## 2010 Cohort Senior Project

The Senior Paddle video is now on Youtube, after its successful showing at the River Summit. Imagine the reactions of those who aren't already familiar with the Dayton area, its rivers, and the Rivers Institute. Needless to say, the seniors/2010 cohort received a standing ovation. Without further ado- the River Stewards 2010 Senior Trip documentary, "This is Our Story".

Edit: The video player is too big to fit on the blog! The video can be found [here](#).
