LETTER FROM ALUMNI PRESIDENT

"The objects of this organization shall be to maintain and perpetuate the hallowed memories of school days; to foster a spirit of loyalty and fraternity among the former students of the University of Dayton; to establish closer relations between the University, Alumni and Alumni Association; and more particularly to promote the interest, influence and usefulness of the University of Dayton."

And there you have the purpose of the Alumni Association . . . . of its chapters . . . quoted verbatim from Article II of the constitution.

Fellowship should be the keynote, the reason for existence, of every chapter—especially at the outset of reorganization. You've got to help yourself before you can help others. And you'll find, I believe, that in setting reorganization as your immediate goal, you'll automatically be complying with Article II—"promoting the memory of school days", "fostering a spirit of loyalty", "establishing close relation with the University"

And those chapters that do establish themselves on the basis of Fellowship rather than premature and overly-ambitious goals of immediate university aid (although we respect the patriotism that motivates such ideas) will make a better showing when the chips are down—chips such as the number of membership contributions sent in or the amount of tickets sold in support of the Student Council's Field House drive. On that, I’ll take bets!

What's the moral? Simply this: bend every effort to the establishment of the chapter in your area. With strongly organized chapters throughout the country, the Alumni Association can and will fulfill its ultimate mission of "promoting the interest, influence and usefulness of the University of Dayton."

Alumni support to this student undertaking has been pledged by President Elmer Will, An Alumni Committee, headed by Charles W. Whalen, Jr., '42, has been appointed by President Will to work in conjunction with the student committee, composed of student council members and class officers. Serving with Chairman Whalen on the Alumni Committee are Frank Doorley, '43, Charles Kirby, '41, Robert Butler, '42, Jerry Westendorf, '43, and Jack Kussman, '43.

All former students in the Dayton area, as well as out-of-town alumni, will be contacted by committee members. The Alumni Committee has set a goal of at least a ten-dollar contribution to this worthy project from each former student. Complete details regarding this campaign will be found in a letter which will be mailed on April 1st to all University of Dayton Alumni.

The new fieldhouse is another step forward in the expanding athletic program now in progress at U.D. This structure, which will replace the old gymnasium, erected in 1873, will provide permanent seating for 4,500. Present plans call for a further expansion which will increase the seating capacity to 6,000.

ELECTION SLATED FOR COLUMBUS GROUP

The first post-war meeting of the Columbus, Ohio Chapter of the University of Dayton Alumni Association was held in Columbus at the Neil House on Tuesday, March 4.

Ray Conner, '34, past president, presided at the meeting, appointed and introduced George Humm, '40, as temporary chairman. Humm stated that a group composed of Conner, Don Brown, '33, and the acting chairman served as a steering committee to formulate plans for the meeting held on March 4. It was decided that the purpose of the Alumni Association was to keep the members in contact with each other, to meet at certain intervals, and the election of officers.

A committee was appointed to formulate policies and objectives and to submit a calendar for the coming year. Serving on this committee along with Humm will be Louis Favret, '16, George Igel, '45, and Don Brown, '33.

The election of officers will be conducted at the next meeting which, after much discussion, was decided to be held on Thursday, April 17. The time and place will be announced at a later date.

U. D. STUDENTS FORM BLUE GRASS CLUB

The students at the University from the state of Kentucky recently formed the Blue Grass Club which will consist of present students and alumni from Kentucky.

The purpose of the organization is two-fold, to take care of the social life of the members and to care for the interests of the Kentucky alumni at the University. The club is planning a welcome for the alumni at the Homecoming next fall and reservations for the alumni can be made through the club. Next fall the members expect to hold dances and other social functions for the entertainment of the members.

Members of the group are: Patrick Elder, Richard Berry, Frank Schmidt, Jerry Haury, Joseph Connaughton, and Richard Bywater, all from Louisville; Henry O'Bryan, Charles Mudd, Dave Riney, Jack Weldon, Joe Baumgarten, William Weikel, Bill Brown, Leon Smith and Charles Westerheide, from Owensboro; Ed Foster, Springfield; Harry Humpert and Robert Gronette, Covington; Tom Graham, Bellvue; Robert Arzen, Newport; and Carl Crawford, Stricklett.

Jack Weldon heads the club as president, assisted by Frank Schmidt, vice-president, Patrick Elder, secretary, and Tom Graham, treasurer.

ST. PAT’S PARTY HELD BY M.E.'S

MEMBERS OF THE MECHANICAL ENGINEERING SOCIETY AT THE University of Dayton who took an active part in the annual St. Patrick’s Day party are left to right: Clyde Brenner, Don Ruhl, and Fred Kroger. The party was held in the Lounge of Alumni Hall. Alumni of the Mechanical Engineering Society were invited to attend the affair.

GAVIN NAMES
THREE TO STAFF

The university coaching staff was completed this month when Danny Piloseno and Joe Thomas were named as assistant coaches and it was announced that Joe Quinn will stay as an assistant to head mentor, Joe Gavin.

Thomas, Flyer quarterback, who was “Number 77” in the “Quaker State Express” backfield in 1937-38-39, returns to the university from Pittsburgh North Catholic high school where he took a coaching job after his graduation in 1940. During the war he served as an infantry captain and returned to be assistant football coach and head basketball mentor at the Pittsburgh high school.

Present plans call for Gavin and Quinn, who joined the Flyer coaching staff last year as freshman coach, to supervise backfield activities, while Thomas and Piloseno direct the line¬men.

Coley McDonough and Jack Padley to make up what is considered Dayton’s greatest backfield combination, and was the field general when the Flyers battled the St. Mary’s Gaels to a 6-6 tie in the Kears stadium in San Francisco in 1939. He is a native of Philadelphia and is married to the former Kay Herold of Dayton.

EIGHTY ANSWER
FOOTBALL CALL

Spring football practice got an early start on March 11, just one week after Coach Joe Gavin’s arrival from Cleveland and though the first outdoor sessions were partly spoiled by bad weather, the new coach expresses satisfaction at the results of the early workouts. More than eighty candidates turned out for the daily practice sessions which are due to continue for six weeks.

Gavin, an advocate of the “T” formation, got started immediately after his arrival drilling prospective centers and quarterbacks in the tactics of the new system. After a week’s work in the gym with the quarterbacks, key men in the “T”, Gavin began workouts with the whole squad on the practice field. Physical conditioning, fundamentals, and the new plays of the “T” system are being stressed during the spring session. Sixteen lettermen from last fall’s squad are among the 80 hopefuls attending the daily drills.
