## Featured Marianist Mission

Another recipient of money collected for Marianists abroad this Lent will be the REDS program in Bangalore, India. REDS (Ragpickers Education & Development Scheme) works with children from the streets of Bangalore and Ranchi, as well as their families and those in the slums. The program seeks to reach out to the underprivileged with an intervention process aimed at holistic development, ensuring successful integration and participation in the mainstream of society. Please look for ways around campus to donate to this cause during Lent.

## Faith and Service

What does our faith teach us about service? Despite the many differences between the faith traditions of the world, most faith traditions would agree that it is a good thing to help the poor, lonely, sick, orphan and widow. Our Catholic faith contains a rich social teaching, rooted in the scriptures such as in the Hebrew prophets who proclaimed God's special love for the poor. Additionally Jesus teaches, "For whatsoever you did to the least of these, you did unto me." (Matt. 25:40).

When we become busy with our daily tasks, it is easy to forget just how blessed we are to be at a place like UD. There are many people living in the city of Dayton who struggle to just get by on a day to day basis--people who are homeless, who suffer from drug and alcohol addiction, mental illness, domestic abuse, and both material and spiritual poverty. We live in a world in need, and our Catholic faith calls us to respond by bringing God's healing love to the people who need it most through prayer, presence, and service. This Lent is a perfect time to be reminded of this important part of our faith.

Service can take many different forms. It can be serving hot lunch at St. Vincent de Paul Homeless Shelter, tutoring children from immigrant families through the El Puente program, or helping to build a house with Habitat for Humanity. It doesn't always have to involve "doing" something either. Service can be educating ourselves about a social justice issue or simply taking time to sit with someone who is sick or lonely. For more information on how you can get involved in service in the city of Dayton or through alternative BreakOut trips, please visit the Center for Social Concern website at <http://www.udayton.edu/ministry/csc/index.php>.
