January 1953

D O N O R S

Ever and again our thanks to the donors, those who so kindly and generously give for the continuation of the work of the Marian Library. This time let us mention JAM of Pittsburgh \$468, EF of Dayton \$12.50, FAI of Glencoe \$63.00, ML of Dayton \$100, CJP of Boston \$10, VG of Cincinnati \$5, MF of Dayton \$13, LAY of Pittsburgh \$5, MMW of Sioux City 25.00. Needless to say really, but our expenses are the greater with the purchase of many new books, with the editing of the NEWSLETTER, and with the STUDY project which we hope to start this month. Thanks most kindly for all the help: spiritual, moral, intellectual, physical, and monetary made in behalf of the Marian Library for all of 1952. It is deeply appreciated.

NEW SERIES OF REPRINTS

The 1953 series of MARIAN REPRINTS will feature Father James O'Mahoney's article "SIGN IN THE HEAVENS" in its January number(11). During the coming year we will make every attempt to continue publishing the best available articles and documents, with emphasis on the Marian apostolate. Many of our subscribers have been with us since the first issue; this means that their subscriptions have expired with the December issue. We urge you to renew your subscriptions immediately in order to keep your set complete. We have frequent requests for complete sets of back issues, and because of limited supply, we cannot guarantee to fulfill such requests for back numbers in the future.

NEW MARIAN BOOKS

This month two new Marian books are scheduled for publication: Sheed & Ward will issue Gerald Vann's THE SEVEN SWORDS, and Longman, Green will release B.G. Sandhurst's biography of St. Bernadette of Lourdes, WE SAW HER. Msgr. Joseph Fenton edited STUDIES IN PRAISE OF OUR BLESSED MOTHER, published by the Catholic University of America press in December. The scepter publishing company will release Joseph Escriva's THE HOLY ROSARY in January.

CRUSADE OF MARY IMMACULATE

From Bartelso, Illinois comes material on the CRUSADE for purity. Under the direction of Father Bernard Kunkel, these crusaders are directing their attention to the Re-enthronement of Mary as the Perfect Model of Purity. Details on the CRUSADE can be had by writing directly to headquarters, in Bartelso. Such a CRUSADE is both timely and necessary, and all should back it with prayer and work.

O-K REGION OF THE NFCCS MARIAN CONGRESS

The Ohio-Kentucky Region(12 colleges) of the National Federation of Catholic College Students will hold its one-day CONGRESS at the University of Dayton on Saturday, March 21st, 1953. The Mariology Club of the University will act as host for the CONGRESS. The theme is DEVOTION TO MARY. There will be four panel-discussions in the course of that day.

MARIAN LIBRARY "STUDY" NUMBER ONE

"STUDY" number one will be MARY IN THE MYSTICAL BODY OF CHRIST, according to the doctrine of Father Chaminade. The study is the work of the Reverend Thomas Stanley S.M. S.T.D.

THE IMMACULATE HEART

Those who saw the movie "The Miracle of Our Lady of Fatima" will be interested in the book THE IMMACULATE HEART by Father John DeMarchi, I.M.C., edited by William Fay, and published by Farrar, Straus & Young. Father DeMarchi is without doubt one of the leading authorities in the world on Fatima and his newly published work is the result of seven years of study and research at the shrine. Well documented with the actual memoirs of Lucia as well as with the testimony of many eye-witnesses, the book is easy reading because of the careful editing of Mr. Fay.

MARIAN MOVIES & MARIAN RECORDS

Before too long, the Marian Library should have a list of available MARIAN MOVIES & MARIAN PHONOGRAPH RECORDS--in order to service those who might be interested in the Blessed Virgin in THIS way. Our Fatima film has been shown in more than 200 places already. We have written for information on the film LIFE OF MARY. And God willing, we hope to have as complete a collection of MARIAN MUSIC on records as we are able to secure. It will be just another MARIAN service we offer to lovers of Our Lady.

R O S A R I E S

Handmade sterling silver rosaries are available from the Marian Library from \$4.00 to \$12.00. The purchase of one of these rosaries will not only provide you with a beautiful sacramental but will also assist the Marian Library in its work.
