We are bringing back our virtual Advent wreath once again this year. Join the Marian Library to celebrate the joyful anticipation of Christmas! Each week during Advent, we will light a new candle and share a special gift from the Marian Library. Visit go.udayton.edu/adventwreath to interact with our wreath and see what surprises we have in store for the UD community and all of our friends near and far.

Your Gift for the first week of Advent

Visit the virtual Advent wreath for your first gift — coloring activities to print and enjoy. Some are quite detailed (perfect for those sharpened colored pencils), and some have big open spaces (excellent for crayons or broad-point markers). You can even make your own Advent wreath or Nativity set. These coloring sheets and activities were created for all ages. We hope you print many copies and share them with your family and friends.
