# Holy Angels Week 1

Bethany Renner

Last Friday, the River Stewards started a six week curriculum with Holy Angels Catholic School. For the next six weeks we will be teaching 5th and 6th graders about the Dayton's rivers. Friday, we discussed the Great Miami Watershed and the aquifer. The students were enthusiastic and had great questions. I would like to thank Jenny, Leah, and Tommy for all of their help!

This will be a great opportunity to be involved in the next 5 weeks!
