Old Business- Undergraduate Degree Program Development Plan (PDP) document

At the 3/28/11 meeting of the APC, a comparison between the PDP document and Senate document 94-10 was discussed. It was determined that significant differences existed and these differences and potential changes should be address by the APS in the fall.

On the meeting of 9/26/11, the APC went point by point through the document comparison table developed last spring by J. Hess in order to reconcile the two documents. Changes will be made to the PDP, now titled the Undergraduate Degree Proposal Process. Changes will be reviewed and approval for the document will be address at the next meeting of the APC.

Meeting was adjourned.
