For the Campaign
(See "Dear Alumnus"—Page 2)
Dear Alumnus:

One of the best friends any University of Dayton student ever had dropped in to see us the other day. We had asked his advice in regard to the big membership drive coming up April 1 and he was only too glad to volunteer his help. Father Bernard P. O'Reilly is still the amiable personality and gracious gentleman you have always known him to be.

At present he is pastor of Mary, Help of Christians church in Osborn, Ohio and one of the most prominent civic figures in the Osborn community.

Merle P. Smith, Alumni Secretary from 1927 to 1935 and founder of the Alumni magazine was with him together with Judge Wolff, president of the Alumni Association. The advice of the former University officials (Father O'Reilly was president of the University from 1908 to 1918 and again from 1932 to 1932) was mighty welcome to the present Alumni Association officers.

Among the suggestions offered was the thought that the Alumni magazine should devote monthly space to feature stories of those faculty members who have been on the staff for a number of years. This will be done.

Still another suggestion had to do with the lack of news items in the "Class Notes" column from graduates prior to the twenties. Our hands are tied on this unless the news items come from those former students themselves. To help promote an influx of news we're asking "pre-twenties" grads to submit news of themselves to the alumni office direct or give the information to the campaign workers who will soon be calling on them. You know what's interesting—engagements, weddings, anniversaries etc. etc. You send it in—we'll print it!

From border to border and coast to coast, loyal sons and daughters of Dayton are now rallying to the cause of placing the Alumni Association on a substantial, permanent basis. That the cause is a worthy one would seem to be the unanimous verdict in view of the whole-hearted cooperation given by the persons approached for the task of doing the campaign work. All that we can hope is that every individual alumnus expresses the same degree of cooperative spirit when the campaign worker comes to call.

The big membership campaign is now on—it's "All Out for Dayton"!

**Cage Season Is Best Since 1934**

**Kavanaugh Sets New Scoring Record**

Since the February *Alumnus* the Flyers have won two and dropped three to give them a season record of nine wins and 14 setbacks. This is the best year in U. D. basketball since 1934 when the Flyers won 10 and lost seven. Bob Kavanaugh '42 amassed a modern U. D. scoring record by scoring 236 points in 23 games. This broke the seasonal record set by Elmer Bache '39 in 1937 when he compiled 233 points in 19 games. Gene Westendorf '41, lone senior on the squad, was named honorary captain of the squad at the end of the season.

The Flyers defeated the Cincinnati Bearcats the second time by a score of 44 to 37. In winning, the cagers shared the wealth. Four regulars divided 32 points evenly among themselves while Charley McCloskey led the band with 10 points to his credit.

The following Saturday the Flyers made it two straight over the Redskins of Miami university by a 45 to 37 total. The game was very close until the last six minutes of the contest when the Flyers pulled ahead and added gradually to their lead. Bob Kavanaugh scored 13 points to lead the scoring parade.

Unstoppable Frankie Baumholtz ended his brilliant three year career for Ohio U. against Dayton February 25. Frankie led his team to a brilliant 72-47 victory over the Flyers who led but a short time in the first half. Toledo's nationally famous quintet smothered the Red and Blue at Toledo 70-34. Big Bob Gerber, the state's highest scorer, added to his season's total 35 points against the Hilltoppers.

The gallant Flyers who all season had met teams much larger than themselves on even terms finished the year in defeat. However, it was an honorable defeat at the hands of a much larger Xavier team that took advantage of the Hilltop handicap to win 54-30.

When the season's totals were computed it was found that the Flyers, in spite of their won and lost record, have scored 41.7 points per game to make them one of the highest scoring outfits in the state. Their opponents averaged 46.9 points per game.

A Greater

BEGINNINGS: Established in 1893, the Association forged the link which bound school student. Added impetus came in 1927 when Alumni Secretary was appointed and two the official publication, the Alumnus, mad ance. Its continuance greatly curtailed by th the Association was fully revived in 193 Elbert. Another full time secretary has been and once more the Alumnus carries news to nearly 3000 grateful Alumni.

PRESENT STATUS: There are fifteen alumni chapters in the United States hol social meetings. The annual meeting in Jun coming are the big get-togethers for the ol Alumnus goes monthly to all former stu addition miscellaneous literature is sent. The expense of these enterprises is bore entirely by the University itself. This conditi be and cannot long endure. It is to allevia tion that "All Out for Dayton" night a membership campaign has been conceived.

Annual expenses of the Association rur mately $4000. This would represent a paid.
When venerable Father Meyer bought Dewberry Farm from John Stuart in 1850 and founded a boys' school with Brother Maxim Zehler in charge, St. Mary's Institute had its beginning.

By 1920 the "Institute" had grown to such proportions that it merited and was granted by the state the new name—University of Dayton. It was still growing...

1937: The University of Dayton boasted 14 buildings and a 65-acre campus. A nation-wide direct-by-mail campaign carried its fame to an unprecedented enrollment of 1600. So became the "Greater University of Dayton".

University of Dayton Alumni Association

- Assisted former full-time years later its appearance depression, by Father appointed the school organized regular Home-grads. Thents and in almost end should not the condition 1941 approxi-annual membership of 1000 members at $4.00 each and that is the goal of the campaign. The University seeks nothing for itself—no profit from the Association—only that it be self-sustaining. All funds received are under the control of the Alumni Board of Directors.

"ALL OUT FOR DAYTON" NIGHT: Every Chapter (representing 2000 of our 3000 alumni) will meet Thursday, March 27.

"THE 1941 MEMBERSHIP CAMPAIGN": Leaders and presidents of the various chapters will act as chairman of the drive in their cities. They will select campaign workers from their membership who will make personal contact with every alumnus in that particular city. Dues payments may be made in full ($4.00) or in part, either to the worker or direct to the alumni office. Membership cards will be sent from the alumni office and all paid members will be listed in the June Alumnus, together with the names of all campaign workers.

A beautiful bronze seal of the University, mounted on a walnut shield will go to the Chapter securing the highest percentage of full paid memberships. The name of the winning chapter will be engraved on a bronze tablet on the shield. This will be an annual award—

the chapter winning twice obtaining permanent possession.

In those cities where no chapter is organized but in which five or more alumni reside, volunteer workers have been selected. Five University of Dayton honor keys of mother-of-pearl and 10 karat gold, suitably engraved, will go to the five volunteer workers securing the highest percentage of full paid memberships.

YOUR PART IN THE CAMPAIGN: A statement for dues will go to every alumnus on April 1. Your remittance may be made direct to the alumni office, or if you live in a chapter city, may be made to the campaign worker who calls on you. You may pay for your membership in whole or in part at time of solicitation and if you have the means to make a special donation it will be gratefully received. We urge your cordiality and spirit of cooperation with the worker who calls on you. Remember, he receives nothing for his efforts—only the knowledge that he is helping to forward the cause of something he loves—his University, and yours!

It's the biggest thing we've ever attempted—and the most important! Let's get behind it and make it truly, "All Out for Dayton"!
"All Out for Dayton" - - March 27

"All Out for Dayton" night Thursday, March 27, will bring members of fifteen University of Dayton alumni chapters together for a common purpose—to discuss the ways and means of placing the Alumni Association on a substantial and permanent basis.

Every loyal son and daughter of Dayton will want to be identified with the movement. Similar projects are conducted annually by the leading colleges and universities of the country and now Dayton takes its proper place among those institutions whose alumni feel themselves to be part and parcel of the activities of their respective Alma Maters.

If you reside in a city where an organized Chapter exists, take note of the “All Out for Dayton” meeting and show your loyalty by being present. This movement represents one of the most important challenges any U. D. alumni has ever faced. We know you'll face it gladly.

To those alumni who reside in cities where no Chapter exists but in which five or more alumni reside, volunteer chairmen have been appointed to carry on the spirit of "All Out for Dayton." Help these volunteers.

All other alumni will have the opportunity of showing their feelings by mail.

Letters From the Alumni

NEWS FROM FT. SHELBY——

Dear Jim:

I'm finally getting around to sending my check for four bucks. I've meant to do that ever since our very successful Miami Valley Chapter meeting last fall. But so much water has flowed under the bridge and Uncle Sam has kept me so busy that a too lengthy delay has resulted.

I'm in command of one of the newest things in the army, one of the new anti-tank batteries. Eight 75 mm guns are on our "tank swatters", together with necessary vehicles and radio communication. There are 126 men in the unit at the present time, of which 101 are selective service men.

Two reserve officers, both Auburn graduates, were assigned to me yesterday—and that makes me wonder when some of the old gang might be floating down this way. If any arrive, I hope they will look me up and I'll be happy to see that they receive a coke or two over the regimental fountain.

Don't forget to send the Alumni—which I've missed very much—and also give my best regards to all my old friends.

Captain Walter J. Haberer '35
Battery H, 136 F.A.
APO #37, Camp Shelby, Miss.

BIGGER MAGAZINE?——

Dear Jim:

I am enclosing a money order for $4.00 to cover my membership in the Alumni Association and subscription to the Alumni which I enjoy very much and wish it were a larger publication. It is my only source of information about the "old school" and hope you may be able to increase its size.

Wishing you, the staff, the Alumni Association and U.D. all the success in the world, I remain,

Anthony A. Pozelhnik '35
6603 Schaefer Avenue
Cleveland, Ohio

SELECTEE WRITES——

Dear Father Reneker:

I know you are always interested in news about any of the alumni of U.D., so I thought I'd try to give you a brief check-up on those of us who are down here in the so-called "sunny South". We have actually enough former students and alumni down here to start a Chapter, but when we'd find time to hold meetings is another question.

I was inducted into the service on January 20 at Ft. Thomas and we arrived here on January 22. Jack Boren '30, made the trip as did Frank Saunders, a former student. We were assigned to H.Q. Battery, 1st Battalion, 16th F.A. which claims Dayton for its home station. We immediately met several U.D. men who were National Guard men and who came down in October. Steve Geng is a staff sergeant and Paul Rado a technical sergeant in our Battery. Ernest Spegele is in the regimental band, as is a former student named Stanick. Captain Walter Haberer is commanding officer of one of the new anti-tank batteries and Lt. Earl Wiley is attached to Battery A of our Battalion. Lt. Wiley left this week for Ft. Sill, Oklahoma to attend artillery school there. Dick Cull came down about the same time we did and was assigned to headquarters of the 62nd Brigade of which our regiment is a part.

The boys are as contented here as can be expected and I know they join me in sending best wishes and the hope that you will remember us in your prayers. Sincerely yours,

Private Joe Varley '40
H. O. Battery, 1st Battalion
136th F.A.
Camp Shelby, Miss.

MAKES RECORD CATCH——

Dear Jim:

Here for some deep-sea fishing. (Cat Cay, Bahamas, B.W.I.) The combination of a beautiful Bahama sun shining on yours truly and beginner's luck brought me a 334 pound blue marlin Saturday and a 67 pound white marlin yesterday. Boated the blue in one hour and seventeen minutes—Baujan take note.

Huston Brown '20
1810 Burroughs Drive
Dayton, Ohio

(Ed. Note: The blue marlin (see picture) is larger by fifty pounds than the next largest fish entered in the Metropolitan Fishing Tournament this season. If the record holds until the end of the season, May 1, Mr. Brown will receive the Windsor Cup, presented by the Duke of Windsor along with approximately $1500 in cash.)
