Dear Alumnus:

The last petition for pictures in the Alumnus’ “snazzy snapshot sweepstakes” brought several new entrants. However, when the judges came out of a long and brain-taxing huddle it was found that first prize of $5.00 was awarded to one of the first entrants in the contest, Rev. August Frische of Clayton, Missouri. So laurels and garlands are in order for Father Frische, whose collection of photos comprise a rare bit of Daytonia vintage 1904-1909. See Father Frische’s letter elsewhere in this issue. The pictures will appear in these pages from time to time.

The big news of course is the annual alumni meeting and Symposium on Saturday, June 8. The complete story is told on page 3. And more big news! For the first time in University of Dayton Alumni history an organization or chapter, exclusively for women, exists (see page 5). The old order changeth and etc., etc.

This is the last call for votes in the annual alumni election! 3 P.M., Saturday, June 8, is the absolute deadline for receiving ballots. The votes will be counted by the referees immediately after the Symposium and the results will be announced at the annual Alumni meeting in Chaminade hall clubroom at 8 P.M. This should be the best attended annual meeting in many years. Already one complete chapter — Cincinnati — has pledged attendance, and letters from as far off as San Antonio, Texas, have come in telling us we may expect a large crowd of returning Alumni. It looks like a gay gathering for the weekend. Will you be here?

HON. HARRY N. ROUTZOHN WILL REPRESENT NATION AT ANNIVERSARY SYMPOSIUM

Hon. Harry N. Routzohn, representative of the Third Ohio district to the Congress of the United States, will represent the nation at the Symposium to be held in the Stadium, Saturday afternoon, June 8, commemorating the 90th Anniversary of the University.

Congressman Routzohn’s selection is a particularly happy one, in that he is a native Daytonian, is a former professor of law (1924 through 1929) at the University and is the father of Norman E. Routzohn, LL.B., ’28.

Elected in 1938, Mr. Routzohn has distinguished himself in the House of Representatives through his work on the following committees: World War Veterans’ Legislation, Pensions, and Revisions of the Laws. His column, “With Your Congressman in Washington,” runs weekly in the Dayton Journal and is popularly received.

Mr. Routzohn has always had a warm spot in his heart for the University of Dayton. During his present incumbency he has been the donor of many gifts to the Albert Emanuel library. These gifts take the form of books produced by the Government. His last visit to the campus was in the summer of 1939, at which time he addressed the cadets and spectators in attendance at the Pershing Rifle drill meet held in the Stadium.
90th Anniversary To Be Celebrated on June 8

The 90th anniversary of the University of Dayton will be saluted publicly at a Symposium of City, State and National figures to be held in the Stadium on Saturday afternoon, June 8, at three-thirty. The Symposium will climax Anniversary Week, which includes Open House, Sunday, June 2; daily programs at all Dayton noontide clubs; annual meeting of Board of Lay Trustees, Friday, June 7; annual meeting of general Alumni organization, Saturday night, June 8; Baccalaureate, Sunday morning, and Commencement, Sunday afternoon, June 9.

The Symposium is designed to pay public tribute to the University for its 90 years of service in the community and to set the scene for a "decade of progress" culminating in a glorious Centennial in 1950. A handsome twenty-page souvenir booklet is being prepared for the Symposium and this brochure will be made available to the Alumni at a later date. It tells in a dramatic way the colorful history of the University; points out its aims and ideals; indicates clearly what must next be done in the University's progress march. The book is fully illustrated, Every Alumnus will cherish it.

Invitations to the Symposium have been accepted by the following personalities: Hon. Harry N. Routzohn, representative from the Third district, Ohio, to the Congress of the United States; J. N. Dietrick, director of the State Department of Education; Victor Emanuel '15, New York; Mayor Charles J. Brennan. There will be a representative of the Archdiocese in the person of Bishop George J. Rehring, and Rev. Walter C. Tredin, Provincial, will represent the Society of Mary, Lt. Gov. Paul M. Herbert has been invited to represent the State of Ohio.

The Symposium will open with full academic procession including the visiting dignitaries, faculty and seniors in cap and gown. The stage will be set up on the playing field; spectators will take seats in the North Stand. The program gets under way promptly at 3:30 P.M. Every Alumnus who can possibly do so should be present on this day of days when representatives of civic, industrial, educational life and the clergy meet to pay homage to the University of Dayton. The general public is cordially invited.

FOOTBALL

The "St. Mary's Peers," composed of the veterans who tied the Galloping Gaels last fall, defeated the freshmen, 5-0, in a football game providing a climax to spring practice, April 26. The margin of victory was a second-quarter field goal by sophomore end, Beno Keiter.

The freshmen threatened to forge ahead twice, once in the third and once in the fourth quarter. However, on both occasions the Peers stopped the 1940 varsity on the nine-yard stripe.

The game was played on fairly even terms. The freshmen appeared to be very strong and since almost all sophomores and juniors played for the Peers, the closeness of the final score seems to indicate that the 1940 Flyer eleven should be very strong.

Biggest disappointment for the fans was the absence of the Philly Phantom, Jack Padley, from the lineup of the Peers. Jack was out of the lineup as a result of a head injury he received when he collided with a tree in patrolling the outfield for the Flyer baseball nine two days earlier. The injury later proved not to be serious.

BASEBALL

During the past month the Flyers stretched their season record to six wins and four losses. Victories have been scored over Cedarville, Miami, Xavier, Ohio Wesleyan, Ohio U., and Cincinnati. The Flyers have bowed before Cincinnati, Ohio U., Wilmington, and Wittenberg.

Reviewing the season record briefly: First game with the Miami University Redskins and the most thrilling of the season to date, U. D. scored two runs in the first frame to give Pitcher Stapenhorst an early advantage. The Redskins came back in the third to tie the score at 2-2. However, the Flyers pushed a run over the plate in the sixth to give them the game, as no more runs were scored by either team. Pitcher Stapenhorst allowed the Tribe but three hits, while his teammates garnered seven.

Then the U. D. nine went into a tailspin and lost three straight contests. Cincinnati nosed out the Flyers, 7-6, as a result of listless playing by the Flyer nine. Adding insult to injury, little Wilmington College stepped out in front of Baugian's nine, 6-4. Before the Flyers came out of their spin, they dropped a 12-2 contest to Ohio U.

However, once the Red and Blue nine came out of its spin, it really did some high flying.

Xavier, boasting of one of the best teams in the state, was the first victim, 9-2. Ohio Wesleyan fell in line, 8-1, followed by Ohio U., 2-1, thereby giving the Flyers revenge for their earlier defeat at the hands of the Bobcats. It remained for an undefeated Wittenberg nine to break the Flyers' winning streak. Dayton held the lead until the sixth of this game, but at that time the Lutherans scored six runs and the final score was 10-4 in favor of the Springfield team.

In the next game the Flyers avenged a previous defeat by trouncing Cincinnati unmercifully, 16-3. Stapenhorst went the route for the Flyers. Remaining games on the schedule with Miami and Cedarville were rained out.

TRACK

In spite of gloomy pre-season prospects, the Flyer track team finished the season with a record of three victories in the three dual meets in which it engaged and thirds in each of the two triangular meets in which it entered.

The third in the triangular meet with Ohio Wesleyan and Albion was reported in the April Alumnus. Then the Red and Blue thirlies defeated the weak Wilmington College Quakers at Wilmington. The first triangular meet held in the U. D. stadium since 1931 found U. D. again taking a third. This time, however, the Flyers made a remarkably good showing against the strong Wittenberg and Wittenberg squads by garnering 45½ points. Cincinnati Bearcats finished in front of Wittenberg.

Then another victory over Wilmington followed. This time the Flyers outclassed the Quakers, 87-44. Jack Padley took three firsts, one second, and a third to top individual scorers.

To wind up the season, Padley took five firsts and accounted for half of the Dayton score of 51 points in the last track meet of the year, which was with Cedarville at Dayton. Cedarville scored 39 points.

GOLF—TENNIS

In spite of much ado earlier in the season about whether or not U. D. would have intercollegiate golf and tennis, some competition in both sports was met by the Flyers the past month. The golf team has won three matches and has tied one, while the tennis team lost its single match. The mashie swingers inaugurated the season by tying Miami at Oxford.

The Flyers showed much improvement in their second match and defeated a strong University of Detroit team, 10-8, at Dayton. In spite of the Hilltop victory, medalist honors went to Detroit's number one man, Babbish, who is the former Western Amateur champ. Then the Red and Blue

SAN FRANCISCO

Dear Jim:

Heeding your desperate appeal in the April issue of the "Alumnus" for pictures of the scholars of the old school, I took my little Brownie to see what I could see.

It so happened that I learned that a meeting of some of the members of the California chapter of the Dayton Alumni was to be held on May 12 at the ranch of the Fresno Pork Tycoon—Ray Tyler. So there I went to snap a few snaps.

Enclosed are a few of the results. Ray, as you will no doubt remember from last year when you were out here with the team, is a very loyal and enthusiastic booster for U. of D. However, Ray feels that there are not enough "rooters" for Dayton on the West Coast, and he plans to solve that little problem by raising his own "rooters," as you will note from one of the pictures enclosed. I make this explanation so that the "Dayton" pennant which appears in the picture will not be misunderstood or misinterpreted.

Matt Marzluft thinks Tyler has a good idea so adds his hope that they grow up to be big, strong "rooters."

The other picture shows the boys at ease, and I hasten to add that those are real lemons at Matt's feet.

So there you are, Jim. California has tried to do its bit to help you out.

MIAMI VALLEY ALUMNII Chapter

The organization meeting of the former women students of the University was held on Sunday, May 19, in the Women's Lounge in Chamiodale hall at which time Eileen Fiel '39 was elected president of the Chapter to serve for a one-year term. Also elected were Martha Welhener '39, vice-president; Virginia Finke '40, secretary, and Mary Sharkey '40, treasurer. Completing the Executive Committee are Agnes Drew '40, elected for a two-year term in charge of publicity, and Mary Graziano, elected for a one-year term in charge of activities.

Membership is open to all former women students of the University. Social meetings are scheduled for the first Saturday in each month at 12:30 P.M. in the Mayfair room of the Van Cleve hotel. The group also plans many other functions for the immediate future.

Rev. John A. Elbert welcomed the score of former women students to the University. Sister Marie St. Eleanor, Dean of Women, also addressed the group. A tea, at which members of the senior class acted as hostesses, followed the meeting.

MIAMI VALLEY ALUMNI CHAPTER

The second meeting of the newly formed Miami Valley Chapter was held Monday, May 20, in the Chamioade hall clubroom. Presided over by President Tod Makley and attended by upwards of seventy-five alumni, the meeting was an outstanding success in every sense of the word. Mr. Makley outlined a constructive program embracing the aims of the organization for the coming year which had been developed by the officers. This plan was met with unanimous approval of the Chapter.

Huston Brown and Tod Mumma were appointed to the Executive Committee and the following committee appointments were made: Program, Jack Brown, Chairman; Paul Moorman, Oliver Kuhl, Arthur Scarpelli, John Newsok; Activities, Joe Poelking, Chairman; Michael Usas, Elwood Follick, Jack Foose, George Walther; Grievance, James Hall, Chairman; Benjamin Patterson, Dan Hobbs, Dan Adams, Hugh Wall, Jr.; Welcoming, James Connelly, Chairman; Harry Finke, Clem Jauch, William Keane, Merle Smith, Russell Summers, Robert Gray and Orville Wunderlich.

The Chapter pledged to the support of the Symposium and to the Annual Alumni meeting on Saturday, June 8. Father Elbert gave an inspired message to the group, after which the meeting adjourned and a pleasurable program of entertainment followed. The next Chapter meeting was set for mid-August.

Our Yesterdays

35 Years Ago—May, 1905

A stinging editorial in the Exponent anent the Russo-Japanese war contained the following: "Remove the Czar and the autocrats that surround his throne and allow the peasants to declare for or against a continuance of the war." Singularly prophetic, for a few years later the peasants themselves removed the Czar and the autocrats—and sanity.

L. E. Orendorf '93, was named secretary of the Dayton branch of the Alumni Association. The annual banquet was set for June 20.

A feature of the annual Alumni reunion and meeting was a baseball game between the old "Old Boys" and young "Old Boys." The oldsters' line-up was as follows: Henry Unverferth, Joseph Fennedy, John Graves, John M. Kramer, Albert Hochwalt, Charles Swadener, Theodore Lienesch, Charles A. Bueker, Doc Averdick. The youngsters' team was as follows: Rudolph Schnebel, Doc Hochwalt, Harry Fennedy, R. P. Burkhardt, Jr., S. F. Bueker, Dick Hollenbach, Louis Moosbrugger, Wm. Stockelkamp, John Maher. (Joseph Walter was appointed official undertaker and head of the ambulance crew.)

Shillos, a team composed largely of Alumni, defeated the varsity in baseball, 6 to 4. Malloy pitched for the Flyers; Emerich was the catcher.

25 Years Ago—May, 1915

Another article went into the intricacies of that mechanical marvel—the spark plug. (Ed. Note: This has nothing to do with Mr. Google's horse.)

Another article scored the sundry pseudo "humane" societies that were all for throwing American resources into the cause of caring for wounded horses on the battlefields of the Western front.

The first graduates of the newly established Engineering College obtained degrees June 15.

The St. Mary's Cadets defeated Springfield 11 to 8, and Sidney 4 to 1, in baseball. The Varsity lost to Saginaw (champion minor leaguers of Michigan) by a score of 7 to 0. "King Harold" was well portrayed by the Dramatic Club under the direction of Father Kunnecke, Mt. St. John Normal School was in the process of construction.

10 Years Ago—May, 1930

The Graduate Dinner was arranged for June 3 at the Engineers' Club. Father O'Reilly, Merle P. Smith, secretary; Wm. Keyes and other prominent alumni appeared on the program.

John Connelly was elected president for the Junior year. Paul Rion was elected vice-president; Eugene Zolg, secretary, and Andrew Schroeder, treasurer. Barth Snyder was awarded the President's Cup for debating.

Adam Westerkamp pitched a beautiful one-hit game against Cedarville, winning 8 to 0. Westy also did a perfect relief job against Wilmington as the Flyers downed the Quakers, 5 to 3.

The track team lost dual meets to both Earlham and Wittenberg.

The students were polled on the burning prohibition issue. 185 voted for complete repeal; 128 for modification; 28 for enforcement.

"Clouds Roll By," a beautiful musical production, played to two capacity houses at Julienne auditorium.

Bro. Francis Ruhlan, librarian of Albert Emanuel library, asks us to petition Alumni for single copies of the U. D. News and Exponent, also bound volumes of the Exponent where available of the following issues: Exponent: Years 1919-20-21-22. (Albert Emanuel library has one bound volume of each of these years but no extras. The Dayton public library is petitioning us for a complete set of Exponents and we are unable to supply the above years.)

The U. D. News was published prior to 1929, probably for a year or less. There is not a single copy existent on this campus of those first issues. Will some kind-hearted Alumni with a thought for posterity delve through his college memoirs and make up our loss to us? Also any issues of the U. D. News for the period 1929-30 will be welcome. The earliest copy we have of the U. D. News is dated February 21, 1930, Volume 3, No. 1. This copy is likewise the only one we have of Volume 3. Any copies issued prior to the above date will be welcome.

Since the last issue of the Alumni, the following $4.00 membership payments have been made: John Connelly, John E. Ledger, Wilbur A. Yackley ($3.00), Dr. Thurman Lauenschlager, Dayton; William P.
