The University of Dayton Alumnus

Merry Christmas

DECEMBER • 1946
MESSAGE FROM ALUMNI PRESIDENT

This could be called the “Prexy’s Corner.”

It could be called by any of a number of more descriptive but less complimentary titles. After you’ve read it call it what you will. We don’t care so long as it serves its intended purpose of presenting man-to-man-and-woman talks on one subject we all have in common—the Alumni Association.

Elsewhere in this issue you’ll find a report on a meeting of your Board of Directors. A careful reading should convince you that your board is vitally interested in the association and its future.

It is almost axiomatic that before the association can perform any world-startling feats it must get its own house in order. War-enforced inactivity destroyed the nice lines of communication and solid chapter organizations that existed in 1941.

So, Mary Shay has as her immediate goal the reorganization of the various chapters. A good start has been made in this direction. More will follow, especially if every alumnus will consider it a personal challenge to get in and pitch—take the lead if necessary—to get his or her chapter started.

When speaking of reorganization an allied subject rears its head. The files! Your alumni secretary should be able to provide something of a directory service for you. Frankly, she can’t—not as completely as she should or would like. The war again. Too many moves. A concrete effort is being made to rejuvenate the files (see board of directors report), but this will of necessity be a slow process. Keep Mary Shay informed of any changes, not only your own but those of fellow alumni who may be suffering from writer’s cramp. Better still, bombard Mary with requests for a list of alumni in your area, make its correction a chapter project so that we can print a directory of your city.

Maybe we will realize our ambition to publish a directory of all alumni. An honest try will help make it so.

The alumni association has a goal that is a challenge—the 100th anniversary of the university. The association should and must play a prominent role in any celebration but we’ve got to consolidate our forces first. We’ve got to be an organization in more than name only!

Have we started something here? Do you agree or disagree with our plans? Have you any suggestions? Let us know. In the meantime, a very MERRY CHRISTMAS and a HAPPY AND PROSPEROUS NEW YEAR.

Elmer J. Will, ‘37, Pres.
University of Dayton
Alumni Association.

1946 Alumni Membership Report

To give you a brief summary of the reports which have been made on the 1946 alumni membership drive of the University of Dayton, please note: March, 453 members, $2,100.00; May, 538 members, $2,472.00; Dec. 16, 811 members, totalling $3,847.50. We are 184 contributors above last year’s record of 635; however, we are 189 members short of our goal—that 1,000 membership. The average contribution on the ’46 drive is $4.74 per capita.

The officers and members of the board would like to express our appreciation to you. The following is the list of alumni who have made contributions as of Dec. 16, since the last publication in the May Alumni. If any additional contributions are received, a supplementary list will be published in the January Alumni.

BOARD OF DIRECTORS

HOLD MEETING

A meeting of the Board of Directors of the University of Dayton Alumni Association was held at the university on Tuesday, Dec. 10, 1946. The members present were: Elmer J. Will, '37, president of the Alumni Association; Father George J. Renneker, S.M., president of the university; Dr. John Duchak, '31, Dayton; Frank Marshall, '31, Sidney; Charles Reiling, Sr., Dayton, and Miss Mary Shay, secretary of the Alumni Association.

The meeting was opened by the president submitting a resolution to the board on endorsing the statement made by Father Renneker on the appointment of Harry Baujan as Athletic Director. Father Renneker explained that it was deemed advisable for the advancement of the athletic department, as well as for securing better public relations that a layman be appointed at the head of the department.

The next matter of business was securing the permission of the board to appoint a committee for the revision of the Constitution of the Alumni Association. The present Constitution was submitted to the board and the alumni in April, 1929, and is seriously in need of revision.

A report was made to the board by the alumni secretary on the reactivation of the respective alumni chapters. Of the fifteen cities which had alumni chapters functioning prior to the war, five chapters have already had alumni meetings, three are in the process and seven are yet to be reactivated.

A financial report was made to the board. It was brought to the attention of the members, that the Alumni Association is functioning with a deficit.

Discussion followed on methods of making the Alumnus more beneficial to the members of the Alumni Association. A suggestion was made that an active man in an active chapter be contacted to secure the alumni in that area to make a survey, and supply as much information as possible on each member. This data would be entered in the files of the Alumni Association, and would be very useful—in fact it is a necessity—to intelligently answer the queries on addresses, both business and home, occupations, degrees, etc. Another suggestion which will be followed in the Alumnus is a column containing an article by an alumnus or a faculty member on a subject related to his particular field of employment, research or activity.

A proposal was made to the board for the approval of appointing a committee to plan for the alumni contributions to the Centenary Celebration, which will be held in 1950. However, it was decided that the program as yet was too indefinite to make any concrete plans on committees or action at this particular meeting.

At the request of those board members present, another meeting was called for the latter part of March, 1947.

BAUJAN NAMED

ATHLETIC DIRECTOR

Harry Baujan has been appointed as director of athletics according to announcement of Rev. George J. Renneker, S.M., university president. Baujan's first task as new athletic director, Father Renneker said, will be to select his successor as head coach of football.

Completing his twenty-fifth year at the university Baujan has been moved into the position previously held by Bro. Aloys Doyle, S.M., who will be assigned to a new post. The change in organization was made, according to the president's statement, in view of the expected expansion of the athletic program and the belief that a layman be head of the athletic department.

Father Renneker's statement which was made following a meeting with the university athletic board is as follows:

"The University of Dayton is at the threshold of an advance in the field of intercollegiate athletics commensurate with its academic advancement and the large increase in student enrollment in this first post-war year.

"In line with this enlargement and in cognizance of the public interest in our athletic program it has been decided that a layman be appointed to head our athletic department. Harry C. Baujan, for the past 25 years associated with the University's athletic department, has been appointed to fill this new post.

"We feel that Mr. Baujan is eminently qualified for the responsibility and trust that will fall upon his shoulders because of his intimate knowledge of the policies and objectives of the University of Dayton. In his new position, he will have full charge of administration of athletics on equal rank with the heads of other departments. His duties will include, among other things, all public relations insofar as athletics are concerned.

"The first task of the new athletic director will be to select his successor as head coach of football.

"Brother Aloys Doyle, S.M., who has been athletic director of the University will be assigned to a new post."

Harry Baujan, who was out of town at the time of the athletic board meeting, authorized this statement by phone:

"I am delighted and deeply grateful to the Athletic Board of the University for appointing me Athletic Director. Father Renneker had informally discussed the possibility of this appointment with me, and I had assured him of my willingness to accept the greater responsibility of this position. Previously I had this title, but it is my understanding that the change envisages an enlarged athletic program at the University."

Student Council

Pledges Support

The University of Dayton student council has endorsed the appointment of Harry Baujan as university athletic director, and pledged "complete support and cooperation" to him. The student council is representative of approximately three thousand U. D. students, and is comprised of fourteen representatives from the student body. James Whalen, senior business student, and son of Charles W. Whalen, Sr., '07, Dayton, is president of the council.

The following resolution was passed:

"We members of the University of Dayton student council, representing the entire university student body, wholeheartedly endorse the action of the university and the athletic board in appointing Harry Baujan as athletic director.

"In the name of the student body we pledge our complete support and cooperation to him in his new office.

"We salute him upon the completion of twenty-five years at the university and look back proudly at the brilliant record which he has achieved. We look forward confidently and with great anticipation to the even greater era in athletics which is certain to come to the university under his leadership and guidance."

ALUMNI BOARD
ENDORESES ACTION

The following is a statement released by the Board of Directors of the University of Dayton Alumni Association following a meeting held on the campus on Tuesday, December 10, 1946.

"The action taken by the University of Dayton and the Athletic Board in elevating Harry Baujan to the position of Athletic Director is heartily and enthusiastically endorsed by the Board of Directors of the University of Dayton Alumni Association. We feel that the step taken is indicative of the bright future in store for the university, athletically and every other way.

The Alumni board feels that the athletic affairs of the university could not have been placed in more capable hands and pledges its unqualified support to Harry Baujan in the advancement of the University's expanded athletic program."

Flyers Named
To All-Ohio Team

Two U.D. football stars were named by the Associated Press to its annual all-Ohio team. Bill Goss, veteran tackle, and Jack Castignola, halfback were recipients of first team nominations, while Lee Schmidt, converted back to a guard this year from quarterback, was given honorable mention.

Dayton ranked with Miami and Cincinnati in placing two men in the all-Ohio selections, while five other colleges were represented with one each.

The 70-voice Mixed Chorus presented its annual Christmas musical program in afternoon and evening performances Wednesday, Dec. 18 under the direction of Maurice R. Reichard, head of the music department. Highlight of the presentation was the cantata, "The Nativity According to St. Luke," an adaptation of the gospel text set to music by Frederic Field Bullard. Soloists on the program included Nannette Campbell, Nancy Routszahn, Jacquelin Randolph, Norman Foy, Robert Kemper, Norman Schmidt, and Evelyn Burkhardt. Terry Lorenz served as accompanist . . . Full time day faculty members held their Christmas party Sunday, Dec. 15 in the Alumni Hall Lounge. Chairman of the affair was Bro. Elmer Lackner . . . Maurice R. Reichard was named treasurer of the Ohio Unit of the Catholic Music Educators Ass'n. at their annual meeting held recently in Springfield . . . U. D. Mothers' Club entertained the students' fathers at a Christmas party Dec. 12 in the Women's Lounge.

Named "Most Valuable"

Jack Castignola was chosen "most valuable" player by Dayton coaches and sports writers for the 1946 season. The announcement was made at the athletic banquet when it was also announced that monograms were awarded to 28 varsity gridders. Chosen co-captains of the 1946 team were Lee Schmidt, guard from Belle
tville, Ill., and Bill Powers, center from Dayton.

Sidelights on the gridiron season show that freshman halfback, Art Bok, was high scorer for the team with 36 points to his credit. Senior fullback, Don Pinciotti tallied 30 points while little Jack Castignola rolled up 24. Big Bill Goss, senior tackle, led in the conversion department with nine points after touchdown.
Art Bok led the Dayton ground during the season with a net of 602 yards in 93 tries for an average of 6.4 yards per try. Jack Castignola averaged 4.5 yards per try with 460 yards for 102 times. Big Don Pincicotti had a punting average of 40.2 yards on 36 kicks.

**FLYERS WIN FINALE GRID CONTEST**

The University of Dayton Flyers closed another successful football season for Coach Harry Baujan by defeating a stubborn but outmanned Marshall College eleven 29 to 7.

The victory was the sixth of the season against three losses for the Flyers and was Dayton’s sixth win against four losses in the ten-game series with the Thundering Herd of Marshall. The margin of victory kept clear the only Baujan record in jeopardy before the game—his record of never having been out-scored by opponents for a season. Before the game Dayton was five points behind the total of the foes for the season but at the conclusion of the fracas Dayton had 144 points to the opponents’ total of 127.

Marshall’s Thundering Herd played courageously during the first half and the intermission found the score tied at 7-7. But in the third and fourth periods, Baujan’s men unleashed a powerful ground attack that was impossible to stop. Ploughing along and making all their yardage on ground plays, the Flyers marched 91 yards for their first touchdown and 61 for the second. The third quarter was high point in the game for scoring with the Hilltoppers tallying 16 points on two touchdowns and a safety.

**Monograms Awarded**

Monograms were awarded to the following: Bill Goss, Lee Schmidt, Jack Castignola, Gus Schroyer, Bill Gutbrod, Joe Zoul, Dick Dahn, Dick Jordan, Bob Dobbins, Ed Reidy, Bob Wagner, Jim Hanby, Dick Rudnicki, Nick DiCiacco, Joe Accrocco, Fred Miller, Bernie Hickey, Dan Brant, Paul Reichert, Art Bok, Don Pincicotti, Ed Toscani, Milt McGuire, Bill Bachus, Stan Groene, Kenny Boxwell, and Dan Terzi.

**In Retrospect**

Records kept at the university since football began in 1906 show that since that time teams representing St. Mary’s Institute, St. Mary’s College, and the University of Dayton, have played 303 games. The Daytonians have won 184 of these, lost 106, and tied 13. In scoring totals Dayton lists 5048 while opponents have amassed 2584.

In more recent times starting from 1922 which is considered the athletic era under the influence of head coach Harry Baujan, the Flyers have won 130 games, lost 67, and tied eight out of a grand total of 205 contests played. Baujan’s teams have scored 3651 points to the foes’ 1535.

**HILLTOP FIVE LOSE OPENER—49-46**

Although Coach Jim Carter is optimistic about the 1946-47 basketball season, the Flyer squad is handicapped by a lack of height. Average for the team is below six feet two inches, and with the Flyers facing such basketball powers as University of Akron and University of Kentucky, the disadvantage may spell the difference between victory and defeat.

Six lettermen are carrying the brunt of the Dayton attack and though they are substantially the same team that was put upon the floor last year, Carter has noticed considerable improvement and is confident of a successful season this year. Six lettermen are being relied upon to spark the 1946-47 edition of the Flyers basketeers. They include Bill Ginn, Bob Wolfe, Ken Fitzer, Ken Boxwell, Gus Shroyer, and Bob Bockrath. Other experienced men on the squad include Gene Wolke, Jim Finke, Charles Jones and Rick West.

Carter’s men got the 1946-47 basketball season underway by dropping a close decision to Wittenberg 49 to 46. The Flyers forged ahead by three points at one time in the second half but blew this lead later and fell by the wayside after tying the count at 41-all with six minutes to go. Gus Shroyer carried off the honors for U.D. in scoring. The six foot two, 195 pound forward tallied 18 points while Bill Ginn, high scoring forward last year who has been converted into a guard, accounted for 11.

Second event on the Flyer cage schedule was an away-from-home contest with the Penguins of Youngstown College, (O.). The Penguins took an early lead and held it throughout the game to take the decision 33 to 36. "Rip" West, newcomer to Flyer basketball and former Dayton Roosevelt high school star, established himself as the man to watch by scoring 10 points to lead the futile losing attack. Ginn was held to six tallies.

**Merry Christmas**
