A Year of Faith and Your Faith

Pope Benedict XVI declared that a “Year of Faith” will begin on October 12, 2012 and will conclude on November 24, 2013. So what does that mean exactly for us Catholics? According to the United States Bishops, “During the Year of Faith, Catholics are asked to study and reflect on the documents of Vatican II and the catechism so that they may deepen their knowledge of the faith.” In other words, the Year of Faith is a time to experience conversion in your faith life; to grow closer to Christ and to renew that relationship with Christ.

In what ways can we renew our faith besides reflecting on the Vatican II documents and the catechism? First, think of faith as a journey. A journey can be difficult on your own. That is why we are advised to walk with others on this journey. Ask a friend, your roommate, your brother or sister, or someone you trust to walk this journey with you. Take time out of your day to reflect on a Gospel reading (usccb.org), and then discuss it afterwards.

Faith is a journey that is constantly moving and changing. Campus Ministry provides many ways that you can grow in your faith life. Whether it’s going to daily Mass, joining a faith-sharing group, attending Lenten programs, or simply sitting down with a campus minister. Take a moment and enjoy the journey!
