We did not schedule an article about stewardship for this Sunday because of the story about the rich man and poor Lazarus. Really, we didn’t!

There is not enough room to even list the over 100 Campus Ministry programs which are funded primarily through Sunday collections and other donations. Nonetheless, I will mention a few. Your donations help students integrate faith with life and learning through: liturgies, prayer services, chapel supplies, over a dozen different types of retreats serving over 700 students, Hunger and Homelessness Awareness Week, 30 student-led service clubs, the School of the Americas Vigil, the UD Student Appalachia Program, Table of Plenty lunch discussions, Rural Plunge; Health Care Plunge; Residence Hall ministry; Neighborhood ministry, the REAL Dayton, Service Saturdays, Perspectives on Life and Faith dinner discussions, cross-cultural breakout trips, international summer immersion trips; Bible studies, PORCH small faith communities, interdenominational Christian ministry, sacramental preparation, liturgical formation, support groups, and marriage preparation

Before any of this, however, we tithe 10% of every Sunday collection to local agencies who work directly with the poor of the Dayton area. It is one small way that we hope to always be attentive to the needs and the dignity of Lazarus and his companions, our brothers and sisters who suffer at our door.

Thank you very much for your ongoing support by contributions of time, talent, treasure and prayer, without which these programs would not be possible!

Family Weekend Mass
Next Sunday, October 3, UD welcomes the families of students in a special way by celebrating the 10am Mass in the Frenkie Center. There will be no 10pm Mass in the chapel on October 3. Masses will still be celebrated at noon, 6pm, and 8pm in the Immaculate Conception Chapel, and at 9pm in the McGinnis Center.

A local charity which serves the poor in the Dayton area will receive 10% of every Sunday collection. The rest of the collection supports more than 100 Campus Ministry programs of all kinds, including our...

UD Local Foods
UD Local Foods encourages concern for personal health, the community, and the earth. It educates individuals on the importance of healthy and informed eating decisions and raises awareness about the sustainability issues surrounding food choices through initiatives such as a produce program, cooking classes, farmers market trips, dinners, and educational events.

Let us not put off till the end of our life the care that we ought daily to take of our soul.
