Riverscape Ribbon Cutting

On June 28 Five Rivers MetroParks cut the ribbon for the Phase III expansion of Riverscape. The River Steward interns were present on the water, while Leslie mingled under the new tent at the pavilion. The Riverscape expansion includes a tented pavilion, a bike hub complete with bike storage and showers, and beautiful landscaping. This addition to the Great Miami River will continue to show people what an asset we truly have in the river and the potential that it has for not only Dayton, but the entire Great Miami Corridor. As Mayor Leitzell said "This is living proof that Dayton isn't dead."
