ANNUAL MEMBERSHIP DRIVE OPENS APRIL

"If it ever happens here!"
(See FIRST AID—Page 3)
Dear Alumnus:

Just a year ago the Alumni Association sent statements for dues to all members. As you may recall the theme of the appeal was "All Out for Dayton." The financial goal set was $4000. The response was slightly more than half the hoped for amount. But it was most encouraging. It nearly tripled the year before.

Just as our alumni and all America for that matter went "all out" last year, we know we are safe in the theme we have selected for 1942. cf. Page 6.

Ten alumni have "jumped the gun" on the campaign and have already submitted their $4 checks for 1942 dues. We doff our new spring fedora to Charles F. Sucher, Jack L. Foose and William P. Keane, Dayton; Richard L. Sayre, Cincinnati; Capt. Francis Gable, Columbus; Warren E. Slifer, Germantown; J. D. Leondard, St. Petersburg, Fla. ($3.00); Ralph Shanahan, Wilmington; John Ferree, Buenos Aires, Argentina, and Capt. Walter J. Haberer, Fort Sill, Okla.

"HONOR ROLL"

The April issue of the Alumnus will carry an "honor roll" of all graduates and former students now serving in the various branches of Uncle Sam's armed forces. Our office staff has been doing extensive research work in an effort to bring to light the names of every individual. We believe the list will be a most imposing one. We further realize that because of the magnitude of the undertaking certain individuals may be overlooked.

If you or any of your friends in the service fail to find your names on the alumni honor roll we urge you to notify the alumni office at once.

"CORRECTION CORNER"

Likewise, may we call your attention to the "correction corner" on page 8 of this issue. If your address is different from the one carried on our stencils and your mail is being forwarded or held for you, notify us and we will make the changes you suggest. Regarding men in the service who are subject to frequent transfers, it may be found best to continue sending mail to the home address.

"FOR GOD AND COUNTRY"
IS THEME OF 1942 DRIVE
United States Defense Stamps to be
Used in Payment of Dues Where Desired

Adopting as its theme, "For God and Country," the 1942 membership drive of the University of Dayton Alumni Association gets under way on April 1. The campaign theme comes, of course, from the University motto, "Pro Deo et Patria"—For God and Country. At this particular time such a motto is particularly stimulating.

A radical departure from the customary alumni membership drive is the appeal for members to pay their dues in United States Defense Stamps. The mailing which will be released April 1 will contain a ten-cent Defense Stamp album, specially bound in a University of Dayton cover. An accompanying letter will convey the appeal that all grads and former students show their loyalty to both their University and their Government by purchasing Stamps and sending them to the University in payment of dues.

Still another change in the plans of the campaign will be the fact that there will be no personal solicitation. It was felt by the administrators of the Association that the soliciting of memberships would be an unfair task to impose upon those of our alumni who are already devoting overtime hours to Defense work. Then too, a large number of our most active members are in the actual armed service in camps the length and breadth of the continent and also in foreign stations.

The semblances to last year's drive will comprise the goal, $4000; the time, April 1; and the participation of the various chapters in a contest for the "Honor Shield." The shield was won last year by Chicago. The Chapter that wins the shield twice obtains permanent possession. Percentage of full paid memberships is the deciding factor in the chapter competition.

MEETS SANTAELLA

Dear Jim:

Just a few lines to let you know that I'm still down here in the tropics waiting for things to start popping. The water in the Caribbean is becoming hotter and hotter.

The other day I was talking to Jean Santaella on the phone, Jean's from class of '38. He is now happily married and once a father. He tells me there are several other graduates in the army. Maybe you can let me know if your records show them.

Since January 1, this year, I've been on duty in the office of the Departmental Quartermaster in Motor Transportation, and here's a coincidence, Jim—the Department Quartermaster, Colonel James R. Hill, was the first commandant of the ROTC at the University of Dayton as a captain, from 1919 to 1921. Maybe some of the old timers remember him. He told me that his two most enjoyable years in the army were those two in Dayton.

Am receiving the Alumnus monthly and enjoying it immensely.

Sincerely,

Lt. William C. Hill, '40

ON STAFF FACULTY

Dear Jim:

I just received the Alumnus and was tickled to death. So tickled in fact, that I'm digging down in the old sock and remitting some dues, I can't understand how you keep track of all of us.

I have recently been assigned to the Staff Faculty of the Field Artillery school here at Fort Sill and I enjoy the assignment very much. Imagine me, an old infantryman, teaching gunnery to artillerymen.

I heard from Dan Adams some time ago, but since I've lost track of him, I also saw John Koors while on maneuvers deep in the wilds of Louisiana. I ran into Ed Longo who was with the 38th Division, M.P. company at Camp Shelby. Also heard that Ralph Canter was living about three miles from me in Gulfport, Miss., but before I could look him up, I was ordered out here.

Did you know that I'm a proud papa? Yep, a sweet little girl on October 24.

Well Jim, enough for now, and I'm surely hoping to get back to Dayton one of these days and see all of the old gang that is left. In the meantime, keep the news rolling and remember me to all the boys.

Best wishes,

Captain Walter J. Haberer '35

FROM ARGENTINA

Dear Drs. Wohleben and Haas:

FLYER NETTERS
GIVEN DINNER

At a private testimonial dinner, sponsored by the Miami Valley Chapter of the University of Dayton Alumni Association, seven members of the fine 1941-42 basketball team were awarded monograms. Bob Kavanaugh, Sprinfield, and Charles (Hook) McCloskey, Salem, were named co-captains and were awarded engraved gold basketball charms in token of their gallant work during the past three years.

Monograms went to Kavanaugh and McCloskey, Bob Heidkamp, Dayton; Jerry Westendorf, Dayton; Bill Knisely, Xenia; Don Claudepierre, Hamilton; Bob Swartzel, German-town, and Manager John Somers. Dayton. This team set a record of 12 wins and six losses—best in nearly 15 years.

Freshman awards went to Breene Malone, Don Schultz, Eddie Zweisler, Ripper West, Dick Davis, Jim Finke, Frank Callahan, Joe Latimer and Niles Scully.

The testimonial, first basketball affair of its kind on modern record, was held at the Dayton Biltmore on March 24. Those in attendance were the ten members of the team, the student manager, Bro. Aloys Doyle, faculty manager; James E. Carter, coach; Harry C. Bauján, athletic director, and Pat Malone, freshman coach. Formalities were held to an absolute minimum.

BRO. ADAM
(Continued from Page 3)

If perchance I have incurred some debts with any of you in the long years of my apostolate may I claim the privilege of Jubilee Year to have all those debts cancelled?

I take this occasion to greet you all and to wish you a great measure of joy and happiness, I suppose you have made the experience that the bitter is sometimes mixed with the sweet; they work together unto good.

More things are wrought by prayer than is dreamed of in the philosophy of most men. So faithful to my mission in life I am keeping you all in mind to give whatever assistance I may at this time and let us hope when life is done.

Sincerely yours in Christ,
Bro. Adam Hofmann

TWENTY-THREE YEARS OF ROTC

In times like these when schools, institutions and individuals are loudly acclaiming their patriotism and love of country your University is quietly proud of the fact that it didn’t require a Pearl Harbor to bring forth the truth of our motto, “For God and Country!”

As early as 1919—twenty-three years ago—practical patriotism in the form of a complete Reserve Officers’ Training Corps was established on the campus. Since that time nearly 5000 young men have experienced the first fundamentals of military training; more than 2000 have gone a step farther into second basic training; 415 Reserve Officers have been certified from the corps.

The following table shows the steady growth of the R.O.T.C. It will be noted that during the twenties, the basic course was heavily attended by students in the now discontinued preparatory department.

SPRING SPORTS OUT

Coincidental with the announcement that all intercollegiate spring sports have been abolished for 1942 comes word that intramural sports for men will be confined to softball. The varsity sports curtailed include baseball, golf and tennis. Track was off the schedule last year. An abbreviated baseball program may develop. Fourteen softball teams will participate in the intramural Club and Independent leagues.

Taking the place of the eliminated activities is a contemplated program of universal calisthenics. Every student would be given an opportunity to indulge in the program. It is understood that college programs of this nature have the complete approbation of the various branches of the armed service.

FLYERS CARD PRINCES

A newcomer to the Flyer football schedule has been lined up for 1942 in the person of Heidelberg's Student Princes, the game being set for October 3. Dayton played the Tiffin boys once before, in 1933, the score favoring Dayton, 7 to 0.

This brings the 1942 card to eight games, five at home and three away. The November 7 date is still vacant.

Home games are as follows: September 26, Western Michigan; October 3, Heidelberg; October 24, Xavier; October 31, Marshall; November 26 (Thanksgiving), Ohio U. Games away are as follows: October 10, Tennessee; October 17, Miami; November 14, Cincinnati.

FROM ARGENTINA

Dear Drs. Wohlleben and Haas:

Many thanks for the Christmas letter, card and note which accom-
panied the latter. The card, incidentally, arrived before Christmas which is somewhat unusual down here. I believe I have received them all by now, although there may be a few more on the next boat. The last one to be received (on January 26) was from Ed Greer who claimed he was working hard with the Army, but the postmark was from Miami Beach, Fla.

I want to apologize for not writing sooner, but the past month has been the hottest here for 44 years, according to the local weatherman. Every day with the exception of three was in the 88° to 96° F, range and with all the water here (the river is about 30 miles wide at this point) it’s very humid. We had a storm two days ago and it’s considerably cooler and more livable.

I’m enclosing a check for the Alumni Association and wonder if you would have them correct my address on their mailing stencil? It gives the street address as Corrientes 22 instead of Corrientes 222. I have missed several issues and I believe it can be traced to a lack of either imagination or enterprise in the local Departamento de Correos y Telefonos.

REMEMBER “CABBY”?

(Ed. note: The following is an extract from a letter written by August H. Cabrinha ’27 to friends in Dayton. The former swivel-hipped halfback from Hawaii is now in the United States army and stationed in his beloved islands.)

January 20, 1942

Dear Lee and Margaret:

... Everything around here is quiet at present and life is going on as normal as one can expect. My family are all well, thank God. I’ve been in the army for almost a year and a half and am at present in the Island of Hawaii. Was in Honolulu for six months and then went to Fort Benning, Ga., for three months, then back to the Island of Hawaii.

I met John Supensky ’24, Leo Vi rant ’23, and Johnny Koors ’28, while at Fort Benning and had a swell reunion with them.

 Haven’t seen sight or hair of Sam Hipa ’28 for a few years and don’t know where he is at present. Jimmy Spencer ’28 is road overseer in the district I’m stationed at. He has quite a little family. One boy of his is now attending St. Louis College in Honolulu.

I met Brother Schad when he was here two years ago. Spent some time with him taking in the sights around the Island of Hawaii. Really was happy to meet up with him again. Was sorry not to have met Father Renneker during his visit here. Will try and see Brother Miller first chance I get to go to Hilo, which may be in a week or so.

... Best of luck and happiness from my wife and I. Write soon.

FIRST AID TO 71 STUDENTS

"If it ever happens here," we'll be ready. In addition to the many phases of organized civilian defense on the campus a new development has been added, the complete First Aid course of the American Red Cross. Seventy-one students are participating in the course under the direction of Mrs. Keighley. Dr. Francis J. Molz, associate dean of the division of science, is in charge.

One credit hour is given for the course along with the Red Cross certificate of training. The course is particularly adapted to air raid wardens, fire watchers and ambulance workers and will constitute 24 hours of instruction.

FRONT COVER:

The front cover illustrates a fundamental exercise in First Aid, the "three man carry." The "victim" is Elaine Glossinger '45, Dayton; the "instructor" is Mary Jane Driscoll '45, Dayton; bearers are left to right: Fred Crockett '44, St. Petersburg, Fla.; Robert Uebbing '43, Cleveland, and Charles Seman '45, New York, N.Y.

Correction Corner...

We know you don't want to miss any issues of the Alumnuus, and accordingly, we are doing everything in our power to keep our mailing list up to date. We'll need your cooperation in this. If you have moved or plan to move, please notify us at once so we can make the necessary changes in our records. Thanks a lot!
