Commencement
December 19

Alumni Invited
To Be Present

For the first time in a 93 year history the University of Dayton holds a third commencement in a single calendar year when 67 degrees will be awarded at the N.C.R. auditorium, Sunday, December 19. The class of '43 was graduated in April; summer and special students were graduated in July and now, due to the accelerated program, another full time class (normally would have graduated in June, 1944) will receive degrees.

Father John A. Elbert, president, cordially invites all alumni to be present at the commencement which will be highlighted by the awarding of the honorary degree, Doctor of Engineering, to Orville Wright, co-inventor of the airplane. Mr. Wright will come to the commencement direct from Washington, where, on December 17, he will be guest of honor at a testimonial dinner arranged by President Roosevelt in commemoration of the fortieth anniversary of the first flight by the Wright brothers at Kitty Hawk, N. C. Dr. M. E. Haas, S.M., dean of the college of Engineering, will read the citation and Father Elbert will confer the degree on Mr. Wright.

Commencement speaker will be John Joseph Craig, outstanding Catholic layman and former director of education for the United States army. Mr. Craig has been awarded the Grand Cross of the Holy Sepulchre by Pope Pius XII and is Knight Commander of the Holy Sepulchre; is national director of the Catholic Evidence Confraternity; is a Fellow of the Royal Economic Society of London; a member of the American Academy of Political Science and a Fourth degree Knight of Columbus.

Front cover: Chapel of the Immaculate Conception—most hallowed campus landmark. Only consecrated church in this section, the chapel will be the center of impressive and appropriate religious ceremony on June 25, 1944, date of its Diamond Jubilee.
THE LAST FULL MEASURE OF DEVOTION

The toll of those former students who have paid the supreme sacrifice in World War II was raised to thirteen during the past month with the addition of the names of Lt. Howard L. Dickson '35, A/C Louis E. Priske '43 and Lt. Dan C. Hammang '39 to our Gold Star honor roll.

Lt. Dickson was reported "missing in action" after the sensational Eighth Air Force raid on Ploesti, Rumania, August 1. The War department officially reported him "killed in action" November 11. Lt. Dickson went into the service in July, 1942, as a reserve officer. First assigned to the Intelligence department he was transferred at his own request to a gunner's post. He had resided at 240 Lewiston Rd., Dayton.

A/C Louis E. Priske entered the service on the eve of his graduation in 1943. A great all-around athlete, Lou was most famous for his now legendary 60 yard punt return in the last 20 seconds of the 1942 Chattanooga game that won for the Flyers. Transferred from end to halfback because of his blinding speed and elusiveness, Lou's ability and engaging personality made him one of the Flyer favorites for three years.

Reporting first to St. Mary's pre-flight school, Lou starred on the coast both in football and track. Later he was sent to the University of Oklahoma at Norman and it was there he met death when his trainer went into a spin from which he could not recover. Lou resided at 38 Neal ave., Dayton.

Lt. Dan C. Hammang, U.S.A.A.F. bombardier, was killed in action in the South Pacific area November 11, 1943. He received his wings upon graduation from Hobbs Air Base, New Mexico, November 21, 1942.

Lt. Hammang, a native of Detroit, attended the university for two years and would have graduated in 1939. His wife, Margaret, resides at 347 W. Grand Blvd., Detroit.

Marian Library Well Under Way

For the purpose of gathering into one location a collection, as complete as possible, of books dealing with Mary, Virgin Mother of God, the Marian library project has been instituted by the department of religion, Father Lawrence Monheim, head.

The collection will be housed in a special section of Albert Emanuel library and it is hoped that through the cooperation of alumni and friends it will have reached the near-complete stage in 1950—the Centennial year.

At present Father Monheim and his committee of three students, the Misses Pauline Zink, Patricia Orten-
With contributions still being received, dues payments for 1943 stand at $2102.70. This figure, a new high, was contributed by 434 alumni. Following are the names of those members enrolled in the Association for 1943. Those who contributed more than the asked for $4.00 (dues plus "Alumnus" subscription) are so indicated. All amounts received up to January 1, 1944 will be added to the 1943 fund and the donors' names carried in the January "Alumnus".

Bro. Michels Dies

One of the university's most beloved faculty members, Bro. Peter Michels, S.M., passed to his eternal reward, November 17. Bro. Peter, who died of a heart condition, had been a member of the Society of Mary for 45 years, having taken his first vows in 1899. He was born in Chicago, December 31, 1881.

Bro. Michels taught in Marianist schools in Covington, Ky., Detroit, New York, Pittsburgh and Washington as well as Chaminade high, Dayton, and the university. For many years he was associated with the book store on the campus.

Sympathies

Sympathies are extended to two very good friends of the university upon the recent deaths of their loved ones:

To Mr. John Westendorf upon the death of his wife, Mrs. Frances Westendorf, who died Nov. 5. Mrs. Westendorf, outstanding Catholic laywoman and known for her many charitable works, was a member of the St. Joseph Orphans society, Daughters of Isabella and other Catholic women's societies.

To Jim Carter, former head basketball and assistant football coach, upon the death of his brother, Marion "Red" Carter. "Red", like his brother a Purdue university football star, was killed in an air crash Nov. 11.

Pearl Harbor Mass

Col. Edmond J. Griffin, chief chaplain of the Army's Air Service Command, was the celebrant and Major Francis C. Frechette, Patterson Field chaplain, gave the sermon at the Mass commemorating the second anniversary of Pearl Harbor, December 7.

The inspiring service was arranged under the sponsorship of the Campus Activities Board of Service (CABOS), Father Lawrence Monheim, director. Mass was offered for the safety of our 1242 alumni in the service and for the repose of the souls of our 13 dead.

Two new service banners were blessed during the ceremony and a (See PEARL HARBOR—Page 8)

the Christian Brothers of New York, The Victorian Press of St. Louis, the St. Anthony Guild Press of Patterson, N. J., and the Precious Blood Monastery of Carthage, O. Nearly 300 Librarians of Catholic colleges and seminaries have been contacted and thus far returns have been most encouraging.

The Catholic hierarchy has been unanimous in its condemnation and blessing of the project. An immediate goal of 1000 volumes by June 23, 1944 has been set. This latter date is the Feast of St. John the Baptist and marks the seventy-fifth anniversary of the chapel of the Immaculate Conception.

"DEVOTION TO MARY IN THE TWENTIETH CENTURY" was the first volume donated to the Marian library. Here Father Lawrence Monheim, head of the department of religion and founder of the library project, receives the volume from its author, Father John A. Elbert, president of the university.

Rise and Shine—“Off to Class”
Armoraiders march to and from class. Strange at first, the military cadence—“hup-two-three-four” is now a campus fixture.

Fr. Preisinger’s Geography Class
The trainees get 24 hours of class work each week; take geography, English, history, math. (lots of it), chemistry and physics.

Chow Hounds
Meals come cafeteria style (Chaminade clubroom) with a choice of many items.

Ready—“Exercise”
Harry and Frank Baujan put ’em in shape. Each trainee takes six hours of physical training per week. Note obstacle course.

Study—and So to Bed
The A.S.T.U. is barracked in Alumni hall. Old grads — take note of the double-deck bunks. Supplies are also issued from the hall.

THIS IS THE ARMY
...COLLEGE STYLE

The Army Specialized Training Unit (ASTU) at the university, in number 250, has become an integral part of campus life—aademic as well as extra-curricular. The G.I.s hailing from 38 states and the District of Columbia, adjusted with little or no inconvenience into campus life despite the fact they live in separate quarters and pursue a distinct academic schedule.

Their training, which began August 9 will continue for 38 weeks. Col. John D. Townsend is in command.
