The 10th Annual University of Dayton & Miami Valley Hospital Symposium Student Committee

A Day of Dialogue at the 10th Annual University of Dayton & Miami Valley Hospital Healthcare Symposium

The 2019 University of Dayton and Miami Valley Hospital Healthcare Symposium was held Saturday, March 30th in John F. Kennedy Union (KU). It was attended by over two hundred healthcare professionals, community members, and students.

The morning program titled, "Integrative Approaches to Health and Healing," explored innovative approaches in patient care at a multitude of levels. Featured talks included Dr. Joseph Scherger's presentation on connections between lifestyle and health, Dr. Wayne Jonas' talk on how healing works, and Dr. Michael Fine's presentation on building an integrative healthcare system. The symposium also included local spotlight presentations on culinary medicine and the Maple Tree Cancer Alliance.

The morning symposium also included a student poster session featuring work from UD premed and premed undergraduate students currently enrolled in the MED 480 course and completing their capstone requirement. Their poster presentations featured a broad array of topics ranging from global medicine to community health.

The afternoon symposium featured four discussion panels and a medical school mock interview. The majority of our panelists were former alumni who returned to campus to share their experiences in health professional school and/or gap years with current students.

Congratulations to the Premed Senior Award Nominees!

Outstanding seniors who were nominated for the Premed awards are: Samantha Achauer, Ross Bales, Emma Clark, Sara Huber, Maria LaBello, Chase Sawyer, Amanda Schleper, and Olivia Stanforth.

The Joseph E. Scherger MD MPH Leadership in Medicine Award was presented to Amanda Schleper (pictured below with Dr. Scherger) at this year's healthcare symposium. This award is presented to a graduating premedical student who has demonstrated leadership toward improving the health of the public through better healthcare.

The Miami Valley Academy of Family Physicians Award will be presented to a graduating senior whose activities exemplify the philosophy of family medicine. This award will be presented at the College of Arts and Sciences Awards Ceremony in May along with the other Premedicine Awards, the Montgomery County Medical Society Award to the Outstanding Senior in a Premedical Curriculum and the Brother Francis John Molz Memorial Award for outstanding service sponsored by Alpha Epsilon Delta.

2020 ADEA AADSAS Application Dates:

The 2020 ADEA Associated American Schools Application Service application "soft launch" is on May 14. The soft launch provides applicants with three extra weeks to work on their applications and the opportunity to submit early. Early submission means your application will be among the first reviewed by dental schools since they review applications on a rolling basis.

You may submit your application starting on June 4th.

Your Fee Assistance Program (FAP) application can also be submitted for review starting on May 14 with decisions to be released on June 4.

The updated 2020 ADEA AADSAS application instructions are now available online at the following link: https://help.liasonedu.com/ADEA_AADSAS_Applicant_Help_Center

Contact ADEA AADSAS Customer Service at aadsasin-fo@aadsasweb.org or 617-612-2045 with any questions.

Upcoming Application Workshop either April 9 or 10

Applying to Medical or Dental school this coming summer? Attend the final application workshop in April. Two sessions will be offered, covering the same material. Sessions will be held in SC 114.

Attend only one on either:

- **Tuesday, April 9th at 6 pm**
- **Wednesday, April 10th at 6:30 pm.**

May 28th is the 2019 Applicant Open House at U of Louisville SOD

SAVE the DATE! All students planning on applying to dental school in 2019 are encouraged to attend an upcoming Admissions Open House hosted by University of Louisville School of Dentistry. This event will be held from 10:00 am to 12:00 pm on Tuesday, May 28. Tour state-of-the-art facilities from 10:00 am to 10:45 am with presentations on the DMD, research, speciality programs and "how to apply" beginning at 11:00 am.

Please RSVP for this event at:
<https://louisville.edu/dentistry/admissions/openhouse>

Contact by phone 502-852-5081 or by email dmdadms@louisville.edu with any questions about this event.

Pre- Chiropractic Club

The recently formed Pre-Chiropractic Club will be hosting an event featuring two successful chiropractors who will share information on chiropractic colleges and techniques for managing a practice.

This event will be held on Thursday, April 11th in SC066 (Science Center Basement) from 6 to 7:30 pm.

Timmy Global Health

Timmy Global Health is holding an advocacy event on women's health. Dr. Nancy Romer will speak about a variety of topics germane to women's health including hormonal control, health and fitness, vaccines, and OB-GYN visits.

This "Timmy Talk" will be held on Wednesday, April 10th in Art Street Studio C from 5:30 to 6:30 pm.

Winter 2020 International Medical Experience

Premedical Programs will be sponsoring a medical/dental/public health brigade to Panama and partnering with the organization Global Brigades for this program.

This program involves students completing a one credit graded course in Fall (MED 339) where we learn about the brigade, the people of Panama, we dive into global health issues and do fundraising to help offset the cost of the brigade.

MED 339 is scheduled to meet Weds. at 5:05 - 6:20 next fall.

Note - We have a beginning Spanish requirement for this program. Students will be required to show Spanish competency above the SPN 101 or SPN 131 level OR must take SPN 101 or SPN 131 concurrently with MED 339.

TIMELINE:

INFO SESSIONS: (Choose one) 114 Science Center

- **Tuesday, April 9 - 5:00 p.m.**
- **Wednesday April 10 - 5:00 p.m.**

Application Process Opens: April 2
Application Process Closes: April 15, 11:59 p.m.
Applications will be available at studioabroad.udayton.edu.

The brigade is confirmed to occur Jan. 2 - 10, 2020. More info along with pricing will be discussed at the info session.

If you are interested in applying for the brigade, please plan to attend one of the info sessions to get all the info you will need to decide if you want to apply

Americorps Programs as Gap Year Options

AmeriCorps programs provide multiple intensive service opportunities locally or nationally and are excellent gap year options. Opportunities in specific locations can be found by searching on their website at the following link:
<https://my.americorps.gov/mp/listing/publicRequestSearch.do>

Local and regional positions, including at Dayton Children's Hospital, are available to manage and create Health Professional Affinity Community programs in partner schools and support partner schools' programming to promote careers in health care. Send a cover letter and resume as soon as possible to avejjic@bw.edu. Call 440-278-0557 with questions.

Local positions also include the Dayton Corps that is run through the University of Dayton Fitz Center. Visit the following link for more information: <https://udayton.edu/artssciences/ctr/fitz/dayton-corps/index.php>

National positions are also available. If you are interested in serving in Florida, Kaitlyn Gallagher, who graduated from UD in 2018, is currently serving in the Northeast Florida program and can be reached at kg8045@gmail.com if you have any questions about this service opportunity. Further information may also be found at the website, www.nationalhealthcorps.org/florida

Family Resource Connection

The Family Resource Connection at Dayton Children's uses a patient's visit to the doctor as an opportunity to address the non-medical issues that have an impact on health. Student workers, called advocates, then reach out to families in need and connect them to community resources. Students can earn 1 credit in the associated mini-course MED 351 and work roughly 4 hours each week. For more information contact Bridget Hobbs, coordinator Family Resource Connection, hobbsb@childrensdayton.org.

KHN Physician Assistant Shadowing

Kettering Health Network offers two different shadowing opportunities for students who are interested in shadowing a PA. The first opportunity is through Kettering College PA program. Kettering College PA program offers the student a 4-hour observation with a PA, opportunities to shadow a PA in a more specialized field of medicine, and to attend one of their PA classes if you elect. The second opportunity is in emergency medicine on Fridays from 6 to 10 pm.

In order to participate in either of these PA shadowing opportunities, a Kettering Health Network Job Shadowing Application and subsequent steps outlined on the Premedical Programs Website need to be completed. Please download a copy of the shadowing application and review all required steps from the Shadowing Opportunities link on the Premedical Programs Website: premed.udayton.edu.

Physician Assistant Virtual Fair

A PA Virtual Fair will be held on July 24, 2019 from 9 am to 9 pm, Eastern Time. This virtual fair is free for all prospective students and advisors to attend. Meet school representatives from PA programs at colleges and universities from across the U.S.

You can find more details about this event and register online at the following link:
<https://www.careereco.com/Fair/EventDetails?fairId=472b8452-70b1-4eb3-b192-a9300144faf9>

CASPA

The Centralized Application Service for Physician Assistants (CASPA) allows applicants to submit one online application to multiple programs. **The 2019-20 application cycle will launch on Thursday, April 25, 2019.**

Find application resources at https://help.liaison.edu.com/CASPA_Applicant_Help_Center or contact caspaonline.org or 617-612-2080
