June 1952

FRIENDS OF THE MARIAN LIBRARY

If you wish to continue receiving the Marian Library Newsletter, will you please send us a postcard to this effect? If you know of others whom you think would be interested in the Newsletter, kindly send us their names and addresses. We plan to revise our mailing list during the summer months.

DONATIONS

Thanks most sincerely to F.A.D. of Cincinnati for \$12.25, and to G.J.R. of Dayton, for a gift of \$100.00. It is only through the generosity of our friends that the library is able to continue its progress: in buying more books and providing more service. Our dreams relative to the Marian Library are big, and we ask our friends not to forget this singular project of Our Lady - Her own library.

BOOKLIST OF 1949

We now have additional copies of our Booklist of the Marian Library, 1949 edition, available for those who would be interested in receiving one. Write us for a copy; it will be sent gratis. It contains the titles of more than 10,000 Marian books, compiled from lists sent to us from all over the world. We have many new titles now, and in 1954 we plan to edit a new and more complete list.

"Peace Plan from Heaven" FILM

The film, "Peace Plan from Heaven," which was purchased by the Marian Library, is available for any who may wish to show it. There is no service charge. If you write for a date after the summer period, please try to do so well in advance so that we can fill your request on schedule. First asking-first served. This beautiful film on Our Lady of Fatima is 45 minutes long, 16mm., color and sound, and is the work of Mr. Paul Lawrence of San Anselmo, California.

ATTRACTIVELY WOVEN

Through Father Gabriel J. Rus, S.M. of the Marianist Affiliation Service, we have received an advertisement on greeting cards. The series includes five different Marian cards: Hail Mary, Rosary, Our Lady of Perpetual Help, Blessed Mother, Our Lady of Fatima. The cards are attractive and include a woven bookmark with a Marian theme. The cards retail for 15¢ each. Write to Quality Weaving Co., P.O. Box 6582, Philadelphia 38, Pa.

SUMMER WORKERS

Through the kindness of Father John A. Elbert, S.M., our provincial, and the generosity of the religious chosen, the Marian Library will have as summer workers: Brother Henry Setter and Brother John LaFaso of Dayton, and Brother Francis Kreipl, Brother Francis Deibel, and Brother Lynn Leazer of Cincinnati. Brother Setter will begin the classification of the art material which has been collected, and Brother Kreipl will handle the translation and classification of our Marian works in German and Spanish. All summer work at the library will be under the immediate direction of Brother Stanley Mathews, librarian of the Marian Library.

"Miracle of Our Lady of Fatima" FILM

We have just received the final script of the new Fatima film to be released this fall by Warner Brothers. The screenplay was written by Crane Wilbur and was sent to us through the courtesy of Joseph I. Breen, Jr. The picture itself is just about completed.

PAPAL AUTOGRAPH

From a very good Servite friend in Rome, we have just received a copy of Le Encicliche Mariane bound in white cloth with gold tooling and stamped in gold. On the inside front sheet is the personal autograph of the Pope - "Pius pp XII." The book is a 672 page work, containing the papal pronouncements on Mary. How very thankful we are to the Holy Father for this autographed book! It is perhaps one of the finest things we have to date in the Marian Library.

CANTICLES OF THE BLESSED VIRGIN

Cantigas de Santa Maria is the title of the two volume work which has come to us from Spain through the alert interest of Brother Benito Moral, S.M. The two beautifully bound volumes contain the 402 canticles to Our Lady composed by Don Alfonso el Sabio (1221-1284), King of Castille and Leon. The first volume also has a detailed introduction which explains the origin, language, contents, and value of the canticles. The two volumes cost \$100.00
