### COLLECTION

The Marian Library initiates a drive for donations to secure the Clugnet Collection of 10,000 Marian items (cost - \$7500). Therefore, if any of our readers would like to help us secure these Marian materials, the gift, whatever the size, will be deeply appreciated. If you cannot, and you know someone who can donate, please let us know.

### OUR TENTH BIRTHDAY

This month marks the completion of 10 years for the Marian Library. We hope to celebrate, probably by a special out of town speaker to which lecture we shall invite the public. After ten years, progress has been made, services have been rendered, and God willing, Mary helping, we shall

continue to do our best Marianly. Remember, dear friends, our motto - "IF IT IS MARIAN, either we have it, or we will get it for you." And to all, impossible to mention here, who have helped the Marian Library in the past decade, our sincerest thanks!

### THE MARIAN YEAR

Emanating from the Marian Library this year, in one form or another, will be the following: Marian Library Birthday Celebration, Marian Contest on the Immaculate Conception, Mariological Society Congress delegation, Marian Congress of NFCCS,

Marian Institute of 3 days, Marian City-Wide Rally. All these, and other items, are part of the celebration for the Marian Year to be announced by Pius XII for 1954, centenary of the proclamation of the dogma of the Immaculate Conception.

## MARIAN LIBRARY MEDAL

Bishop Fulton J. Sheen was the personal recipient of the Library's First Gold Medal for the best book on Mary in 1952-53. The director of the Library personally presented the medal to Bishop Sheen in his New York office on the feast of Our Lady of Mount Carmel, July 16th. The Bishop expressed his thanks for being so honored. He also favored the Library with autographed copies of his prize-winning book — **THE WORLD'S FIRST LOVE**.

## GIFTS

A small, but beautiful, statue of Our Lady (in wood), a fine print of Notre Dame du Roc, a T.V. set, money and services have been given to the Marian Library since the last Newsletter, June 1953. We are grateful for this generosity on the part of our many donors, and sincerely hope that others, when they can, will be mindful of our needs. To have the Library properly function for the year, requires a budget of almost \$5,000 — and having no resources except gifts, large and small, from our friends, we depend *entirely* upon the generosity of said friends.

## BLUE ARMY CONGRESS

The Director of the Marian Library was privileged to represent the Cincinnati province, and the Marian Library, at the first Blue Army Congress, held July 13-16, in Plainfield, New Jersey. Meetings were at St. Mary's parish, and all was under the immediate and inspired direction of its Marian pastor, Father Harold V. Colgan. About 700 attended the meetings, which were inspiring and completely Marian. From all parts of the country, even from out of the USA, some came to participate in this congress, the first of its kind. Everything was well organized, and planned; speakers; episcopal, clerical and lay, spoke forcefully;—and the sincerity of all was such as to leave a most lasting and pleasant impression. Here is to many more BLUE ARMY CONGRESSES!

**MARIAN STAMPS**

Brother Nicholas Wagner, S.M. did a wonderful work in gathering and formally presenting to the Marian Library the best collection of *Marian Stamps* that we know of. These stamps are on constant display here at the Library. Brother Nick, through his many friends, was able to secure this more than \$300.00 collection of stamps for us, and we here are very grateful to have them. Thanks, Brother, thank you sincerely!

**MARIAN INSTITUTE**

The success of the MARIAN INSTITUTE was great. More than 180 attended the all-day session. So well received was this project of June 10, that we hope to hold a THREE DAY MARIAN INSTITUTE this coming June. Plan now to be with us, then, June 10, 11, 12, 1954.
