Until Christ Be Formed In Us

Rx: Father Chaminade. he gave us a charism to live, it's the mission of Mary to form all into Christ. It's no different from the mission that Christ gave to the Church: "We're in labor until Christ be formed in you."

1. One day there was a young girl doing ordinary tasks, she was touched by an angel like something in the past, and her life was changed forever by the love within her heart, "We're in labor until Christ be formed in us."

2. From his infancy, to childhood, thru teens and young adult, she was with him as he struggled, just to find the way to go, then one day she so approached him at a wedding feast so big, "We're in labor until Christ be formed in us."

3. That wedding feast was a turning point the disciples saw the Lord, in his glory and magnificence, he just began to shine, in this time of weakness and people were in need: "We're in labor until Christ be formed in us."

4. In the three years of ministry she was there at the right time, at significant moments, when he was called to shine, she was there at his dying the disciple by her side, "We're in labor until Christ be formed in us."

5. It happened in the upper room the disciples were at prayer, she was with them in their struggle to make sense of His death, the Spirit came upon them and the rest is history, "We're in labor until Christ be formed in us."

6. This mission was made clearer in that very upper room, they were listening to the Spirit as was poured upon them all, we are called to do this mission, to birth Christ into this world, "We're in labor until Christ is formed in us."
