# Ohio's Weather Still Can't Make Up its Mind

---

 [udayton.edu/magazine/2018/03/ohios-weather-still-cant-make-up-its-mind.php](http://udayton.edu/magazine/2018/03/ohios-weather-still-cant-make-up-its-mind.php)

Lilia Sciarretti • March 11, 2018

Fifty degrees and sunny one day, 30 degrees and snowing the next. It's almost impossible to stay on top of Ohio's weather anymore, considering the extreme temperature drops experienced later this week. Luckily today is bearable, marking 43 degrees with a zero chance of precipitation. Accompanied by budding trees and sunshine, the University of Dayton chapel stands confident amidst a clear blue sky. No "Sunday Scaries" today!
