In his latest encyclical, *On Care for Our Common Home*, Pope Francis calls us to recognize the earth as our common home and a gift from God that we must preserve and maintain. In many ways, Pope Francis focuses on our need to engage in a relationship with the earth particularly alongside relationships with all of creation. He states that "the human person grows more, matures more and is sanctified more to the extent that he or she enters into relationships, going out from themselves to live in communion with God, with others and with all creatures" (Laudato Si, 240). Jesus often models this dynamic throughout scripture, particularly when he goes into the wilderness to pray. As we continue on our Lenten journeys, what are some ways you can grow deeper in relationship with God, others, and all creatures? Are there ways that you might recognize the face of Mercy in nature and develop a relationship with our common home?

One opportunity to consider is taking a hike for a weekend by participating in one of our upcoming wilderness retreats. The Men's Wilderness Retreat is offered April 1-3, and the Women's Wilderness Retreat is offered April 15-17. Each opportunity offers students a glorious weekend of backpacking, reflection, and relationship building in the Red River Gorge in Kentucky. If finances prove to be a challenge, scholarships are available upon request. Sign-ups are available online at <http://tinyurl.com/UDRetreats>. If you have questions please contact Mike Bennett at [mbennett3@udayton.edu](mailto:mbennett3@udayton.edu) (for Men's Wilderness) or Tinamarie Stolz at [stolz1@udayton.edu](mailto:stolz1@udayton.edu) (for Women's Wilderness).
