News from Maine

Katie

Hello All!

I hope this post finds you well. I've sent out an email through Leslie that has a video update I've prepared for your viewing pleasure.

But, in case you haven't seen this already, here's a little something I've been up to in Maine.

Love and miss you all!

Katie

p.s. You can't see the description for this video I put on YouTube so I'll copy it here:

"Ok, so this is proof that I have indeed learned to roll, but that I also need lots more practice. Keep in mind, this was definitely not my best roll, especially because I knew the pressure was on from the camera recording (and also because my instructor was cute!)"
