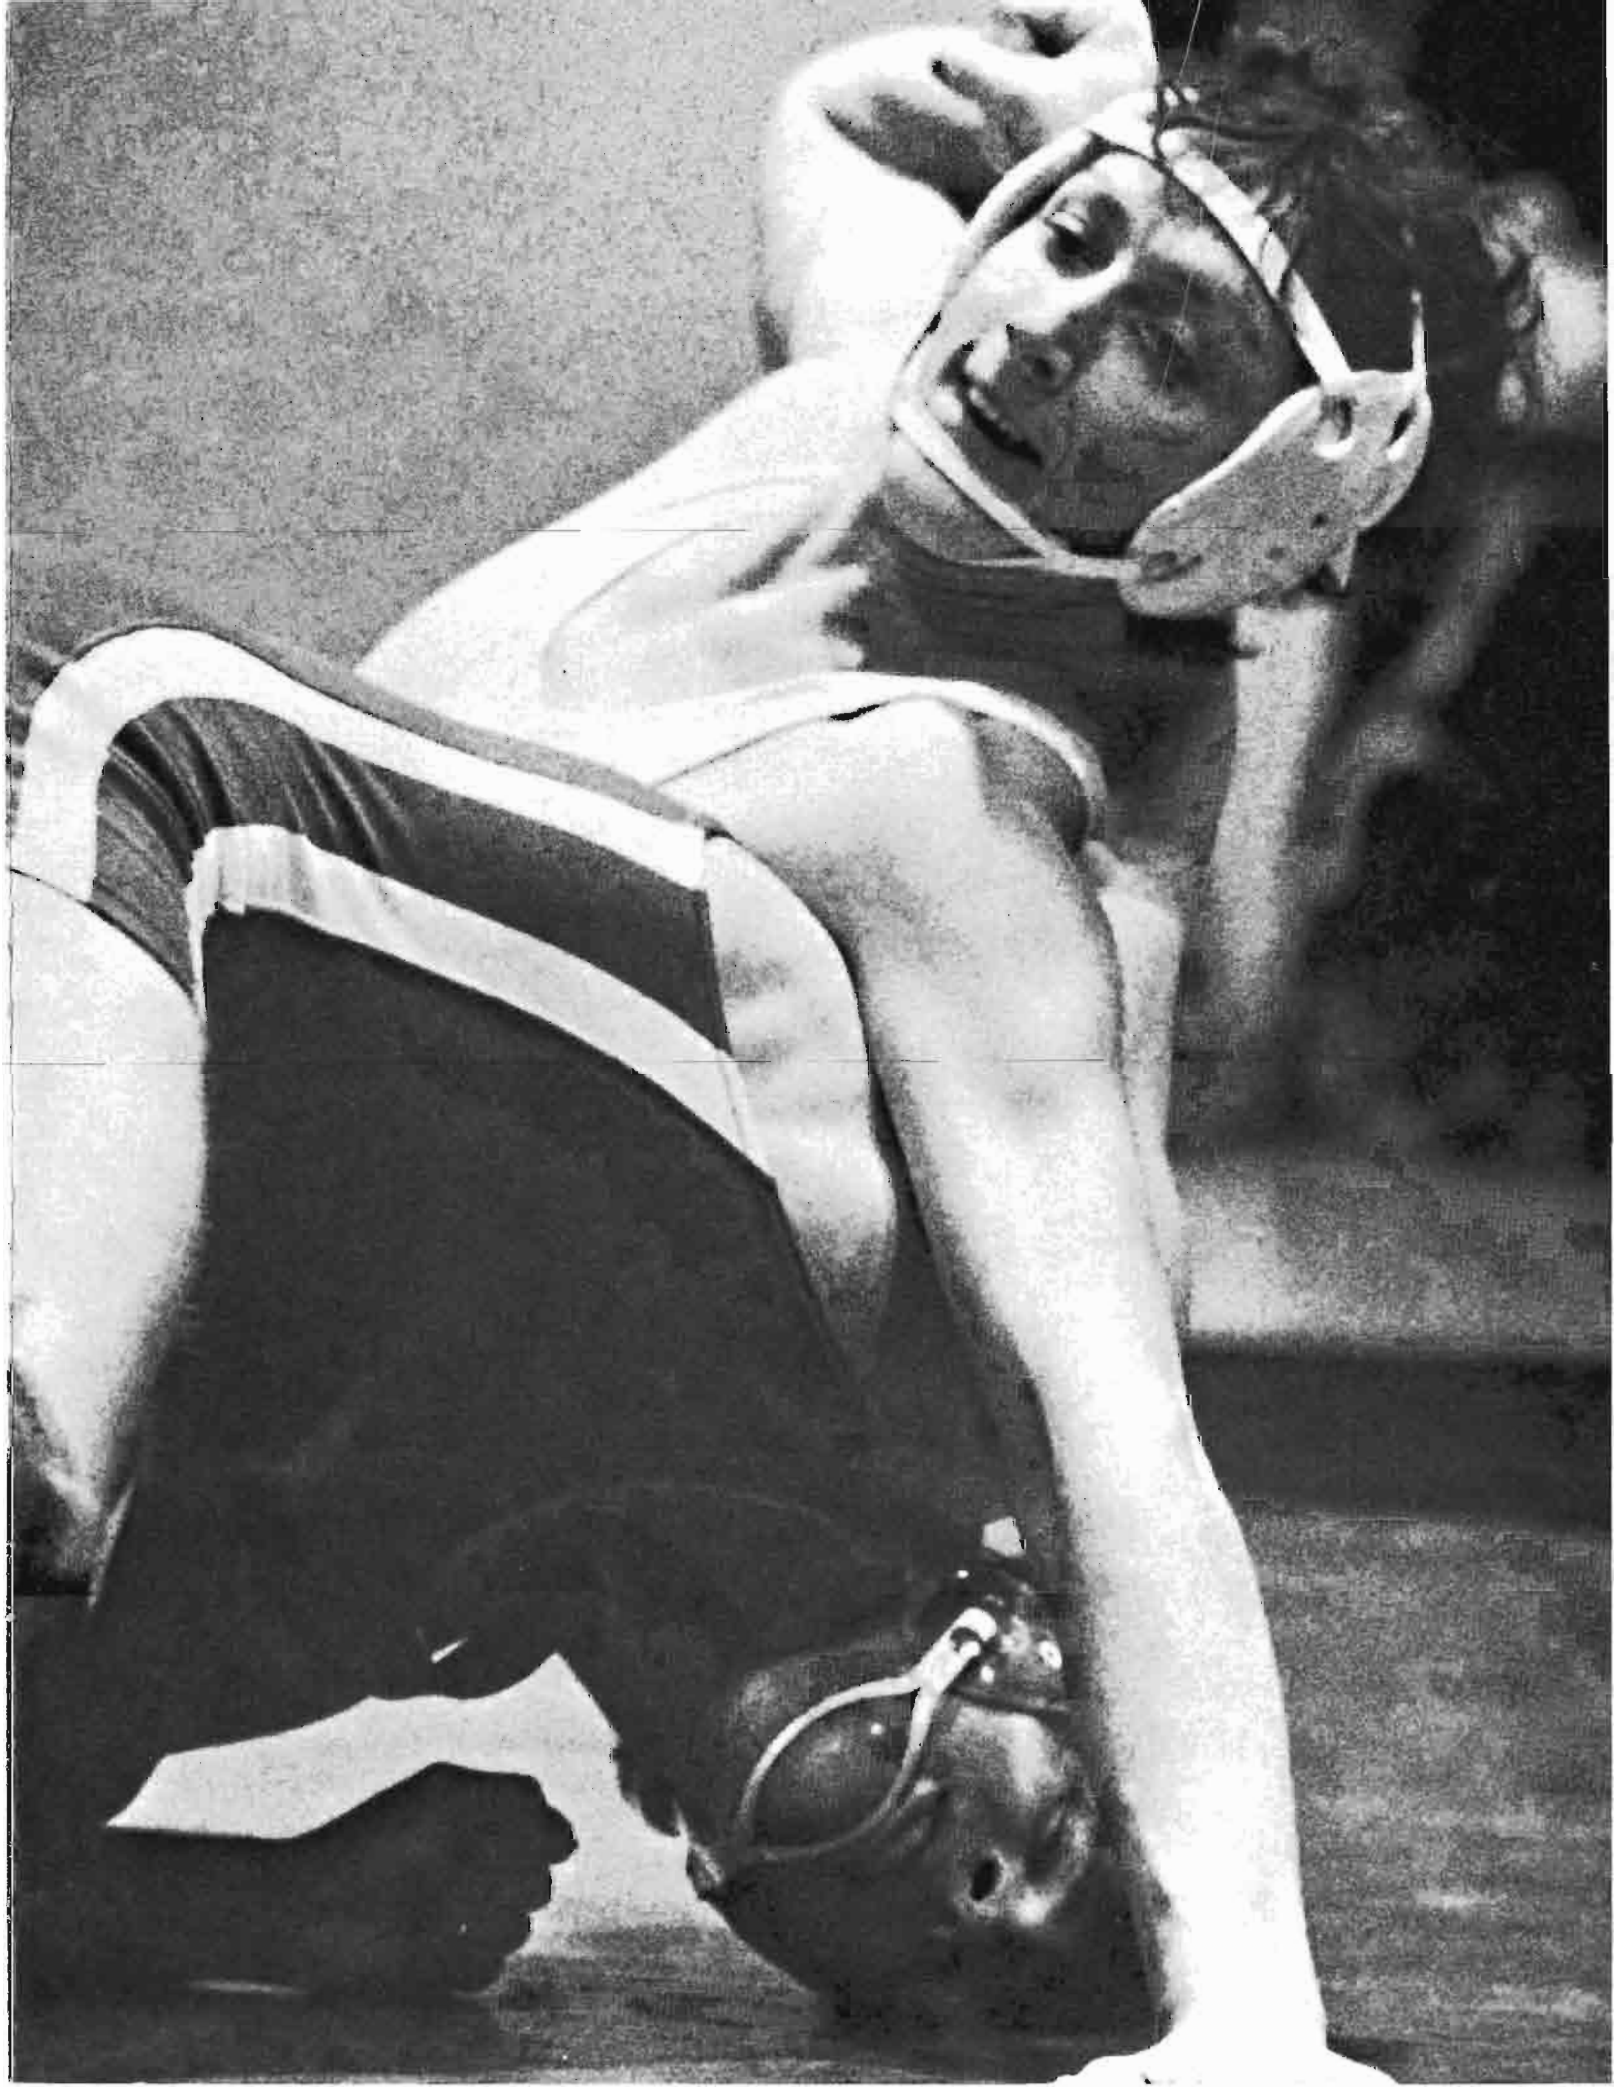

WRESTLING

Standing left to right: Doug Wilson, co-captain, Jim Byrd, Mike Hennesey, Ron Woods, Rich Enners, Mike Hammer, Steve Anderson
Kneeling left to right: Randy Edwards, Tom Henderson, Gary Johnson, Larry Dryden, Fred Brownee, Jim Reyner, co-captain, Paul Bednarzyk.

Although 15 lettermen returned for coach Walt Deanna's 14th season, the UD hockey team underwent a facelift for the 1977-78 season.

The Flyers displayed new captains, new uniforms, 7 new players and a new schedule, which included three tournaments.

Captains Steve Demuth, Bill Higgins and Rick Tweedle lead the Flyers, who worked to improve upon 9-7-1 mark of the previous two seasons.

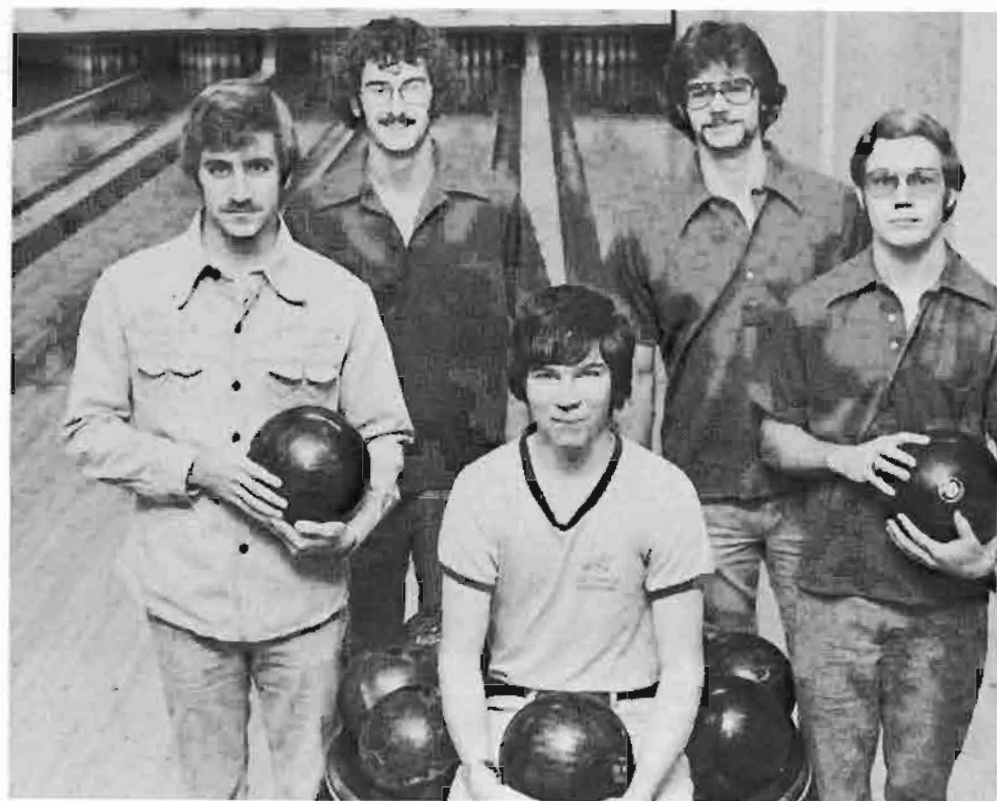

The top line of the previous season, Pat Dolan, Doug Overbey and Tweedle was reunited. Linemates Pete Costello and Demuth also returned from an explosive team that averaged over five goals a game.

Goalie Dave Spotts again had defensemen Chip Mayer, Dan Geib, Pete Sullivan and Higgins in front of him.

INTRAMURALS

The aim of the Intramural Sports Department at the University of Dayton is to provide each member of the University Community with the opportunity to participate in a variety of recreational and organized competitive activities. A unique spirit of fun surrounds the keen competition found in Intramural sports and special recreation programming provides different activities for alumni, faculty, staff and their families as well as students.

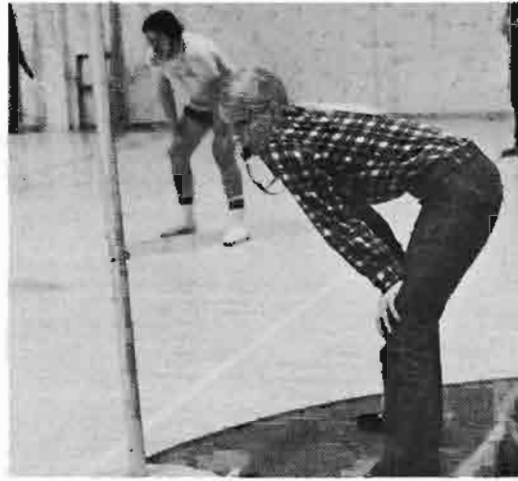

Intramural Sports

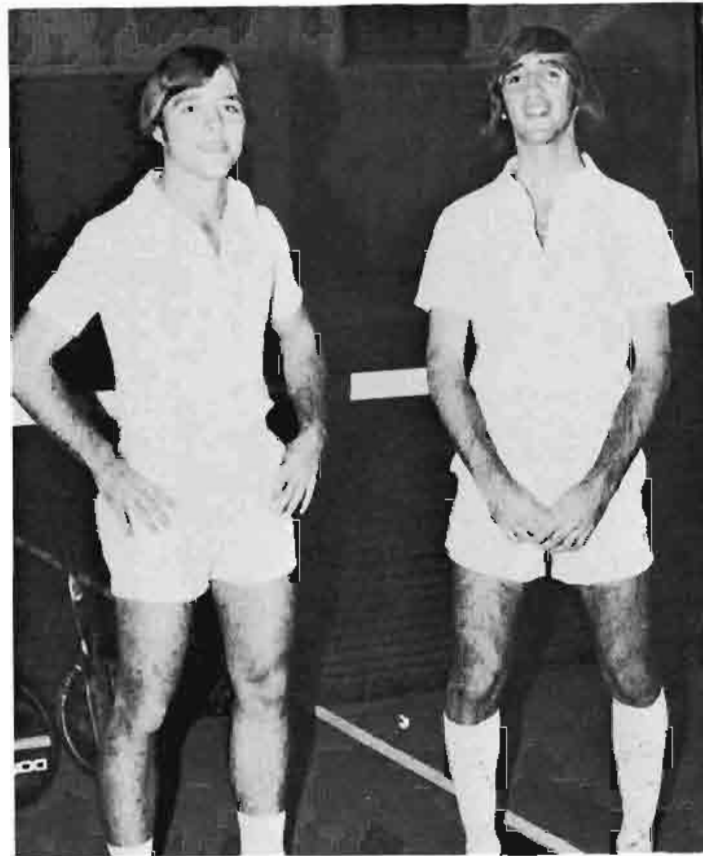

Facts and Figures:

- 3 of the top 4 softball teams were from Putnam County, Ohio
- A Toilet Bowl Championship was held for the best of the losing volleyball teams. First prize was an engraved toilet seat.
- The Ramblers flag football team outscored their opponents 197 pts. to 38 pts.
- Over 65 activities are offered throughout the year

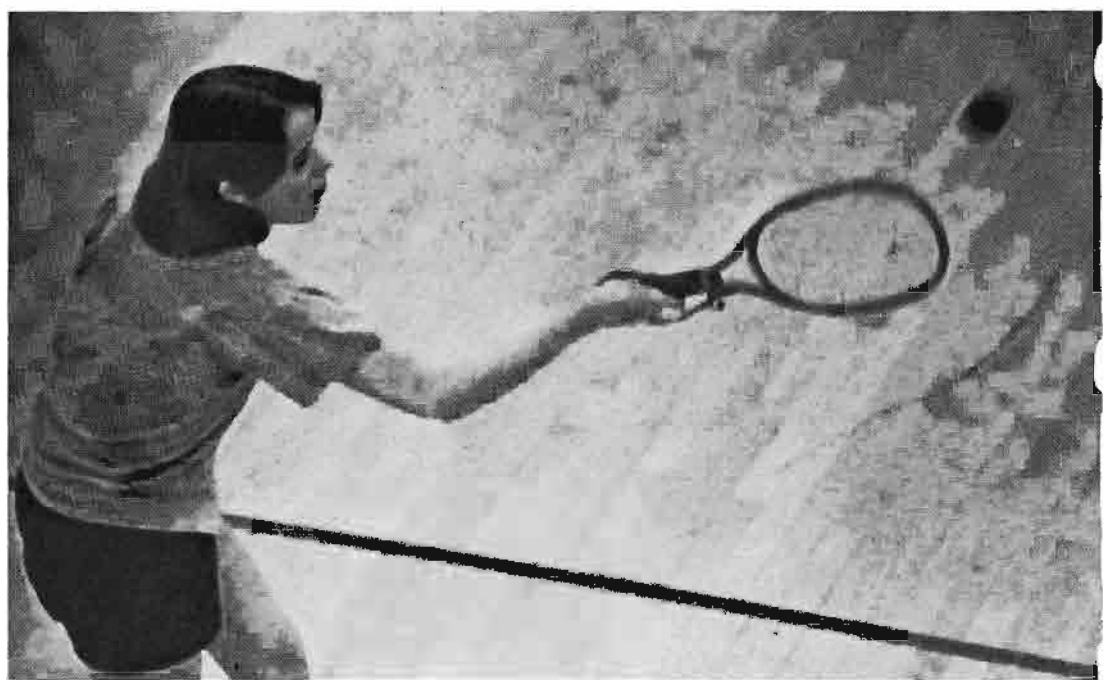

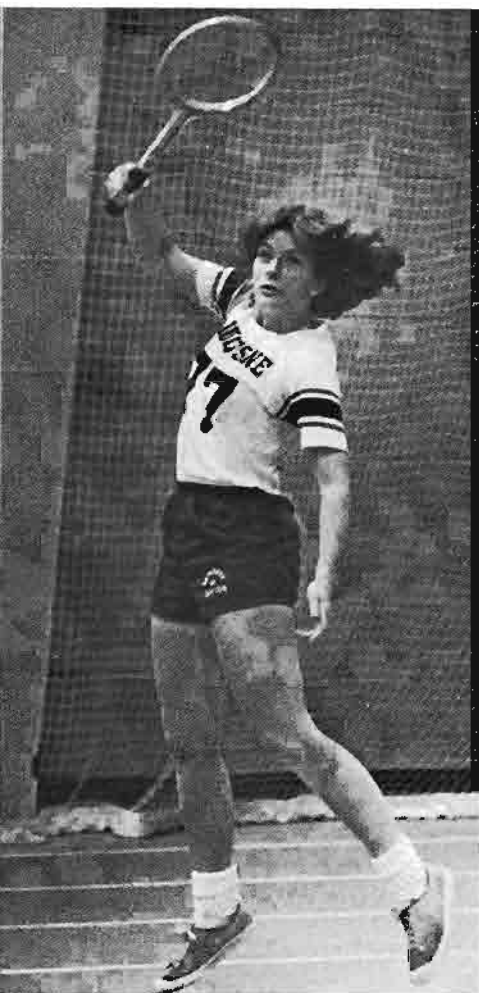

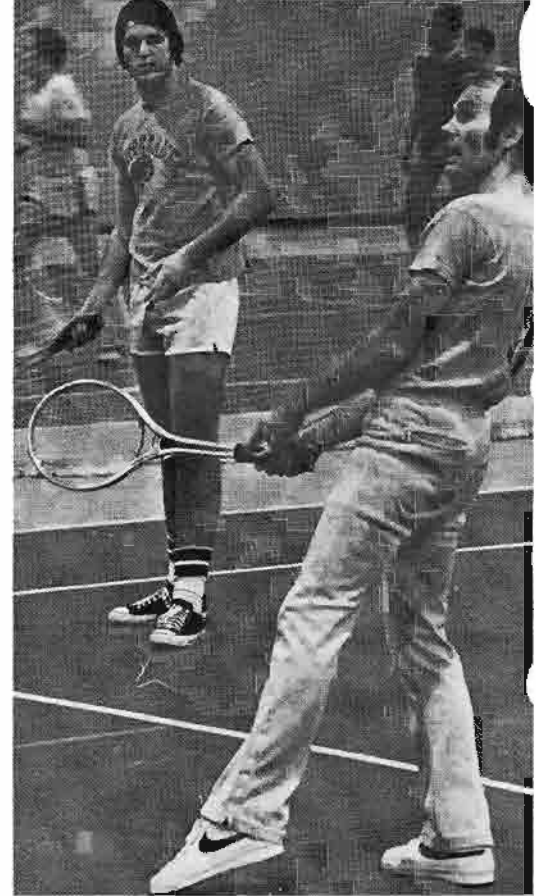

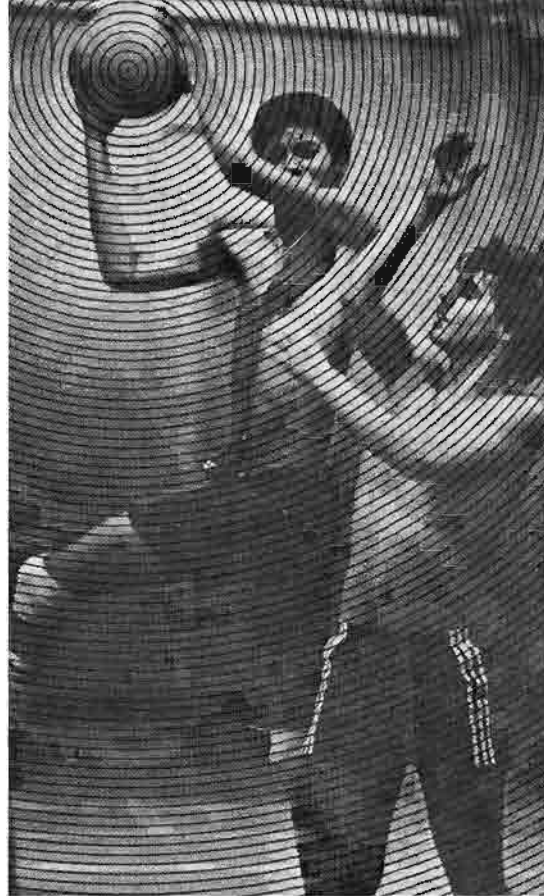

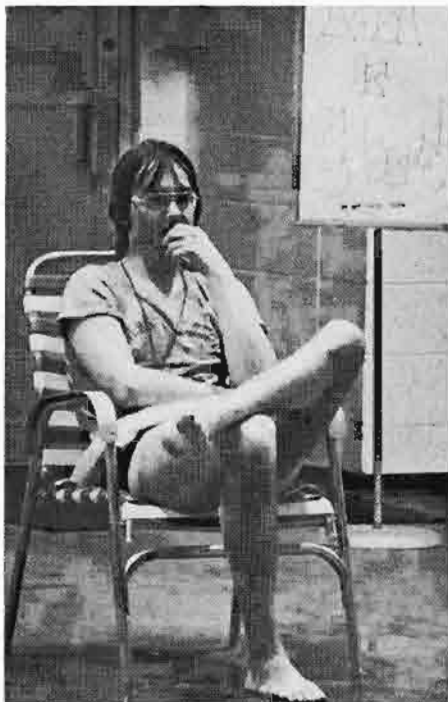

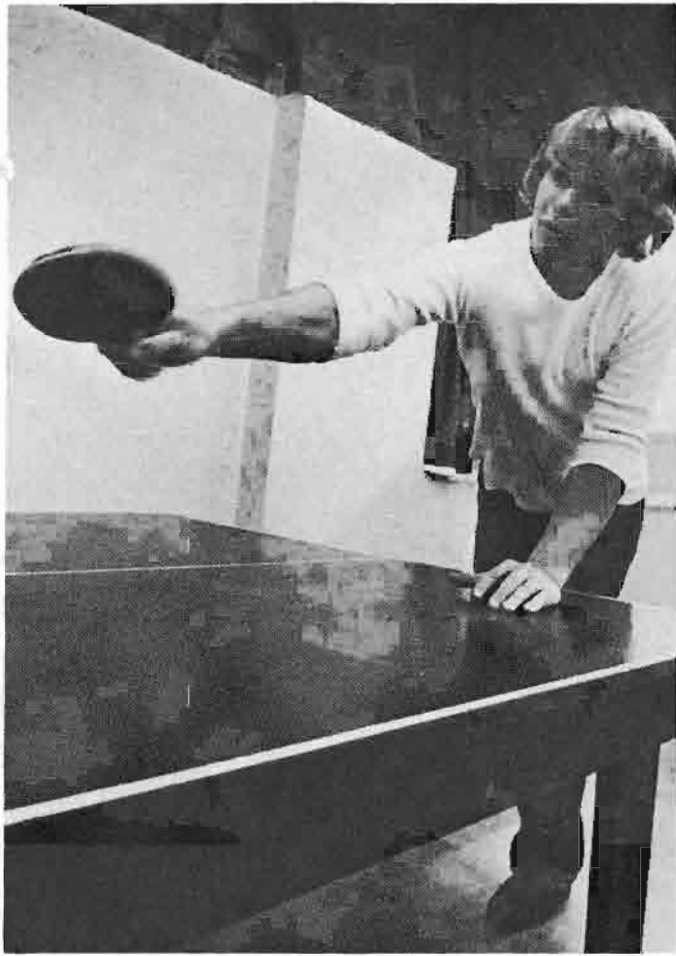

Intramural activities available: softball, tennis, golf, handball, soccer, horse-shoes, racquetball, flag football, table tennis, volleyball, cageball, badminton, basketball, bowling, water polo, wrist wrestling, darts, sports trivia bowl, weight lifting, superstars tournament, swimming and track.

PHYSICAL ACTIVITIES CENTER

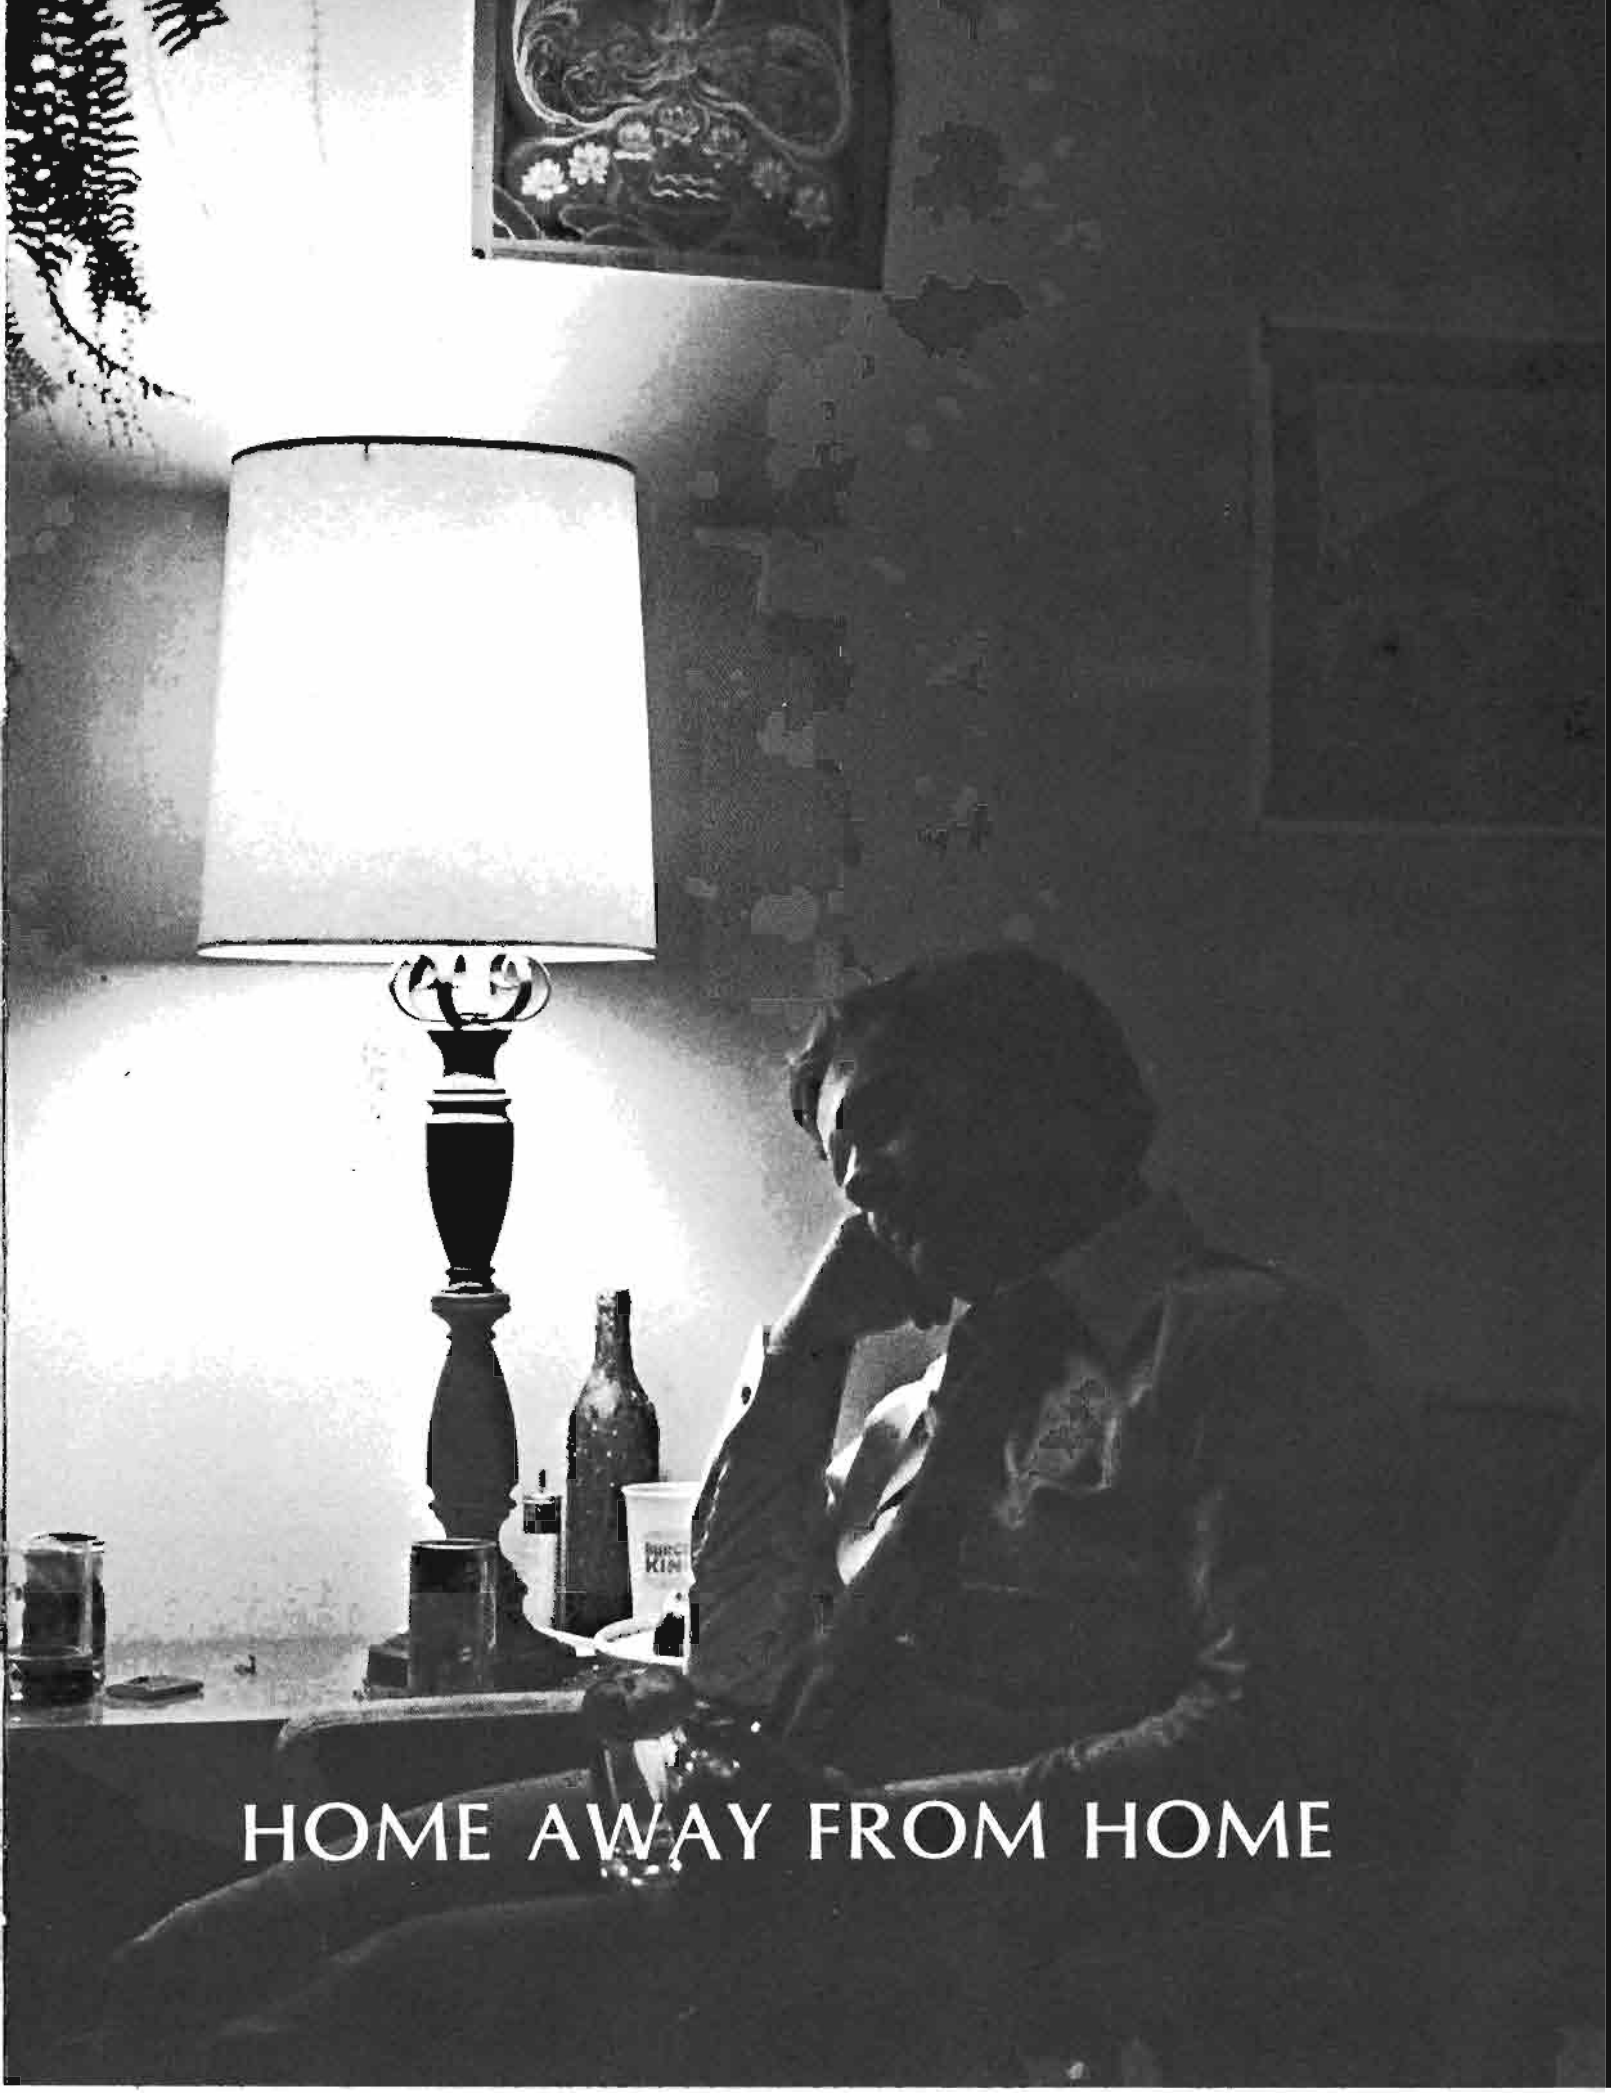

The PAC, with its various facilities, is one of the most widely-used buildings on campus. It is the only building on campus which stays open when the rest of the campus is closed.

Special programs offered at the Physical Activities Center include Tiny Tot swimming lessons, tennis lessons, diving, swimnastics and aerobic dancing

KIEFABER

Kiefaber, where did they get a name like that? Anyway it's a nice place to live if you like booze, broads and boys. This street really hops and so do the students from house to house or party to party. It's a great gathering place at 2:30 A.M. to locate the next party. If you don't have a friend, visit Kiefaber where friends are near!

Well Chuck, smile now before the book comes out. Maybe we could hijack the truck with the yearbooks in April. Then we could sell the books to a recycling company and take off for Florida. Forget it, we still have to come back to graduate

A yearbook is the result of an editor's headache. The creativity within the book is vast. It may range between planning layouts to drinking a bottle of Asti- Spumante.

In any event there are several people who the Daytonian owe special thanks:

Charles Miller — Representative
American Yearbook Co.
Charlene Van Hecke — Advisor
Chuck Calhoun
Rich Boyne
Patty DeNale
Sue Schultz
Katie Neubauer
Denise Rondini
Ron Chernes
Gary Domaleski
Ed Hirt

This book could never have been completed without these people.
