HOMECOMING - NOVEMBER 15

Brenda and Cobina
Lead the Inter“fear”ance
For Bill Knisley

OCTOBER • 1941
Dear Alumnus:

When American universities distributed diplomas last June it was with a great deal of doubt that they looked forward to the coming September. Enrollments were certain to be hurt. There was the draft. Some students already called, others expecting their orders daily. Then there was the fact that private industry was booming. Would students leave well-paying jobs to resume their schooling? Just how much would enrollment be hurt? A consensus of estimates from many university administrations set the figure at about 15%.

Happy to relate, this figure does not apply to Dayton. Day classes are virtually the same as last year, while Saturday morning and evening classes are 25% higher. Thus 1941 finds the Hilltop harboring the largest number of students in its 92-year history!

In day classes there are 559 men and 142 women. 207 students are from out of town. Engineering leads all departments with 182.

As these lines are being written all the talk is of the fighting Flyers of '41. Their phenomenal scoring record in their first three games has the whole town talking. Their brilliant conquest of arch-rival Marshall was an elixir. And now Tennessee’s mighty Vols loom formidably on the horizon.

North Dakota U. will form the opposition at Homecoming on November 15. The Board of Directors of the Alumni Association has already met to formulate plans for the big day. Working in conjunction with the Association will be the Miami Valley Chapter, other chapters and the student Spirit Committee. The November issue of the Alumnus will be devoted entirely to the Homecoming. Make your plans now to attend the greatest of all U. D. Homecomings—Saturday, November 15, 1941.

Front Cover: Bill Knisley, stellar Flyer halfback, need have no fear of being tackled with these two gals running interference for him. Brenda and Cobina, Bob Hope’s two zany man chasers, just dare any man to come close! They were out on the campus a few days ago on a “scouting trip.”

2
Bro. Adam Seyfried, Biology Prof, Dies

Bro. Adam P. Seyfried, S.M., 44, associate professor of biology at the University since 1935, died August 29 at St. Elizabeth hospital, Dayton. Burial was in the Brothers' cemetery on the University campus.

Death came as a result of a heart attack. He had entered the hospital only eight days before for observation and it was fully expected he would be able to resume his teaching upon the opening of the school year. Brother Seyfried was a native of Brooklyn, N. Y., and had joined the Society of Mary in 1913. He was a member of the American Association for the Advancement of Science and the National Association of Biology Teachers.

All Five '37 C.E.s. Get Licenses

Robert E. Gates '37, New Lebanon, O., recently received his license as professional engineer, State of Ohio. All five graduates of the civil engineering class of 1937 have now received their licenses in the shortest possible time—four years. The other engineers include Jack O’Brien, Jack Puterbaugh, Tex Moore and Joseph Fletcher.

Alumnus Gives Machine Lathe

C. H. Gosiger, University of Dayton alumnus, president of the C. H. Gosiger Machinery Co., Dayton, recently presented the mechanical engineering laboratory with a latest type 9-inch, Model C, horizontal motor - driven lathe with four-foot bed length. The costly piece of equipment, complete with all accessories, is a valuable adjunct to the mechanical engineering department and is deeply appreciated.

Hilltop Happenings

SUMMER SESSION—Rev. Francis J. Friedel, S.M., announced 65 different courses covering 17 fields of college study for the 19th University of Dayton summer session. Five special engineering courses under government supervision were planned as an aid in the defense activities. Students enrolled in the summer classes numbered 368. Twenty-five bachelor and one master's degrees were awarded at graduation, bringing the year's total of graduates to 213 ... Twenty-one R.O.T.C. cadets spent six weeks in military training at Fort Knox, Ky., while two other cadets received their training at Edgewood Arsenal, Md. ... The University of Dayton Foundation, Inc., received incorporation papers. The purpose of the organization, which has as its incorporators Lewis B. Rock, Michael J. Gibbons, and Martin G. Kunz, is to establish a trust to receive and administer gifts and endowments made to the University for educational purposes ... The U.D. News was awarded the "all Catholic" ranking, which is the highest classification for college journalism excellence ... Students were again given the opportunity to pursue the Civilian Pilot Training program during the summer months.

SOCIETY OF MARY JUBILARIANS—Four members of the Society of Mary, who at the present time or in the past have been connected with the University, celebrated their Golden Jubilees as members of the society ... They were Rev. Bernard P. O'Reilly, who served 19 years as president of the University; Rev. Charles Eichner, S.M., who was president from 1896 to 1902; Brother Joseph Muench, S.M., since 1919 assistant registrar at U.D., and Brother John Schuetz, S.M., who at the present time is professor of education here at the hilltop ... Two hundred and fifty members of the Society of Mary attended a conference on the campus concerning the teaching of religion ... Rev. John L. Ott, S.M., dean of Arts and Sciences from 1935 to 1938, was named superior of the new Marianist seminary, which is to open in September at Washington, D.C. ... The annual report submitted by Rev. President John A. Elbert, S.M., cited progress made by the institution and marks the past year as the most successful and active in the school's history ... Dr. Stephen A. Hosko passed away on September 17 after an illness of three years. He was on the faculty from 1930 to 1937 and taught international law, languages, and history of art.

NEW DEANS—Rev. Henry J. Kobe, S.M., of the history department, was appointed to the newly created post of assistant dean of the college of Arts and Sciences. Sister Mary Edwina was appointed as dean of women succeeding Sister Marie St. Eleanor who has held the position since 1935 ... Other new faculty members for the fall term were Brother Russell A. Joly, S.M., who succeeded Brother Seyfried in the biology department; Rev. Dr. Charles Collins, S.M., appointed to the psychology department; Brother John Geisler, S.M., appointed to the chemistry department; Brother George Nagel, S.M., appointed to the history department, and Cyril G. Peckham as instructor in the department of mathematics ... Lieut. Col. David R. Kerr, since 1938 head of the military department at the University, was appointed military attache at Ciudad Trujillo, Santo Domingo. He was succeeded at U.D. by Lieut. Col. Richard C. Birmingham, a 1916 graduate of West Point ... Brother George Kohles, S.M., associate professor of English, has penned his second classroom manual titled, "The Natural Public Speaker" ... Classes were resumed on September 18 for the 92nd year. Many courses of importance in the expanded industrial, business and professional activities of the present day were offered ... Vincent Yano, president of the sophomore class, and a large committee carried on an initiation and welcome program for the benefit of the freshmen. The annual "Freshman Welcome" dance was held on October 4 at the Biltmore hotel with music by Earl Holderman's orchestra ... Officials announced a continuation of the expansion program with a new four-year course in secretarial studies leading to a bachelor degree in secretarial studies ... Twenty-one senior R.O.T.C. cadets were appointed captains and lieutenants ... Civilian Pilot Training quota was ten students each for the primary and advanced courses.
FLYERS GIVE PROMISE OF
BEING BEST IN HISTORY

Brilliant Sophs Press Veterans
For First-String Berths

On September 2 a 39-man football squad reported to Coaches Baujan, Carter and Malone to begin preparations for one of the toughest schedules ever faced by a Flyer team. Included on the roster were 20 sophomores, 13 juniors and six seniors. Many of the sophomores gained much recognition last year as Flyer yearlings and it is not unlikely that they will be pressing the veterans for starting berths before the season is very old. Practices were held twice daily till school opened, as the Flyers had less than three weeks to prepare for the opening contest with Hillsdale.

The starting lineup in the opening game found veterans in every position except left guard, where Lee Schmidt, husky sophomore, held down the opening assignment. The rest of the line found Veterans Beno Keiter and Hugh Scott at the ends, Bob McIntire and Joe McShane at the tackles, Paul Ryan at center, while Walt Zach, also a holdover from last year’s varsity, was at the right guard position. The quarterback spot went to Jerry Westendorf, who was attempting to fill his brother Gene’s shoes as the Flyer signal caller. Jerry was an end last year, but his performances in the early practices gave every indication that he would prove a capable replacement for his brother, who last year was voted “most valuable” player on the team. Senior Joe Quinn and Junior Bill Kniisle were the starting halfbacks. Jim Fiorita, most improved player on the roster, drew the starting assignment at fullback.

Among the highly touted sophomores were Jack Castignola, a product of New Philadelphia, O., high school, and Harold Mouch from Toledo Central Catholic. Both of these boys are shifty halfbacks of the type that provide many a thrill for the fans in the stands. Bill Powers, a product of Steele high school in Dayton, also was rated as a man to watch at his center position.

FLYERS ROMP OVER HILLSDALE

In their first contest on September 19 the Flyers found an easy victim in Hillsdale, chalkling up a 62 to 0 win. Although the opposition was comparatively weak the Flyers were none the less impressive and the 5500 fans in the stadium began comparing the present team to those of the “golden era” of U. D. football when Jack Padley and his mates brought coast-to-coast fame to the school on the hill.

There was no doubt as to the final outcome from the first play when the Flyers had the ball on their own 35 and Bill Kniisle took the pass from center, cut over right tackle, found
himself in the clear, and raced 65 yards for the first of seven Dayton touchdowns. Late in the first quarter Knisley again crossed the goal line, this time from the 12-yard marker. The sophomore backfield entered the game in the second quarter and worked the ball to the Hillsdale 17, from where Mouch skirted end for the score. A few minutes later Pinciotti heaved a long pass to Strugarek, who scored from the 25. As the half ended the Flyers held a 28-to-0 lead.

In the second half the parade of Flyer touchdowns continued, Quinn scored from the 30 and Castignola chalke up another tally on a reverse from Mouch for the scoring in the third quarter. Late in the fourth quarter Castignola and Lewandosky each scored on pass interceptions to close the Flyer scoring. The Flyers made eight out of nine extra points.

**DETOIT TECH FALLS**

In their second game of the season on September 26 the Flyers continued to roll, this time defeating Detroit Tech 75 to 0. Looking even better than the week before when they overwhelmed Hillsdale, the Dayton team made 18 first downs to 5 for Detroit and amassed a total of 604 yards from scrimmage as against the opponents’ 53.

Before five minutes of playing time had elapsed the Flyers had their first marker on a pass, Knisley to Quinn. From them on the Flyers scored at ease and at the end of the half had 47 points. Knisley scored the second touchdown on a 47-yard run. A pass, Westendorf to Keiter, chalked up the third and Quinn skirted end for 10 and the fourth. At this point the sophomore backfield entered the game and Mouch tallied twice and Castignola once to end the scoring in the first half.

Runs by Castignola and Mouch of 47 and 29 yards, respectively, produced the first two touchdowns of the second half, Fenton and Fiorita accounted for the Flyers’ other two touchdowns and Ryan tackled a Tech man behind his own goal for a safety and two more points.

**MIGHTY MARSHALL IS TROUNCED 7-0**

With Bill Knisley’s spectacular 95-yard return of a punt providing the margin of victory, the Flyers defeated the Thundering Herd from Marshall College 7 to 0 in a game played in a steady downpour of rain on October 4. The great Jackie Hunt, last year’s nation’s leading scorer, found the Flyer forward wall practically impregnable.

The 620 fans saw the two teams engage in a kicking duel in the first half with neither team putting on any serious scoring threat. However, in the third period Knisley took a Marshall punt on his own five, and raced 95 yards up the sidelines to chalk up the only marker of the contest. During the rest of the game most of the play centered around the midfield stripe and the Flyers remained undefeated and unscoring on as they prepared to face the Tennessee Vols on October 11.

**A.S.C.E. IN CHICAGO**

Bro. Charles Belz, S.M., head of the department of civil engineering, announces that all student chapter members are invited to the fall meeting of the A.S.C.E. to be held October 14, 15 and 16 in the Palmer House, Chicago. The four senior members of the class and one junior will accompany Bro. Belz to the meeting.
**Letters from the Alumni**

**U. D. REUNION**

(The following letter was recently received by Bro. Charles Belz, S.M., head of the civil engineering department.)

Dear Bro. Charlie:

I have just emerged from a twenty-six-day trip to the hospital, where I had the worst case of Athlete’s Foot that the doctors had ever seen. Every doctor on the post took a look at it at one time or another. I had never had it before and caught it that badly in just three days.

By the way, while in the hospital my room-mate was Alex Rudzienkski ’39. While there we had a U. D. get-together one day when we had as a visitor Bill Agenbroad ’32, slated to go to Panama with us, and our doctor was Leo Donley ’40. And by the way, Doctor Donley is a grad to be proud of.

I heard him give the Catholic Church’s view and teachings on birth control and mercy killing to a Protestant lieutenant. He made such an impression that this man came back to me and remarked that he had never been more impressed by any doctor in his life.

Since I have been in the army I found that there are many selectees in the ranks that are graduates of universities that either do not have military training or don’t enforce it. Inasmuch as U.D. tops such schools in its fulfillment of its duties, I feel that the enclosed will in some way show my appreciation. Use it for the civil engineering lab. My next letter will be from Panama, Beat Marshall.

Lt. Joseph Fletcher ’37
En route to Panama

---

**GIFT TO LIBRARY**

Dear Father Elbert:

A few days ago I sent to the Victor Emanuel Library three volumes of Shakespeare. I wish to donate these to the Library, I sincerely hope that they will impart to any student perusing them that same love and admiration for the Bard of Avon that animated me when I was a student at dear old St. Mary’s.

These books are close to a hundred years old. They have been in our immediate family for at least 65 years—

that I am sure of. My father acquired them when he purchased the entire library of the Rev. H. B. Dues of Cincinnati. He must have owned these volumes for at least thirty years. This may be a rare edition and very valuable at this time. If so, the more I shall be pleased if you can sell them and apply the funds to your present needs.

I cherish the memory of those blessed days at dear old St. Mary’s Institute beyond all price. I was there six years, graduating with the class of 1894. Those days form an unforgettable background which to this day inspire me and direct my every action.

With every good wish to you and the University,

Frederick T. Neumann ’94
Pittsburgh, Pa.

---

**REMEMBERS BRO. ZEHLER—**

Dear Mr. Brown:

I am pleased to enclose my check for eight dollars covering this year’s alumni dues of my daughter, Alice E. Ohmer, and myself. It was a long time ago—between 1866 and 1874—that I attended St. Mary’s Institute, as it was then called. I will soon be eighty-four years old.

Good Brother Zehler, a fine, generous character, was prefect then. I remember him very well. Also good-natured, red-headed Brother Charlie, a good baseball and football player and exceedingly popular with the boys. Brother Philip, who was very strict, so we thought, and Brother Bertram, a successful teacher, scholarly and always a courteous gentleman.

Among other students whose names I recall were Charles and Frank Greiner, twin brothers. Frank, a brilliant student, was given the task, by Brother Zehler, of checking over all the figures for the material used in the construction of St. Mary’s Hall. John and Joe Crane, Jim Fennesy, Frank Stacey, Frank Reese, Edward G. Ohmer and Tom Pugh were also there at that time but I fear most, if not all of them, have since died.

I also recall the introduction of the curve pitched baseball to astonished students of S.M.I. by a student from Cincinnati about seventy years ago.

It is a source of great gratification to me to see the splendid progress which has been made by the University through the years. I can picture Brother Zehler’s amazement and satisfaction if he could see how the work which he was instrumental in starting has prospered. No doubt the young men and women who have received a Christian education at the University frequently offer him a tribute of gratitude and praise.

Charles T. Ohmer ’74
1550 Creighton Ave.
Dayton, Ohio

---

**WITH THE CHAPTERS**

Pictures of the Dayton-Xavier game of 1940 were shown and a resume of the 1941 team given by Malone. A delegation was worked up for both the Marshall and Tennessee games. Big doings Homecoming!

**MIAMI VALLEY CHAPTER**

President Jim Hartnett brought the gang together for a social get-together on October 8 in Chaminade clubroom. Pictures of the Marshall game were shown and Coach Bautjan spoke to the group. Pat Malone was introduced.

The fall season of activity was discussed with Homecoming the number one topic.

A delegation of nearly two hundred will follow the Flyers to Tennessee.
**"ALL OUT" MEMBERSHIP DRIVE NOW STANDS AT $1930.50**

Memberships Still Being Received
For 1941 Alumni Fund.

With two and one-half months of the year remaining, the 1941 "All Out for Dayton" membership drive stands at $400.00. James J. seven years and was instrumental in served on the University faculty for course. Later he was superior of the brothers' convent, at that time located on the university campus, and was engaged in the training of novices after the establishment of Mt. St. John.

**Former President Priest 50 Years**

**Father Eichner**

Rev. Charles Eichner, S.M., president of the University of Dayton (St. Mary's Institute) from 1896 to 1902, is celebrating his fiftieth year in the priesthood. Father Eichner, now in his eightieth year, is living in retirement at Mt. St. John, Dayton.

Father Eichner, a native of Columbus, has been a member of the Society of Mary for sixty-three years. He served on the University faculty for seven years and was instrumental in the establishment of the classical course. Later he was superior of the brothers' convent, at that time located on the university campus, and was engaged in the training of novices after the establishment of Mt. St. John.

**Class Notes**

1931—Frank Froendhoff, Chicago, was a campus visitor recently.
1895—Andrew A. Hellmuth, Springfield, O., died August 26 in Piqua, O.
1910—Walter Schmackers, Dayton, was married recently to Miss Gertrude Rost. Mr. Schmackers is associated with the John Barclay company and is a candidate for the Dayton city commission, Leo P. Kranz, Toledo, died May 13, 1941.
1920—James J. Clark is assistant general purchasing agent for the Wheeling and Lake Erie Railroad at Cleveland.
1922—Carl F. Geppert, Willmette, Ill., was a campus visitor August 26. He is associated with Parkinson & Lane attorneys and counselors-at-law in Chicago.
