One hundred twenty-five engineers and scientists attended a "Symposium on Missile and Drone Recovery" at the University of Dayton Tuesday and Wednesday (Jan. 28-29). The meeting was sponsored by the University's Research Center in cooperation with the Parachute Branch Aeronautical Accessories Laboratory, of the Wright Air Development Center.

Those attending were welcomed to the University by Bro. Leonard A. Mann, S.M., dean of science. Robert Luthman, director of the special projects division, U.D. research center, was symposium chairman. Represented were 90 commercial organizations, 19 government agencies, and four universities.
One hundred twenty-five engineers and scientists attended a "Symposium on Missile and Drone Recovery" at the University of Dayton Tuesday and Wednesday (Jan. 28-29). The meeting was sponsored by the University's Research Center in cooperation with the Parachute Branch, Aeronautical Accessories Laboratory, of the Wright Air Development Center.

On the program were Col. J.S. Bleymaier, assistant director of Astronautics, ARDC, Andrews AFB, Washington, D.C.; Col. F.B. Carlson, Gergard E. Aichinger, T. J. Cox and Maj. R.L.
