Vitamin D, a Cup of Coffee and a Porch

 udayton.edu/magazine/2018/02/vitamin-d.php

Sylvia Stahl '18 • February 20, 2018

Sometimes all a UD flyer needs is a cup of coffee, some warm weather, and a comfy porch. Take senior mechanical engineering major, Ted Stitzel and senior pre-medicine major, Sam Dille for example. While sipping their morning coffee on College Park, they were also able to enjoy this mornings warmer weather.
