## Quote Of the Week

“

At this Christmas when Christ comes, will He find a warm heart? Mark the season of Advent by loving and serving others with God's own love and concern. Mother Teresa ”

## Second Semester Senior Year

It's the most wonderful time of the year. Midnight breakfast buffets, more study breaking than actual studying, late night Bill's runs with friends, and finals week. Take heart, finals week WILL come to an end. Before we know it, second semester will be upon us. For some of you that may not mean much, but for others, it means *Second Semester Senior Year*.

In the Spring of 2013, this is where I found myself. I was embarking on a semester of student teaching, and had absolutely no idea what it meant to dress professionally. (Still don't) I also had no idea what I was going to do after graduation. I graduated and lived to tell the tale. Life took a turn, and I ended up doing a year of service with Jesuit Volunteer Corps Northwest in Juneau, Alaska. Community, Simplicity, Social and Ecological Justice, and Spirituality became the pillars of a transformative year. But critical to my arrival in Alaska, was the process of *discernment*.

So, if you are a soon to be *Second Semester Senior*, and want some set-aside time to think, pray, and talk about a year of service or post-grad life, consider registering for the **Beyond UD** mini course on **Wednesday evenings from 7-8pm**. If nothing else, remember, what you choose to do next is simply one step along the way. You will take many steps on your journey. Who knows, maybe those steps will lead you to Alaska.
