Before the Mast!

... with Foster Fryman '37

(Page 3)
Dear Alumnus:

You've been telling us that the "Alumnus" should carry more pictures. That's right, you're right!

However, we still won't be able to print the handsome "phizz" of Leonidas Q. Phlugg '04 unless old Leo breaks down one of these fine days and shoots a photo in to the eds. (Note: A plain snapshot will suffice.)

There's no doubt about it, as our Mr. Baujan would say, pictures are necessary to a modern magazine and that is why we're launching a concerted drive through the medium of the Alumnus. First of all, we want pictures with general appeal to the Alumni. For example, a plain picture of the Grand Canyon will leave our readers in Cincinnati as cold as yesterday's mashed potatoes... but... if the same picture shows Joe Goetz leaning over the brink with Dick Hosler in the back of him ostensibly about to administer a well directed kick... well... We can use that type of picture. And incidentally...

You may win a five dollar cash prize!

A concern in Dayton, learning of our crying need for pictures, immediately came forward and offered the generous five dollar award to the Alumnus who sends in the most interesting picture or collection of pictures prior to May 1. Note: All entries become the property of the Alumnus.

Okay! Alumni! Let's dust off the old Brownie and start the quest for honor and glory and a five dollar bill.

(Continued on Page 3)
Pacific Cruise Planned
By Foster Fryman '37

"Ship ahoy" and "avast, there, ye lubber" ... not to mention "batten down the hatches!" is the news we're getting from Foster Fryman '37, a sailorin' man from the deep blue.

It seems that Foster, who, from the time of his graduation, has been assistant to Dr. Wilbur Yackley '20, head chemist at the Standard Register Company, Dayton, is preparing for an adventure cruise on the broad Pacific in company with two other young men.

The trio acquired a two-masted, 63-foot sailing vessel equipped with semi-diesel motor. There are two staterooms and eight bunks and provisions have been made for refrigeration. A small chemical laboratory is being set up as part of the boat's equipment. This is for the purpose of making tests on various herbs, roots, barks, etc., which are expected to be found at certain South American points they plan touching. Anything marketable will be shipped back.

The plan is to leave the mainland this spring and make the first stop at Brazil. Here the party will investigate a report that has been heard to the effect that a quantity of unrefined Carnauba Wax is to be found. (Carnauba Wax is an important ingredient in certain types of carbon paper.)

At present Foster is residing at 1726 West Ocean Avenue, Newport Beach, California.

Dear Alumnus (Cont'd from page 2)

No, we don't have horticultural tendencies, but we can't resist stepping into the greenhouse and plucking a bundle of orchids for those loyal sons of Alma Mater who made membership payments since February 20:

The big news at the moment is the reorganization of the Chicago Club and the first meeting of the proposed Miami Valley Chapter in Dayton on Monday, April 8.

The annual 1934 Chemical Engineering class reunion was held at Seville Tavern, Dayton, on Holy Saturday, March 23, Drs. Haas and

Hilltop Happenings

LIBRARY EXPANSION—Another tier is being added to the Albert Emanuel library which will provide accommodation for 20,000 more volumes. The library, which is a gift of Victor Emanuel, presently houses some 60,000 volumes, but the rapid expansion of the university makes the additional library facilities necessary ... Brother Thomas Poitras, S.M., who returned to Dayton last fall after a two years leave of absence, has been appointed professor of music at Marianist preparatory school, Beacon, N. Y. He will resume his duties as professor of French at U.D. next September. During his leave of absence Brother Tom engaged in graduate study at the Universities of Paris and Besancon, and the Sorbonne ... John F. Chalmers '41, editor of the University of Dayton News, addressed the regional conference of the Catholic College Press association at Cincinnati on "Catholic Youth—Here and Over There" ... U.D. has been allotted $8,505 by the National Youth Administration for the current academic year.

C. A. A. STUDENTS—The civilian pilots training course students have finished their ground school instruction in winning style. All 20 passed their theoretical tests for private pilots' certificates with plenty to spare. Nineteen have soloed to date and it looks as if the first group of five to take their practical air tests will be ready the first week in May ... The U.D. chapter of the College Students Neutrality association sponsored a student assembly February 22 in honor of George Washington. Stress was laid upon Washington's insistence on neutrality ... Ten seniors will be presented with honor keys by the Alpha Sigma Tau, honorary society for the promotion of scholarship, for maintaining an honor average for seven semesters ... Edward R. Burroughs, dean of the Dayton Art Institute and member of the faculty of the university, stated that "we are about to witness a period of great art" in a lecture which he presented in the Mothers' club lecture series.

PROF. KOHLES WRITES TEXT—Brother George F. Kohles, S.M., has written a journalism text which will be published shortly. The book is a practical work manual for student reporters and covers all phases of news gathering ... The Dramatic club presented two one-act plays under the direction of Maurice Reichard. "Shooting Star" and "One Way Out of It!" were both well received by the student body ... James Leonard '40, mechanical engineering student, has been offered a position with the General Electric training school at Schenectady, N. Y. ... The first semester of Honor Roll included the names of 119 students. Students must attain at least 2.5 average to merit mention on the roll ... The International Relations club sponsored a public meeting March 11 in commemoration of the 50th anniversary of the founding of the Pan-American Union. Speeches by student members and discussions for the public were included in the program.

HAWAII BOUND—Rev. George J. Renneker, vice-president and registrar, will serve as retreat master for the clergy and the sisterhoods of the Hawaiian islands this summer. The vice-president will take leave of absence from his duties from June until August ... The Mechanical Engineering society celebrated the feast of their patron, St. Patrick, with a smoker in the off-campus students' club-room. Unusual was the fact that the chairman was Melvin Mueller '40, from Belleville, Ill. ... The CABOS, student service organization, held a symposium on self-denial as part of their Lenten program ... Trucks and passenger cars of the University have the initials, "UD" on their license plates ... Rev. Dr. John A. Elbert, S.M., president, is one of the founders of the Delta Epsilon Sigma, National Catholic College Honor society. U.D. has presented application for a chapter in the society and five of the faculty have been named as charter members ... Mrs. Florence Schee Robnett, dean of women at Northwestern University, conducted discussions and interviews with the student body March 18 and 19 ... The coeds held a card party in the women's lounge March 12 for women students exclusively.

Wohlleben, who were directly associated with the class during its four years at Dayton, were in attendance.

The B. Ch.E. class of '34 is composed of Richard Carson, West Alexandria, O.; Howard Dietrich, Newark, O.; Richard Fortener, Chicago, Ill.; Lawrence Hibbert, Xenia, O.; Thomas Nealon, Boston, Mass.; Donald Neu, Dayton; Reuben Sacks, Dayton; Robert Schantz, Chicago.

Notice California!

The motion pictures of the Dayton-St. Marys game are going to California! On April 9 they will be mailed to Chaminade high, Santa Cruz. Thereafter they will go to Brother Matt Betz, St. Joseph high, Alameda. Arrangements for a showing can undoubtedly be made with these schools.
GOFL

"Golf or no golf?" is the question confronting every U.D. student at the present time. When the spring sports schedule was announced Athletic Director Baujan stated that no appropriation had been made for intercollegiate golf.

Naturally this news was badly received by the students—especially the three returning veterans from last year's team. Showing an admirable school spirit, these three men volunteered to pay all the expenses if the university would again sponsor a golf team. Athletic Director Baujan approves of the plan but the final approval rests with the athletic board of control. In the meantime Don Bootes, George and John Humm, returning veterans, are practicing for a season which isn't yet officially a season.

Reason for the elimination of golf from the budget is that the intramural athletic program has been expanded so greatly that the money formerly used for golf is now applied to intramurals.

U.D. has been a power in golf ever since 1931, the first time an Ohio state intercollegiate tournament was ever held. The Flyers have won four individual and four team state championship titles since then. The all-time record for U.D. golf is 78 matches won, 21 lost, and three tied.

SPRING FOOTBALL

Spring football practice began in earnest March 1 under the direction of Coaches Baujan, Carter, and Tschudi. Nineteen veterans and 40 freshmen reported.

What sort of a team the Flyers will have next season is highly problematical. The loss of veterans such as Jack Padley, Tony Furst, Larry Knorr, Joe Thomas, Jean Stapenhorst, and Bob Reidel by graduation will wreck last season's powerhouse entirely. The success of the 1940 Flyers will depend entirely upon the sophomores. While freshmen, these men were hailed as being the greatest football material to hit U. D. since the freshman days of Jack Padley. Whether this is actually true remains the question that only next season will answer.

While the 1940 team will undoubtedly be composed mainly of freshmen, there will be some veterans who should shine brightly. Val Pernush, Joe Paluzzi, Charles Zwiesler, and Ervin Pangallo, a transfer student from Cincinnati U., should see plenty of action in the backfield. On the line, Veterans Carl Costell, Harry college, However, the Flyers, undaunted, took to the road again and met the University of Toledo, one of the greatest teams in the state, at Toledo. They provided somewhat of a moral victory by turning in 41-34 final score even though it favored the Rockets of Toledo.

The following evening the courageous band of Flyers met the Ohio Wesleyan Bishops on their own floor. Tired and travel worn, the Hilltoppers by sheer fight led during the entire first half. In the second they lost the lead only to have the lead change hands five times more. Unfortunately, it was the Bishops' turn to hold the advantage as the final gun sounded, but the brave Hilltoppers had no reason to bow their heads at the 36-33 final score against them.

SPRING SPORTS

With the appearance of robins and red birds the baseball and track squads began their drills. First baseball game is scheduled for March 30 while the first track meet on April 20 is still far away.

Coach Baujan should have a strong baseball squad except for one big question mark. He has only two veteran pitchers, Jean Stapenhorst and Glen Smolka, returning from last year, and the six other candidates for this position are of unknown quality. However, both the outfield and the infield will be composed of veterans who proved last year that they are good both defensively and offensively.

Coach Tschudi is very pessimistic over the prospects of his track squad. (Continued on page 8)
**Officers Are Nominated**

In an overwhelming vote of confidence which was more than justified in the light of his past record of loyalty and unflagging cooperation, Judge William H. Wolff '31, was placed at the head of both slates selected by the two nominating committees who met separately at the Miami Hotel, Dayton, Tuesday, March 19.

Judge Wolff, who was elected President of the University of Dayton Alumni Association for a two year term in 1938, finds himself almost assured of re-election for another two year term by virtue of his having been nominated for the presidency by both nominating committees.

In accordance with the constitution of the Association, one nominating committee of three members was appointed by the president consisting of Messrs. Hugh E. Wall '88, Francis Hollencamp '29 and Robert Lange '32 (absent). The Board of Directors' nominating committee included Harry C. Anderton '09, Elmer Will '37 and Louis Mahrt '26 (absent). Behind locked doors and in separate chambers, these committees nominated the slates from which the officers and directors of the Association and the Board of Athletic Control will be voted upon by the Association members at the annual election to be held by mail ballot in May.

Judge Wolff was the only nominee for President; William Reynolds '29, Philadelphia, was the only nominee for Treasurer, and Charles Pfarrer '27, Dayton and William Carolan '27, New York, were the nominees for Vice-President. The complete slates will be found elsewhere on this page and will be carried in each issue of the Alumnus until the ballots go out to the membership. Official election announcement will take place at the annual meeting of the Association tentatively set for Saturday night, June 8, in Dayton. This date is being strongly considered because of the elaborate outdoor symposium of civic, state and national significance planned for the afternoon of June 8 and the fact that both the Board of Directors and Commencement programs are scheduled for the next day. This would lend added attraction to the “homecoming” of old grads and would make for an entire week-end of appropriate celebration.

Due to the fact that Alumni elections were foregone in 1937 and 1939, the Board of Directors and the Board of Athletic Control are each populated by four members, terms expired, who are acting in temporary capacities pending election of successors. That is the reason why each slate shows nominees for “short terms” of two years on both Boards along with the nominees for the regular three year terms.

In addition to the slates printed on this page, nominations may be made by the membership as outlined in Article 9, Section 3, of the Constitution, Election of Officers and Directors, which reads as follows: “Any ten members in good standing (not more than five of whom shall reside in the same county) may by petition to the secretary, prior to April 20, make other nominations. Such nominations shall be included with those of the nominating committees, and handled in the same manner.”

---

**These Slates Were Nominated**

### SLATE No. 1

**President:**
Judge William H. Wolff '31, Dayton.

**Vice-President:**
Charles Pfarrer '27, Dayton.

**Treasurer:**
William Reynolds '29, Philadelphia.

**BOARD OF DIRECTORS**

3 Year Term:
- Walter Reiling M.D. '30, Dayton.
- Leon Deger DD.S. '10, Dayton.

2 Year Term:
- Joseph Goetz, Cincinnati.
- Matt Marzluft '28, Oakland, Calif.

**BOARD OF ATHLETIC CONTROL**

3 Year Term:
- Herbert Whalen '09, Dayton.
- Louis R. Mahrt '26, Dayton.

2 Year Term:
- Ned Grimes '04, Chicago.
- Leo Spatz '28, Dayton.

### SLATE No. 2

**President:**
Judge William H. Wolff '31, Dayton.

**Vice-President:**
W. P. Carolan '27, New York, N. Y.

**Treasurer:**
William Reynolds '29, Philadelphia.

**BOARD OF DIRECTORS**

3 Year Term:
- Walter Reiling M.D. '30, Dayton.
- Charles Whalen '07, Dayton.

2 Year Term:
- Elmer Will '37, Dayton.
- George Pflaum '25, Dayton.

**BOARD OF ATHLETIC CONTROL**

3 Year Term:
- Merle P. Smith '25, Dayton.
- Huston Brown '20, Dayton.

2 Year Term:
- Robert C. Payne '34, Cincinnati.
- Ned Grimes '04, Chicago.

---

**Let's Talk Reunion!**

If present plans materialize—plans calling for a general Alumni meeting to be held Saturday night, June 8, in conjunction with the many events scheduled for “40th Anniversary Week,” it would seem the ideal time for individual class re-unions. The individual classes should hold their meetings prior to the general Alumni conclave.

According to the Constitution,

1890—Hon. Harry Ferneding, 125 Wisteria Drive, Dayton.
1895—Andrew A. Hellmuth, 212 M & M Bldg., Springfield, Ohio.
1900—(C. C. Adams, deceased.)
1905—Charles Kenning, 3116 St. Paul Blvd., Rochester, N. Y.
1920—Orville Wunderlich, 50 W. Maplewood Ave., Dayton.
1925—Dr. Wilbur Yaakley, 661 Far Hills Ave., Dayton.
1925—Merle P. Smith, 1245 Cumberland Ave., Dayton.
1935—James A. Connelly, University of Dayton, Dayton.
1937—Elmer Will, Miami Hotel, Dayton.
Letters from the Alumni

Dear Jim:

Please send me a list of the Alumni residing in the Detroit area. If you like I will make any necessary address corrections by means of the City Directory. My Alumni list has several incorrect addresses in it. I found this out recently.

I spend all of my available time speaking, writing and being generally active in the K. of C. I also spend considerable time in Catholic Action work.

Write and tell me the Dayton news and I will keep you informed. I received a letter from Anthony Pozelnick '35 of Cleveland last week. Alfred F. X. Agajan '35 corresponds with me regularly. He is in Yokohama, Japan.

If I can be of any assistance to you do not hesitate to call on me.

John A. Fisher '35
7280 Senator Ave.,
Detroit, Michigan

Dear Jim:

Enclosed please find my check for dues to the Alumni Association for this year.

The Chicago club is meeting Wednesday, March 6, for the election of officers. I will let you know the results. Regards and best of luck to the Alumni.

John J. Ladner '30
207 W. Madison St.,
Chicago, Illinois

P.S.: The Mootts ride again!

Esteeemed Friends:

I will deem it an honor to have the U. D. debaters as my personal guests, at the Gotham hotel, when they are in St. Petersburg. Here's hoping these lads hold high the standards of the old school and come out on the big end in this debate.

It's been a long time since last I was in Dayton. Please remember me most kindly to the Brothers and Priests of my time. I still recall with great delight the day Mt. St. John had open house, when that institution was first opened. Please remember to convey my wishes there, too.

I assure you I will do my part in helping these boys have a good time while here and I hope that I may serve them while in St. Petersburg. With kind good wishes to you all, I am

J. D. Leonard '11,
Mgr. Hotel Gotham,
St. Petersburg, Fla.

Dear Sir:

I have always had a warm spot for good old U. D. and I have often thought of dropping in on the old stamping grounds but something always turns up to mar my good intentions.

Some day in the near future I hope I will be able to realize this dream. With kindest aloha and best wishes for your success, I am

Henry Lai Hipp '18
Representative to the Twentieth Legislature of the Territory of Hawaii.

Dear Dr. Wohlleben:

Thank you for your Christmas letter. I always look forward to the news it brings. I have been rather neglectful in keeping in touch with you, so I will give you the low-down on myself.

The last time I talked with you I was working in Texas but in the fall of 1937 I enrolled at the University of Oklahoma, getting my Master's degree in Chemical Engineering there in 1938. In August, 1938, I started working for the National Refining Company at their Findlay refinery. I am doing research and development work at the present time and like it very much.

W. C. Mitchell '31
National Refining Co.,
Findlay, Ohio

Dear Dr. Wehrle:

Ever since the Company made me its South Carolina representative I've been handkerking to get a look at your 1940 southern debate team. Even as I write this I know you're probably encouraging, criticizing and moulding more fine debate teams out of kids at first afraid to talk.

If it's at all possible, I'd like to see one of those teams and add to the size of the audience. If I know soon enough, it isn't any trouble routing myself in their path and in my 1940 Oldsmobile I may be able to add to their pleasure while they visit here.

I sincerely hope you meet every success this year and I'll be rooting for you. Best wishes,

Gene May '39

Our Yesterdays

33 Years Ago—March, 1903

The first band (St. Mary's Amateur Band Association) was organized by Brother Louis Vogt.

Harry C. Busch '96 represented the Alumni with a stirring oration on the occasion of the dedication of the Jubilee Monument.

The Chicago club met recently at the Palmer House. Among those present were Edward M. Kahoe, Math. N. Blumenthal, Alex Schoen, Elmer Bergk, Oscar C. Miller, Joseph A. Zangerle, Corp. Joseph A. Zorn and Ed C. Schoen.

Among the recent graduates:

James Edward Grimes is following Electrical Engineering at Western Electric in Chicago. Morgan L. Trainor is studying law under his father, Attorney M. B. Trainor of Greenville. Victor Schlitzer has been offered "a very high salary" as pitcher for the Harrisburg (Penna.) team.

25 Years Ago—March, 1915

In the same issue of the Exponent appeared two articles entitled "A Plea for American Neutrality" and "Freedom of the Press". (Ed. Note: Did we say this was twenty-five years ago?)

Still another editorial torch was carried into a dark place by a "viewer with alarm" who belabored in no uncertain terms the ever-growing vice of "smoking among college men". One of the strongest points in the tract was this, "Why don't the women smoke? True, they used to but rarely is it practiced in good society." (Ed. Note: Yes, we guess it was twenty-five years ago.)

The Flyer basketball team climaxed the season with a fine victory over previously unbeaten Muskingum, 46 to 23. However, a great Western Reserve team toppled our boys, 28 to 25. Speaking of basketball, a team called the "St. Mary's Cadets" was making life miserable for amateur teams in this area.

10 Years Ago—March, 1930

Zez Confrey was booked for the "Second Annual Junior Prom." The dance was to be held in the recently constructed Biltmore Hotel ballroom. Agitation was under way among the undergraduates for the re-establishment of the U. D. News. William F. Keane was Editor-in-chief of the Exponent.

Robert Lee (Tuffy) Bramlage was recovering from an attack of pneumonia.

The Flyers defeated Xavier 20 to 19 in a thrilling overtime engagement. The basketball season was brilliantly climaxed by a 20 to 12 conquest of the University of Detroit on the Titan's home floor.
With the Alumni Clubs

IMPORTANT NOTICE—MIAMI VALLEY
(Final Announcement)

Alumni in the Dayton area will hold a reorganization meeting on Monday night, April 8, at 8 P.M.!

The meeting will take place in the clubroom of Chaminade Hall (entrance just off Old Varsity field). Those invited include all graduates and former students of the University who reside in Dayton or within commuting distance of the city. Residents of the following communities are especially invited:

Eaton, Troy, Piqua, Miamisburg, West Carrollton, Franklin, Middletown and Springfield.

The meeting is being called by Judge William H. Wolff, President of the Alumni Association, who is firmly of the belief that graduates and former students in this area are eager to organize and are only waiting for the invitation. It is Judge Wolff's further belief that membership in this particular chapter should not be limited to residents of Dayton but rather should be made available to the entire "Valley." Instead of being known as the U. D.-Dayton Club, as was formerly the case, the club might be known as the "Miami Valley Chapter" of the University of Dayton Alumni Association. By right of his position as Alumni President, Judge Wolff will preside over the organization meeting. If it is the will of the assemblage, the Miami Valley Chapter will be formed and officers will be elected. However, if it is so ordered, these matters may be deferred to a later meeting.

Rev. John A. Elbert S.M., President of the University, will tell of the tremendous strides the University is making. Also the beautiful all-technicolor slow motion pictures of the Dayton-St. Marys football game, played on the Coast last fall, will be shown.

Refreshments will be served. It has been suggested that each person in attendance drop a two-bit piece in the hat to defray this expense. Considered on the basis of the very successful local meetings which were held in years gone by there is every reason to assume that the Miami Valley Chapter—1940 edition—will be "bigger and better than ever!"

TOLEDO

Despite the frigid clime and a near blizzard, a handful of the faithful was on hand the night of February 26 to cheer on the game but losing Flyers in their battle with the Toledo U. Rockets. After the game an informal gathering took place at the Hotel Fort Meigs.

Among those present were Jim McCarthy, John Bagdonas, Adolph Tscherne, Augustus Quatman, Elmer Bache and Lars Wagner, Walter Zolg and William T. Malone (who asked to be especially remembered to his old room mate, Ed Longo) telephoned their regards. Bill Malone is particularly interested in the organization of an active University of Dayton-Toledo club. Any grad in the Maumee City area interested in such a move are urged to contact Bill at 2138 Upton Avenue in Toledo.

WASHINGTON

Joseph E. Keller '28 of the Washington law firm of Dow and Lohnes in the Munsey Building, writes to say that he is interested in the formation of a University of Dayton-Washington club and has tentatively arranged an organization meeting for April 20. He is also interested in the formation of a Chaminade Society in accordance with the plans which are being advocated by Dr. Molz' brother, who is in Baltimore. Joe also arranged to meet student debaters Wool and Kirby on their Eastern junket and fixed the young men up with theater tickets.

CHICAGO

The University of Dayton-Chicago club met at Sieben's Bier Stube on Wednesday, March 6, and elected John J. Ladhner '30, president; Herb Hart '28, vice-president and Dan O'Keefe '36, secretary-treasurer.

The Club is planning its next meeting for Wednesday, April 3, at a place yet to be selected, Father Elbert and Father Friedel plan on being in Chicago at that time. In addition it is planned to have slow motion movies of one of the Flyers' 1939 football games.

Any former student residing in the Windy City area, interested in joining the Chicago club, is urged to contact club secretary, Dan O'Keefe, Loyola University School of Social Work.
Class Notes

1904—Sympathies are extended to the widow and son of Dr. Francis Wong Leong, who departed this life within the past year. The son, Joseph, physical image of his father, and Mrs. Leong, were guests during the past summer of the family of Paul Schumacher '34; of Far Hills Ave., Dayton.

1910—W. E. Henrich of 1919 Lawn Ave., Bond Hill, Cincinnati, was a campus visitor on February 22. Mrs. Henrich accompanied him. A former classmate of both Father Renneker and Brother Matthias Haas, Mr. Henrich received his Master of Education degree from the University of Cincinnati in 1939.

1911—J. D. Leonard, manager of the Hotel Gotham, St. Petersburg, Fla., read in his home newspaper that student debaters were to be in St. Petersburg last week. He immediately wired Father Elbert inviting the debaters, Joseph Shimaneck, Chicago, and John Chalmers, Honolulu, T. H., to be his personal guests during their stay in the Sunshine City. The young men report having had a wonderful time and wish to make public their deep appreciation of Mr. Leonard’s hospitality.

1914—His Excellency, the Most Reverend Frank A. Thill, Bishop of Concordia and first native of Dayton to be raised to the hierarchy, celebrated the twentieth anniversary of his ordination to the priesthood on February 28.

1915—Lawrence Strattnier (B.A. '11, B.S. '15) was a campus visitor on February 29. Mr. Strattnier was making his first visit in several years. He was greatly impressed with the many improvements everywhere apparent on the campus. He has three sons and one daughter.

1919—Charles Wassenich of the Ohio State highway patrol was a campus visitor on March 4. Charlie, who looks very impressive in his blue and grey trooper’s uniform, asks to be remembered to his old friends and is particularly desirous of organizing a reunion of the 1918 unit of the Students Army Training Corps. A letter has been dispatched to the Adjutant General of the Army, War Department, Washington, D. C., in an effort to obtain names of the members of the unit. Charlie is stationed at present in Troy, Ohio.

1925—Vince Koepnick is in the Advertising and Sales Promotion department of the Standard Register Company, Dayton. Vince was a campus visitor on March 9.

1926—Jack R. Brown became the father of a fine baby girl, Barbara, on March 4.

1929—Frank J. Macklin, who joined Eastern Airlines in June, 1938, has been appointed to assume the duties of a newly-created position of Sales Manager. He will be located at executive offices, 1775 Broadway, New York. He is married, has one daughter and is a member of Delta Pi Kappa fraternity.

1932—Capt. William Hoefer has been assigned to the administrative work of the CCC camp at St. Paris, O. Hoefer had recently been connected with the city and county relief administrations in Dayton.

John R. Ferree is in charge of production of paints and enamels at the Argentina, S. A., plant of the Sherwin-Williams Company. His home address is Casilla de Correo 1668, Buenos Aires, Argentina.

1933—Henry Brusman, resident of Vandalia, Ohio, has been appointed United States Deputy Marshall.

1934—Wesley E. Snyder, representative for the Standard Register Company, Dayton, is residing at 409 N. 25 St., Birmingham, Alabama. Dr. Ralph J. Deger, D.O., Dayton, will marry Miss Edna Ford in April. Sympathy is extended to Robert Collins on the death of his father, Leo J. Collins. Mr. Collins met his death in an auto crash in Cleveland on February 15.

1935—Mr. and Mrs. Ed Malloy (Thelma Brokschmidt) are announcing the birth of James Henry. The family resides at 3409 N. Main St., Dayton. Nelson Ruddy is associated with the Kroger Grocery and Baking Company. His home address is Cor. Henderson and Olentange Blvd., Columbus, Ohio.

1936—Verne Malloy is a representative of the Dayton office of the Canada Life Insurance Company. Duane Stump, who obtained his Master's degree at the University of Pittsburgh, is with the Consolidated Millinery Company of Hartford, Conn. Tim Wholey has been transferred from Cincinnati to Dayton by the International Harvester Company, Truck Division, Tim was a recent campus visitor, R. J. Ashman, representative with the Standard Register Company, is living at 16 Pine Circle, Apt. C., Atlanta, Ga. Martin Frederick Kuhn is doing Chemical Research work at a Niagara, N. Y., industrial plant. When the U. D. debaters met Niagara U. recently, Fred was on hand to meet the "boys from home". Jack Wick, Jr. proudly notifies us of the birth of a baby boy on March 18. The Wick family resides at 3601 S. Lewis St., Tulsa, Oklahoma. Jack is with the Gulf Oil Company.

1937—Leonard Baker is with the auditing department of the Standard Register Company, Dayton, Ohio. Robert Connelly is representative of the Addressograph-Multigraph Company in Dayton.

1938—Louis Darbier has returned to his native soil to fight with the French army.

1939—Don Coan is doing graduate work in the Pittsburgh University School of Retailing. Don Malloy is doing Social Work with the Division of Public Assistance in Dayton. Walter Steffen, doing graduate work at Notre Dame where he hopes to complete his candidacy for the Master's degree in Philosophy and English by September of this year, was a campus visitor on March 20.

Spring Sports (Continued from Page 4)

Only outstanding returning veteran is Jack Padley, who holds the U. D. stadium record of 9.8 seconds for the 100 yd. dash, and Tschudi mourns all the more since he has heard that Padley will also be on the baseball squad this spring. There is one consoling note, though. Several sophomores who were high school stars have reported and perhaps some track stars will be developed from among the number.
