Int'l Spring Breakout Trips are experiences where students can expand their perspectives while helping the community through services that include: rehabilitating low-income housing, working in soup kitchens, tutoring and mentoring at-risk children, cultural immersion and appreciation, and many other opportunities while also expanding your own perspectives.

UD Flyers Optimist Club is a children's service organization, dedicated to the children of Dayton and the surrounding community to "bring out the best in kids" and to fundraise for curing childhood cancer. They participate in various service opportunities, many related to sports and arts and crafts!

Reminder: Ash Wednesday is a day of fasting and abstinence from meat. This means Catholics age 14-60 are encouraged to eat only one full meal and two smaller meals, with no snacking in between meals, eliminating meat for the day.
