

time

to one another

to get her

embrace

Mom never ate because after four kids had our meal, nothing was left. **Sacrifices** are being made around the world. My daughters have fathers who can't see them right now. And babies grow faster than the speed of light. Nouvean's father may not see her for two months! Yet, we do this for others because that is the **Marianist** message.

love yourself

With that said, I pray you each take this time, as that — **TIME**. Time to be grateful for any privileges you know you have, from that roof over your head to those socks on your feet. I ask that you imagine what it must be like for homeless folks right now, and for families with several children who are now laid off and can't provide — their world is **crumbling**. The poor are suffering even greater now. I ask that you pray for those who are suffering the most. Pray for medical workers and delivery drivers and grocery store employees who are extending themselves and scared too. Many have **NO CHOICE** but to work.

This time gives science the **endless** hours it needs to research this novel virus and provide solutions to the world. Science is incredible.

Maybe you see this time as one of reflection. We will recover, but we won't ever be the same. Yet, we have **one another**. We have the ability to create change and give hope. We have the **privileges** of education and hot meals. Comfy beds and water. Take this time to **love yourself**. Be grateful for life and what you have to offer — and for each of us that calling is different. Let's practice social distancing and stay at home. If you go **protect** the others. See, that's the **family**.
