## **A Spring River Clean-Up**

This Monday the River Stewards are organizing a clean-up on the Great Miami River with Ken Carmen . We are hoping this is a start to a prosperous collaboration, as we try to create a rapid-response river-clean up system in response to water levels and the amount of trash left behind.

If you are interested, meet at 4:30pm on Monday, April 5th at Carrilon Park.

This is also a last effort for the 2010 cohort to offer Stewardship to our rivers!
